

2. If Garner W. Reed is currently involved with another licensee in NRC-licensed activities, he must immediately cease those activities, and inform the NRC of the name, address and telephone number of the employer, and provide a copy of this order to the employer.

3. For a period of one year after the one year period of prohibition has expired, Garner W. Reed shall, within 20 days of his acceptance of each employment offer involving NRC-licensed activities or his becoming involved in NRC-licensed activities, as defined in Paragraph IV.1 above, provide notice to the Director, Office of Enforcement, U.S. Nuclear Regulatory Commission, Washington, DC 20555, of the name, address, and telephone number of the employer or the entity where he is, or will be, involved in the NRC-licensed activities. In the first notification, Garner W. Reed shall include a statement of his commitment to compliance with regulatory requirements and the basis why the Commission should have confidence that he will now comply with applicable NRC requirements.

The Director, Office of Enforcement, may, in writing, relax or rescind any of the above conditions upon demonstration by Garner W. Reed of good cause.

V

In accordance with 10 CFR 2.202, Garner W. Reed must, and any other person adversely affected by this Order may, submit an answer to this Order, and may request a hearing on this Order, within 20 days of the date of this Order. Where good cause is shown, consideration will be given to extending the time to request a hearing. A request for extension of time must be made in writing to the Director, Office of Enforcement, U.S. Nuclear Regulatory Commission, Washington, DC 20555, and include a statement of good cause for the extension. The answer may consent to this Order. Unless the answer consents to this Order, the answer shall, in writing and under oath or affirmation, specifically admit or deny each allegation or charge made in this Order and shall set forth the matters of fact and law on which Garner W. Reed or other person adversely affected relies and the reasons as to why the Order should not have been issued. Any answer or request for a hearing shall be submitted to the Secretary, U.S. Nuclear Regulatory Commission, Attn: Rulemakings and Adjudications Staff, Washington, DC 20555. Copies also shall be sent to the Director, Office of Enforcement, U.S. Nuclear Regulatory Commission, Washington, DC 20555, to

the Associate General Counsel for Hearings, Enforcement & Administration at the same address, to the Regional Administrator, NRC Region III, 801 Warrenville Road, Lisle, IL 60532-4351 and to Garner W. Reed if the answer or hearing request is by a person other than Garner W. Reed. If a person other than Garner W. Reed requests a hearing, that person shall set forth with particularity the manner in which his interest is adversely affected by this Order and shall address the criteria set forth in 10 CFR 2.714(d).

If a hearing is requested by Garner W. Reed or a person whose interest is adversely affected, the Commission will issue an Order designating the time and place of any hearing. If a hearing is held, the issue to be considered at such hearing shall be whether this Order should be sustained.

In the absence of any request for hearing, or written approval of an extension of time in which to request a hearing, the provisions specified in Section IV above shall be final 20 days from the date of this Order without further order or proceedings. If an extension of time for requesting a hearing has been approved, the provisions specified in Section IV shall be final when the extension expires if a hearing request has not been received.

Dated: Dated this 4th day of December 2000.

For the Nuclear Regulatory Commission,
Frank J. Miraglia, Jr.,
Deputy Executive Director for Reactor Programs.

NUCLEAR REGULATORY COMMISSION

Request for Public Comment on the First Year of Initial Implementation of the Reactor Oversight Process

AGENCY: Nuclear Regulatory Commission.

ACTION: Request for public comment.

SUMMARY: The Nuclear Regulatory Commission (NRC) is approaching completion of the first year of initial implementation of the Reactor Oversight Process (ROP). In response to the Commission's Staff Requirements Memorandum (SRM-00-0049), dated May 17, 2000, the NRC is preparing a report summarizing the lessons learned during the first year of initial implementation of the ROP. The NRC is requesting comments/information from members of the public, licensees, and interest groups related to the initial implementation of the ROP which began at the 103 commercial nuclear power plant sites (except D.C. Cook which is being phased into the ROP) on April 2, 2000.

The NRC is specifically requesting comments on the questions listed at the end of this notice. The NRC is also conducting a public workshop, tentatively scheduled for late March
