Background

The Council was formed in January 1993 to advise the Secretary of the Interior, through the Director, U.S. Fish and Wildlife Service, on nationally significant recreational fishing, boating, and aquatic resource conservation issues. The Council represents the interests of the public and private sectors of the sport fishing, boating, and conservation communities and is organized to enhance partnerships among industry, constituency groups, and government. The 18-member Council, appointed by the Secretary of the Interior, includes the Director of the Service and the president of the Association of Fish and Wildlife Agencies, who both serve in ex officio
