

and connection information for the virtual public scoping meeting. The meeting will provide KIUC and the Service an opportunity to present to the public information pertinent to the KIUC HCP, and for the public to ask questions on the scope of issues and alternatives the Service should consider when preparing the EIS. No opportunity for oral comments will be provided. Written comments may be submitted by either one of the methods listed in **DATES** and **ADDRESSES**.

Reasonable Accommodations

Persons needing reasonable accommodations in order to attend and participate in the virtual public scoping meeting should contact the Service's Pacific Islands Fish and Wildlife Office (see **FOR FURTHER INFORMATION CONTACT**) no later than 1 week before the scheduled meeting. Information regarding this proposed action is available in alternative formats upon request.

Request for Information

We request comments on the proposed action and alternatives, concerning the scope of the analysis and identification of relevant information, studies, and analyses from the public; other governmental agencies; the scientific community; Native Hawaiian organizations or entities; industry; or any other interested party. We will consider these comments in developing the DEIS. Specifically, we seek:

1. Biological information and relevant data concerning the covered species and other wildlife;

2. Additional information concerning the range, distribution, population size, and population trends of the covered species;

3. Potential effects that the proposed permit action could have on the covered species, and other endangered or threatened species, and their associated ecological communities or habitats;

4. Potential effects that the proposed permit action could have on other aspects of the human environment, including ecological, aesthetic, historic, cultural, economic, social, environmental justice, or health effects;

5. Other possible reasonable alternatives to the proposed permit action that the Service should consider, including additional or alternative avoidance, minimization, and mitigation measures;

6. The presence of historic and cultural properties—including archaeological sites, buildings, and structures; historic events; sacred and traditional areas; and other historic preservation concerns—in the proposed

permit area, which are required to be considered in project planning by the National Historic Preservation Act;

7. Information on other current or planned activities in, or in the vicinity of, the Island of Kauai and their possible impacts on the covered species, including any connected actions that are closely related and should be discussed in the same DEIS; and

8. Other information relevant to the KIUC HCP and its impacts on the human environment.

Comments received in writing during the 2016 public comment period were retained, and do not need be provided again during this public comment period to be considered during this review.

Public Availability of Comments

Before including your address, phone number, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—might be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so. All submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, will be made available for public disclosure in their entirety.

Comments and materials we receive, as well as supporting documentation we use in preparing the DEIS, will be available for public inspection online in Docket No. FWS-R1-ES-2022-0068 at <https://www.regulations.gov/>.

Next Steps

Once the DEIS is prepared, there will be further opportunity for comment on this proposed permit action through an additional public comment period.

Decision Maker and Nature of Decision To Be Made

The decision maker is the Service's Regional Director of the Pacific Region. If, after publication of the record of decision, we determine that all requirements are met for ITP issuance, the Regional Director will issue a decision on the requested ITP.

Authority

We provide this notice in accordance with the NEPA regulations found at 40 CFR 1501.9(d).

Nanette Seto,

Acting Deputy Regional Director, U.S. Fish and Wildlife Service.

Notice of Proposed Withdrawal Extension and Opportunity for Public Meeting for the Sweetwater River Recreational, Scenic, Riparian, Historic, and Wildlife Area Along the Sweetwater River, Wyoming

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice.

SUMMARY: The Secretary of the Interior proposes to extend for an additional 20-year term and subject to valid existing rights Public Land Order (PLO) No. 7546. The PLO withdrew 4,943.13 acres of public lands from settlement, sale, location, or entry under the general land laws, including the United States mining laws, subject to valid existing rights, to protect and preserve significant recreational, scenic, riparian, historic, and wildlife resources along the Sweetwater River in Fremont County, Wyoming. This notice advises the public of an opportunity to comment on the proposed 20-year withdrawal extension and to request a public meeting.

DATES: Comments and requests for a public meeting regarding the withdrawal application must be received on or before September 6, 2022.

ADDRESSES: Comments and meeting requests should be sent to the Bureau of Land Management (BLM) Wyoming State Director, 5353 Yellowstone Road, Cheyenne, Wyoming 82009.

FOR FURTHER INFORMATION CONTACT: Jackie Madson, BLM Wyoming State Office, at (307-775-6252). Individuals in the United States who are deaf, deafblind, hard of hearing, or have a speech disability may dial 711 (TTY, TDD, or Tele Braille) to access telecommunications relay services. Individuals outside the United States should use the relay services offered within their country to make

international calls to the point-of-contact in the United States.

SUPPLEMENTARY INFORMATION: The withdrawal established by PLO No. 7546 (67 FR 72970; December 9, 2002) is incorporated herein by reference and will expire on December 8, 2022, unless the withdrawal is extended. At the request of the BLM, the Secretary is proposing to extend PLO No. 7546 for an additional 20-year term. The withdrawal extension will allow the BLM to continue to protect and preserve the recreational, scenic, riparian, historic, and wildlife resources on 4,943.13 acres, covering about 9.7 miles around the Sweetwater River. Among other things, the Sweetwater River played a significant role in the Oregon, Mormon Pioneer, California, and Pony Express historic trails.

There are no suitable alternative sites available. There are no other Federal lands in the area containing or replicating these recreational and other values.

No water rights would be needed to fulfill the purpose of this withdrawal extension.

Comments, including name and street address of respondents, will be available for public review at the BLM Wyoming State Office, 5353 Yellowstone Road, Cheyenne, Wyoming, during regular business hours 8:00 a.m. to 4:30 p.m., Monday through Friday, except holidays.

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personally identifying information—may be made publicly available at any time. While you may ask the BLM in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Notice is hereby given that an opportunity for a public meeting is afforded in connection with the proposed withdrawal extension. All interested persons who desire a public meeting for the purpose of being heard on the proposed withdrawal extension must submit a written request to the State Director, BLM Wyoming State Office, at the address in the **ADDRESSES** section, within 90 days from the date of publication of this notice. If the authorized officer determines that a public meeting will be held, a notice of the date, time, and place will be published in the **Federal Register** and local newspapers and on the BLM website at www.blm.gov at least 30 days before the scheduled date of the meeting.

This withdrawal extension proposal will be processed in accordance with the regulations set forth in 43 CFR 2310.4.
