

walkers to maintain records for three years containing information about testing, inspections, sales and distribution of these products.

The records of testing and other information required by the regulations allow the Commission to determine if baby-bouncers, walker-jumpers, and baby-walkers comply with the requirements of the regulation codified at 16 CFR 1500.18(a)(6). If the Commission determines that products fail to comply with the regulations, the records required by 16 CFR 1500.86(a)(4) enable the firm and the Commission to: (i) Identify specific models of products which fail to comply with applicable requirements; and (ii) notify distributors and retailers in the event those products are subject to recall.

DEPARTMENT OF DEFENSE

Presidential Determination on Classified Information Concerning the Air Force's Operating Location Near Groom Lake, NV

AGENCY: Department of the Air Force, DOD.

ACTION: Notice.

SUMMARY: Notice is hereby given that the President has exempted the United States Air Force's operating location near Groom Lake, Nevada from any Federal, State, interstate, or local provision respecting control and abatement of solid waste or hazardous waste disposal that would require the disclosure of classified information to any unauthorized persons.

FOR FURTHER INFORMATION CONTACT: Mr. W. Kipling At Lee, Jr., Deputy General Counsel (Military Affairs), Office of the Secretary of the Air Force, Washington DC 20330; telephone (703) 695-5663.

SUPPLEMENTARY INFORMATION: 42 U.S.C. 6961 makes each department, agency and instrumentality of the executive, legislative, and judicial branches of the Federal Government (1) having jurisdiction over any solid waste management facility or disposal site, or (2) engaged in any activity resulting, or which may result, in the disposal or management of solid waste or hazardous waste subject to all Federal, State, interstate, and local requirements, both substantive and procedural (including any requirement for permits or reporting or any provisions for injunctive relief and such sanctions as may be imposed by a court to enforce such relief), respecting control and abatement of solid waste or hazardous waste disposal and management in the same manner, and to the same extent, as any person is subject to such requirements, including the payment of reasonable service charges. 42 U.S.C. 6961 also states that the President may exempt any solid waste management facility of any department, agency, or instrumentality in the executive branch from compliance with such a requirement if he determines it to be in the paramount interest of the United States to do so and that any exemption shall be for a period not in excess of one year.
