Airport Improvement Program Grant Assurances; Notice of Modifications

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice to modify Airport Improvement Program Grant Assurances on an interim basis.

SUMMARY: In issuing this notice, the FAA incorporates, on an interim basis; two new assurances to the standard grant assurances that are required of a sponsor before receiving a grant under the Airport Improvement Program (AIP). Also, the FAA is modifying another grant assurance. Pursuant to applicable law, the Secretary of Transportation is required to provide notice in the **Federal Register** of, and to provide an opportunity for public comment on, proposals to modify the assurances and on proposals for additional AIR assurances.

A notice of modification of Airport Improvement Program grant assurances and of the opportunity to comment was published in the **Federal Register**/Vol. 69, No. 163/Tuesday, August 24, 2004 on page 52057. The existing AIP grant assurances are being amended here for two reasons: To add two new assurances as required by Vision 100—Century of Aviation Reauthorization Act, (Pub. L. 108-176) and to modify an existing assurance.

The August 24 notice proposed, in addition to these new assurances to restructure the grant assurances to better reflect existing law. FAA also invited comments on all of the assurances for proposed changes or for possible recommendations to propose changes to existing statute. FAA is committed to this larger project and wishes to give

full considerations to the comments received. At the same time, FAA is obligated to implement changes to law as timely as possible. Therefore, this notice is issued to implement the law with respect to the new assurances and the modified assurance while the larger project is being considered.

DATES: These modifications to the existing Grant Assurances will be adopted as of the date of publication in the **Federal Register**.

FOR FURTHER INFORMATION CONTACT: Mr. Kendall Ball, Airport Improvement Program Branch, Airports Financial Assistance Division, APP 520, Room 619, FAA, 800 Independence Avenue, SW., Washington, DC 20591, Telephone (202) 267-7436.

SUPPLEMENTARY INFORMATION: The Secretary must receive certain assurances from a sponsor (applicant) seeking financial assistance for airport planning, airport development, noise compatibility planning or noise mitigation under title 49, U.S.C., as amended. These assurances are submitted as part of a sponsor's application for Federal assistance and are incorporated into all grant agreements. As need dictates, these assurances are modified to reflect new Federal requirements. Notice of such proposed modifications was published in the **Federal Register** and an opportunity was provided for comment by the public.

The current assurances were published on February 3, 1988, at 53 FR 3104 and amended on September 6, 1988, at FR 34361, on August 29, 1999, at 54 FR 35748 on June 10, 1994 at 59 FR 30076, on January 4, 1995, at 60 FR 521, on June 2, 1997, at 62 FR 29761 on August 18, 1999, at 64 FR 45008, and on August 24, at 69 FR 163.

Discussion of Comments Received in Response to the Notice of Modification of Airport Improvement Grant Assurances

On August 24, 2004, the Federal Aviation Administration published in the **Federal Register** (69 FR 52057) modifications to the Airport Improvement Program grant assurances. The agency asked for public comment by September 23, 2004. On September 17, 2004 a notice was published in the **Federal Register** (69 FR 56112) extending the comment period until November 8, 2004.

The FAA received comments from 14 respondents on the notice of proposed modifications of the grant assurances. One of the 14 respondents comments were received following the close of the comment period on November 8.
