Privacy Act of 1974; Addition of a New Routine Use

AGENCY: Department of Health and Human Services (HHS), Centers for Medicare & Medicaid Services (CMS).

ACTION: Notice to add a new routine use to all CMS systems of records (SOR).

SUMMARY: CMS proposes to add a new routine use to its inventory of SOR subject to the Privacy Act of 1974 (Title 5 United States Code (U.S.C.) 552a) authorizing disclosure of individually identifiable information to assist in efforts to respond to a suspected or confirmed breach of the security or confidentiality of information maintained in these systems of records. The new routine use will be prioritized in the next consecutive numbered order of routine uses in each system notice and will be included in the next published notice as part of our normal SOR review process. The new routine use will read as follows:

1. To appropriate Federal agencies, Department officials and Agency contractors that need access to identifiable information to provide assistance to the Department's efforts to respond to a suspected or confirmed breach of the security or confidentiality of information. In order to receive the information, CMS must:

a. Determines that the use or disclosure does not violate legal
