Notice inviting applications for new awards for fiscal year (FY) 2011.

Catalog of Federal Domestic Assistance (CFDA) Number: 84.116E.

DATES: Applications Available: March 25, 2011.

Deadline for Transmittal of Applications: April 25, 2011.

Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: The Erma Byrd Scholarship Program provides scholarships to individuals pursuing a course of study that will lead to a career in industrial health and safety occupations, including mine safety. This program is designed to increase the skilled workforce in these fields at both the fundamental skills level and the advanced skills level. The program has a service obligation component, which requires recipients of the scholarship to begin employment in a career position related to industrial health and safety no later than six months after completion of the degree program, and to continue to work in a career position related to industrial health and safety, including mine safety, for a period of one year.

The scholarships are available to students in the following eligible areas of study related to industrial health and safety: Mining and mineral engineering, industrial engineering, occupational safety and health technology/technician, quality control technology/technician, industrial safety technology/technician, hazardous materials information systems technology/technician, mining technology/technician, and occupational health and industrial hygiene.

Program Authority: For FY 2011, the authority for the Erma Byrd Scholarship Program is established under division D, title III of the Consolidated Appropriations Act, 2010, Public Law 111-117. FY 2010 funds are being used in FY 2011 to make new awards.

Applicable Regulations: The Education Department General Administrative Regulations (EDGAR) in 34 CFR parts, 75, 77, 81, 82, 84, 85, 86, and 99.

II. Award Information

Type of Award: Discretionary grant.
Estimated Available Funds for New Awards: \$205,767.

Estimated Average Size of Awards: \$2,500 (associate's degree student); \$5,000 (bachelor's degree student); \$10,000 (graduate degree student).

Estimated Number of Awards: 41. The number of scholarships awarded will be allocated between undergraduate students and graduate students in the same proportion as the number of fundable applications received from those groups of students, taking into account the size of the awards to be made to students in those groups.

Note: The Department is not bound by any estimates in this notice.

Project Period: Up to 24 months.
