B. Submitting Comments

The NRC cautions you not to include identifying or contact information in comment submissions that you do not want to be publicly disclosed in your comment submission. All comment submissions are posted at <http://www.regulations.gov> and entered into ADAMS. Comment submissions are not routinely edited to remove identifying or contact information.

If you are requesting or aggregating comments from other persons for submission to the OMB, then you should inform those persons not to include identifying or contact information that they do not want to be publicly disclosed in their comment submission. Your request should state that the NRC does not routinely edit comment submissions to remove such information before making the comment submissions available to the public or entering the comment submissions into ADAMS.

II. Background

Under the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the NRC recently submitted a request for renewal of an existing collection of information to OMB for review entitled, "NRC Form 354, Data Report on Spouse." The NRC hereby informs potential respondents that an agency may not conduct or sponsor, and that a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The NRC published a **Federal Register** notice with a 60-day comment period on this information collection on June 27, 2017, (82 FR 29118).

1. *The title of the information collection:* NRC Form 354, "Data Report on Spouse."

2. *OMB approval number:* 3150-0026.

3. *Type of submission:* Extension.

4. *The form number if applicable:* NRC Form 354.

5. *How often the collection is required or requested:* On Occasion.

6. *Who will be required or asked to respond:* NRC contactors, licensees, applicants, and other (e.g. intervenor's) who marry or cohabitate after completing the Personnel Security Forms, or after having been granted an NRC access authorization or employment clearance.

7. *The estimated number of annual responses:* 80.

8. *The estimated number of annual respondents:* 80.

9. *An estimate of the total number of hours needed annually to comply with the information collection requirement or request:* 16.

10. *Abstract:* NRC Form 354 must be completed by NRC contractors, licensees, applicants who marry or cohabitate after completing the Personnel Security Forms, or after having been granted an NRC access authorization or employment clearance. Form 354 identifies the respondent, the marriage, and data on the spouse and spouse's parents. This information permits the NRC to make initial security determinations and to assure there is no increased risk to the common defense and security.

Dated at Rockville, Maryland, this 9th day of November 2017.

For the Nuclear Regulatory Commission.

David Cullison,

NRC Clearance Officer, Office of the Chief Information Officer.
