

various GSA-approved social networking media (e.g., Twitter, Facebook). Homeland security-related associations will also be asked to invite their members to participate in the online collaborations.

Participants will be asked to review developed content for those homeland security topics they are interested in. Examples of requested participant input include:

- Comment and rate phase I solicited input, thereby prioritizing those concepts and suggestions they deem critical and which should be considered by the study groups during their respective reviews.
- Comment on and rate proposed strategic objectives and key strategic outcome statements for the homeland security mission areas under review.
- Vote on proposed mission objectives and outcome statements as to whether they agree or disagree with the proposed content.

In addition to viewing the input received via public participation in the collaboration tool during and after the dialog period, the input will be sorted and disseminated to the study groups who will then incorporate the input into their deliberations and subsequent content generation as appropriate. Study group content will be posted via two collaboration events, in July and August, with final draft conclusions posted via the collaboration event in September, prior to the study groups' final reports.

DEPARTMENT OF HOMELAND SECURITY

U.S. Customs and Border Protection

Agency Information Collection Activities: Application for Overflight Program/Advance Notice for Aircraft Landings

AGENCY: U.S. Customs and Border Protection, Department of Homeland Security.

ACTION: 30-Day notice and request for comments; Extension of an existing information collection: 1651-0087.

SUMMARY: U.S. Customs and Border Protection (CBP) of the Department of Homeland Security has submitted the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act: Application for Overflight Program/Advance Notice for Aircraft Landings. This is a proposed extension of an information collection that was previously approved. CBP is proposing that this information collection be extended with a change to the burden hours. This document is published to obtain comments from the public and affected agencies. This proposed information collection was previously published in the **Federal Register** (74 FR 19098-19099) on April 27, 2009, allowing for a 60-day comment period. This notice allows for an additional 30 days for public comments. This process is conducted in accordance with 5 CFR 1320.10.

DATES: Written comments should be received on or before July 30, 2009.

ADDRESSES: Interested persons are invited to submit written comments on the proposed information collection to the Office of Information and Regulatory Affairs, Office of Management and Budget. Comments should be addressed to the OMB Desk Officer for Customs and Border Protection, Department of Homeland Security, and sent via electronic mail to oir_submission@omb.eop.gov or faxed to (202) 395-5806.

SUPPLEMENTARY INFORMATION: U.S. Customs and Border Protection (CBP) encourages the general public and affected Federal agencies to submit written comments and suggestions on proposed and/or continuing information collection requests pursuant to the Paperwork Reduction Act (Pub. L. 104-13). Your comments should address one of the following four points:

- (1) Evaluate whether the proposed collection of information is necessary for the proper performance of the

functions of the agency/component, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agencies'/components' estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collections of information on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other technological techniques or other forms of information.

Title: Application for Overflight Program/Advance Notice for Aircraft Landings.

OMB Number: 1651-0087.

Form Number: CBP Forms 442 and 442A.

Abstract: CBP Forms 442 and 442A are used by private flyers to obtain a waiver for landing requirements and normal CBP processing at designated airports along the southern border. The CBP regulations also require owners and operators of some commercial aircraft to request CBP permission to land at least 30 days before the first flight date. In addition, there is a requirement for pilots of private aircraft to submit notice of arrival and notice of departure information through Advance Passenger Information System (APIS) manifests no later than sixty (60) minutes prior to departure for flights arriving in to or departing from the United States.

Current Actions: This submission is being made to extend the expiration date.

Type of Review: Extension with change to the burden hours due to better estimates by CBP regarding time per response.

Affected Public: Individuals.

Estimated Number of Respondents: 755,462.

Estimated Number of Total Annual Responses: 760,655.

Estimated Time per Response: 1.1 minutes.

Estimated Total Annual Burden Hours: 13,928.
