

identify topics for training and technical assistance they would like to receive from a pre-populated list. Answer options include items such as data collection, data entry, and using data in creative ways. Both questions have an

option for respondents to write-in an answer that is not included in the list.

Description of Respondents: The respondent universe for this data collection effort is one Project Director from each SAMHSA-funded grants being served by the GDTA contract. This currently only includes discretionary

grants but is expected to include block grants in future years. There are currently 2,670 SAMHSA-funded discretionary grants served by the GDTA contract, therefore this is the number of respondents expected for this data collection effort.

SUPPLEMENTARY INFORMATION: This notice informs the public that HUD is seeking approval from OMB for the information collection described in Section A.

A. Overview of Information Collection

Title of Information Collection: Assessment of HUD-Funded or Designated Neighborhood Networks Centers and Other Computer Labs within Public Housing Authorities and Multifamily Housing Properties.

OMB Approval Number: Pending OMB approval.

Type of Request: New.

Form Number: None.

Description of the need for the information and proposed use: From the mid-1990s through 2010, HUD either funded or provided technical assistance to encourage the establishment of Neighborhood Networks computer centers in public and assisted housing. HUD is interested in learning about the current status of these computer labs (and others that may have been opened outside of the Neighborhood Networks initiative). In addition, HUD is interested in learning about the ability of these centers to provide digital literacy and other educational training, as well as challenges these centers face in maintaining operations.

Respondents: Public housing authorities and multifamily housing owners.

Estimated Number of Respondents: 3,200 public housing authorities; and 100 Multifamily owners.
