AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: On August 8, 2000, the Department of Commerce (the Department) published the preliminary results of its administrative review of the antidumping duty order on fresh Atlantic salmon from Chile. The review covers nine producers/exporters of the subject merchandise.

The period of review (POR) is July 28, 1998, through June 30, 1999. Based on our analysis of comments received, these final results differ from the preliminary results. The final results are listed below in the *Final Results of Review* section.

EFFECTIVE DATE: December 15, 2000.

FOR FURTHER INFORMATION CONTACT: Edward Easton or Gabriel Adler, at (202) 482-3003 or (202) 482-3813, respectively; AD/CVD Enforcement, Office V, Group II, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street & Constitution Avenue, NW, Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

Applicable Statute and Regulations

Unless otherwise indicated, all citations to the Tariff Act of 1930, as amended (the Act), are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Act by the Uruguay Round Agreements Act (URAA). In addition, unless otherwise indicated, all citations to the Department's regulations are to 19 CFR part 351 (1999).

Background

On August 8, 2000, the Department published in the **Federal Register** the preliminary results of the first administrative review of the antidumping duty order on fresh Atlantic salmon from Chile. *See Notice of Preliminary Results of Antidumping Administrative Review: Fresh Atlantic*

Salmon from Chile, 65 FR 48457 (August 8, 2000) (*Preliminary Results*). We invited parties to comment on the *Preliminary Results*. On September 12, 2000, we received case comments or case briefs from the Coalition for Fair Atlantic Salmon Trade (the petitioner), and from respondents Cultivos Marinos Chiloe, Ltda. (Cultivos Marinos), Pesquera Eicosal Ltda. (Eicosal), Fiordo Blanco, S.A. (Fiordo Blanco), Cultivadora de Salmones Linao Ltda. (Linao), Salmones Mainstream, S.A. (Mainstream), Pesquera Mares Australes Ltda. (Mares Australes), Salmones Pacific Star S.A. (Pacific Star), Salmones Pacifico Sur S.A. (Pacifico Sur), and Salmones Tecmar S.A. (Tecmar). We did not receive rebuttal briefs.

Scope of the Review

The product covered by this review is fresh, farmed Atlantic salmon, whether imported "dressed" or cut. Atlantic salmon is the species *Salmo salar*, in the genus *Salmo* of the family *salmoninae*. "Dressed" Atlantic salmon refers to salmon that has been bled, gutted, and cleaned. Dressed Atlantic salmon may be imported with the head on or off; with the tail on or off; and with the gills in or out. All cuts of fresh Atlantic salmon are included in the scope of the review. Examples of cuts include, but are not limited to: crosswise cuts (steaks), lengthwise cuts (fillets), lengthwise cuts attached with skin (butterfly cuts), combinations of crosswise and lengthwise cuts (combination packages), and Atlantic salmon that is minced, shredded, or ground. Cuts may be subjected to various degrees of trimming, and imported with the skin on or off and with the "pin bones" in or out.

Excluded from the scope are (1) fresh Atlantic salmon that is "not farmed" (*i.e.*, wild Atlantic salmon); (2) live Atlantic salmon; and (3) Atlantic salmon that has been subject to further processing, such as frozen, canned, dried, and smoked Atlantic salmon, or processed into forms such as sausages, hot dogs, and burgers.

The merchandise subject to this investigation is classifiable as item numbers 0302.12.0003, 0304.10.4093, 0304.90.1009, 0304.90.1089, and 0304.90.9091 of the Harmonized Tariff Schedule of the United States (HTSUS). Although the HTSUS statistical reporting numbers are provided for convenience and customs purposes, the written description of the merchandise is dispositive.

Analysis of Comments Received

All issues raised in the case comments and case briefs by parties to

this administrative review are addressed in a decision memorandum dated December 6, 2000 (*Decision Memorandum*), which is hereby adopted by this notice. Attached to this notice as an appendix is a list of the issues which parties have raised and to which we have responded in the *Decision Memorandum*. Parties can find a complete discussion of all issues raised in this review and the corresponding recommendations in the public version of this memorandum, which is on file in Room B-099 of the main Commerce building. In addition, a complete version of the public version of the *Decision Memorandum* can be accessed directly on the Web at www.ia.ita.doc.gov. The paper copy and electronic version of the *Decision Memorandum* are identical in content.

Changes Since the Preliminary Determination

Based on our findings at verification and analysis of comments received, we have made adjustments to the preliminary determination calculation methodology in determining the final dumping margins in the proceeding. These adjustments are discussed in the *Decision Memorandum*.

Final Results of Review

As a result of our review, we determine that the following weighted-average margins exist for the period of July 28, 1998, through June 30, 1999:

Exporter/manufacture	Weighted-average margin percentage
Cultivos Marinos	0.01
Eicosal	0.18
Fiordo Blanco	1.46
Linao	0.00
Mainstream	0.00
Mares Australes	0.00
Pacific Star	3.94
Pacifico Sur	0.00
Tecmar	0.01

The Department shall determine, and the Customs Service shall assess, antidumping duties on all appropriate entries. In accordance with 19 CFR 351.212(b)(1), we have calculated importer-specific assessment rates based on the ratio of the total amount of antidumping duties calculated for the importer-specific sales to the total entered value of the same sales. Where the assessment rate is above de minimis, we will instruct the Customs Service to assess duties on all entries of subject merchandise by that importer. The Department will issue appraisement instructions directly to the Customs Service.

Furthermore, the following deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of these final results of administrative review, as provided by section 751(a) of the Act: (1) For all exporters/manufacturers covered by this review, the cash deposit rate will be the rate listed above, except where the margin is zero or de minimis, a cash deposit of zero will be required; (2) for merchandise exported by producers or exporters not covered in this review but covered in a previous segment of this proceeding, the cash deposit rate will continue to be the company-specific rate published in the most recent final results in which that producer or exporter participated; (3) if the exporter is not a firm covered in this review or in any previous segment of this proceeding, but the producer is, the cash deposit rate will be that established for the producer of the merchandise in these final results of review or in the most recent final results in which that producer participated; and (4) if neither the exporter nor the producer is a firm covered in this review or in any previous segment of this proceeding, the cash deposit rate will be 4.57 percent, the "All Others" rate established in the less-than-fair-value investigation. These deposit requirements shall remain in effect until publication of the final results of the next administrative review.

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402 (f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred, and in the subsequent assessment of double antidumping duties.

This notice also is the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

We are issuing and publishing this determination and notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: December 6, 2000.

Troy H. Cribb,

Assistant Secretary for Import Administration.

Notice of Postponement of Preliminary Countervailing Duty Determination: Honey from Argentina.

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce is extending the time limit for the preliminary determination in the countervailing duty investigation of honey from Argentina from January 2, 2001 until no later than March 5, 2001. This extension is made pursuant to section 703(c)(1)(A) of the Tariff Act of 1930, as amended by the Uruguay Round Agreements Act.

EFFECTIVE DATE: December 15, 2000.

FOR FURTHER INFORMATION CONTACT:

Dana Mermelstein or Doug Campau, Office of AD/CVD Enforcement VII, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone (202) 482-1391 or (202) 482-1395, respectively.

Postponement of Preliminary Determination: On October 26, 2000, the Department initiated the countervailing duty investigation of honey from Argentina. See *Notice of Initiation of*

Countervailing Duty Investigation: Honey From Argentina, 65 FR 65835 (November 2, 2000). On December 5, 2000, petitioners made a timely request pursuant to 19 CFR 351.205(e) for a postponement of the preliminary determination in accordance with section 703(c)(1) of the Tariff Act of 1930, as amended (the Act). Petitioners requested a postponement because of the complicated nature of the case, to allow petitioners adequate time to analyze submitted responses, and to allow time for the Department to determine the extent to which particular subsidies are being used.

For reasons identified by the petitioners, we see no compelling reason not to postpone the preliminary determination. See *Memorandum from Deputy Assistant Secretary for AD/CVD Enforcement Joseph A. Spetrini to Assistant Secretary for Import Administration Troy H. Cribb*, dated December 8, 2000 (on file in the public file of the Central Records Unit, Room B-099 of the Department of Commerce).
