For Hawaii Applicants, the Prospective Homebuyers must reside in the State of Hawaii.

E. *Awardees will be selected based upon factors which include, but are not limited to, their experience and ability to provide Financial Education and Counseling Services to Prospective Homebuyers which result in documented Positive Behavioral Changes (see Section V. B.-C., below, for*

Criteria and Review and Selection Process).

F. Uses of Funds: In general, eligible uses of FEC Pilot Program awards include all allowable expenses as defined by Office of Management and Budget (OMB) Circular A-122, "Cost Principles For Non-Profit Organizations," and OMB Circular A-87, "Cost Principles for State, Local, and Indian Tribal Governments," related to the administration, operation, and implementation of a Financial Education and Counseling Services program. For example, eligible uses may include, but are not limited to, the following:

1. *Personnel (Salary):* An Awardee may use FEC Pilot Program grant funds to cover the salary paid currently or accrued for services rendered by permanent or temporary staff in carrying out a distinct project or for a set period during the Performance Period. The CDFI Fund will only cover salary for duties that are related to the purpose of the award. Compensation paid for employees engaged in activities funded with a FEC Pilot Program grant must be consistent with that paid for similar work for other Awardee employees.

2. *Personnel (Fringe Benefits):* An Awardee may use FEC Pilot Program grant funds to cover the fringe benefits paid currently or accrued for services rendered by permanent or temporary staff in carrying out a distinct project or for a set period during the Performance Period. Fringe benefits are for personnel listed in Personnel (Salary) and only for the percentage of time devoted to the FEC Pilot Program-related activities during the Performance Period. Fringe benefits on overtime hours are limited to FICA, Workers' Compensation, and Unemployment Compensation. Fringe benefits provided to employees engaged in activities funded with a FEC Pilot Program grant must be consistent with that paid for similar work for other Awardee employees.

3. *Professional Service Costs (Consulting and Contracts):* An Awardee may use FEC Pilot Program grant funds to acquire external expertise that will directly further the purposes and activities of its Financial Education and Counseling Services.

4. *Materials and Supplies:* An Awardee may use FEC Pilot Program grant funds to purchase supplies and/or to produce materials that will directly further the purposes and activities of its Financial Education and Counseling Services. Generally, supplies include any materials that are expended or consumed over time.

5. *Equipment and Other Capital Expenditures:* An Awardee may use FEC

Pilot Program grant funds to acquire new equipment or to enhance existing equipment that will directly further the purposes and activities of its Financial Education and Counseling Services.

6. *Other Program Expenses:* An Awardee may use FEC Pilot Program grant funds to cover other direct expenses allowable under OMB Circular A-122 and OMB Circular A-87, including direct payments made to the recipients of the Awardee's Financial Education and Counseling Services (e.g., contributions to a matched savings account; compensation for participating in follow-on surveys; reimbursement for expenses associated with attending training sessions; etc.). For all other costs outlined in OMB Circular A-122 and OMB Circular A-87, the Awardee must demonstrate to the satisfaction of the CDFI Fund that the activity will be directly linked to its Financial Education and Counseling Services. Awardees are expected to use a portion of FEC Pilot Program grant funds to finance costs related to evaluating the impact of the Financial Education and Counseling Services on the financial knowledge, and change of skills and behavior, of Prospective Homebuyers. Such uses may include development and implementation of assessment tools, including both short-term and longitudinal assessments, and other research on effectiveness of particular program activities.

7. *Indirect Costs:* An Awardee may use no more than fifteen percent (15%) of FEC Pilot Program grant funds to cover indirect expenses allowable under OMB Circular A-122 and OMB Circular A-87.

G. FEC Pilot Program grant funds must be used to support the Awardee's activities: Grant funds cannot be used to support the activities of, or otherwise be "passed through" to third-party entities, including Affiliates or Subsidiaries, without the prior written permission of the CDFI Fund. Notwithstanding this general prohibition against passing through funds to other entities, Intermediary Organizations shall be permitted to apply for FEC Pilot Program grant funds in furtherance of their strategy to support other providers of Financial Education and Counseling Services to Prospective Homebuyers, provided that such funds are not used to provide financial or technical assistance to any other organization (or its Affiliates) that receives a FEC Pilot Program grant through the FY 2009 funding round.

H. *Assistance Agreement:* Each Awardee under this NOFA must sign an Assistance Agreement in order to receive a disbursement of award

proceeds from the CDFI Fund. The Assistance Agreement contains the terms and conditions of the award. For further information, see Section VI.A. of this NOFA.

III. Eligibility Information

A. *Eligible Applicants:* An Applicant must be an Eligible Organization in order to be eligible to receive an FEC Pilot Program award. The following sets forth additional detail and dates that relate to the submission of applications under this NOFA:

1. *Eligibility of Hawaii Applicants:* Any Eligible Organization headquartered in the State of Hawaii is eligible to apply for an award of \$3.15 million in the FY 2010 Funding Round. Any such organization that applied for an award in the FY 2009 Funding Round must submit a new Application under this NOFA in order to be considered for the \$3.15 million award available in the FY 2010 Funding Round. For purposes of this NOFA, a Hawaii Applicant must demonstrate that its headquarters is located in the State of Hawaii.

2. *Eligibility of Applicants Located outside of the State of Hawaii:* With respect to the \$1 million in funding that is available to non-Hawaii Applicants in the FY 2010 Funding Round, only Applicants headquartered outside the State of Hawaii that applied for funding in the FY 2009 Funding Round will be considered for these awards. The CDFI Fund is not soliciting, nor will it review, any new applications from Applicants located outside the state of Hawaii. Rather, the CDFI Fund anticipates making between three to five awards, in amounts ranging from \$200,000 to \$400,000, to Eligible Organizations that submitted applications under the FY 2009 Funding Round and were ranked and reviewed by the selection committee, but were not selected to receive awards under the FY 2009 Funding Round.

In addition, as described further below, in order to be deemed eligible for an FEC Pilot Program award, an Eligible Organization must demonstrate that it meets certain minimum threshold requirements with respect to its experience and ability to provide Financial Education and Counseling Services to Prospective Homebuyers that result in documented Positive Behavioral Changes.

3. *Eligibility Specifications:*
(a) *HUD Housing Counseling Agencies:* To be eligible for an award through this NOFA, a HUD Housing Counseling Agency must be certified as such in accordance with section 106(e)(1) of the Housing and Urban

Development Act of 1968 (912 U.S.C. 1701x(e)), as of the Application deadline under this NOFA and must maintain its status as a HUD Housing Counseling Agency through the Performance Period.

(d) *Credit Unions*: To be eligible for an award through this NOFA, a Credit Union must have received its Credit Union charter by or before the Application deadline under this NOFA and must maintain its status as a Credit Union throughout the Performance Period.

(e) *Hawaii Applicants*: Approximately \$3.15 million in appropriated funds under this NOFA are available for an award to an Eligible Organization whose headquarters is located in the State of Hawaii. For purposes of this NOFA, a Hawaii Applicant must demonstrate that its headquarters is located in the State of Hawaii.

4. *Experience and Ability*: In order to be deemed an Eligible Organization by the Office of Financial Education (OFE), an organization must demonstrate that, at the time of Application submission, it has the requisite experience and ability to provide Financial Education and Counseling Services to Prospective Homebuyers that result in documented Positive Behavioral Changes. As specified further in the Application, an entity must demonstrate that: (i) It has been providing Financial Education and Counseling Services for a period of at least three years immediately prior to the Application deadline; (ii) it has at least two full-time equivalent positions dedicated to the development and/or delivery of Financial Education and Counseling Services (this may include the time of more than two staff persons, board members, or outside contractors totaling 75.0 hours or more per week); (iii) it has provided Financial Education and Counseling Services (either directly or, in the case of an Intermediary Organization, indirectly) to at least 100 Potential Homebuyers in calendar year 2009 or to an average of at least 150 Potential Homebuyers per year over the three calendar years prior to the Application deadline, and tracked Positive Behavioral Change outcomes

with respect to such services; and (iv) at the time of Application, it has budget resources of at least \$50,000 dedicated to the provision of Financial Education and Counseling Services. Entities that cannot satisfy each of these four requirements do not meet the minimum requisite experience and ability to administer an FEC Pilot Program award, and will not be eligible for FEC Pilot Program awards.

5. *Intermediary Organizations*: An Intermediary Organization must be one of the following: (a) A HUD Housing Counseling Agency; (b) a State, Local or Tribal government; (c) a CDFI; or (d) a Credit Union. Additionally, an Intermediary Organization must certify that it meets the minimum threshold criteria described above in Section III.A.4. 6. *Eligibility Reviews*: Eligibility reviews will be completed at the time of Application submission, based on the Application.

7. *Applications Submitted as Part of a Collaborative Effort*: In such circumstances, the Collaborative Effort must identify in the Application the lead organization that will serve as the primary administrator of the FEC Pilot Program award. This entity is hereinafter deemed the "Lead Applicant" for purposes of the Application. The Lead Applicant must be able to assert that it (individually and separately from the combined accomplishments of the Collaborative Effort members) can satisfy each of the four threshold criteria identified in Section III.A.4., above. Other members of the Collaborative Effort are not required to meet the minimum threshold criteria.

8. *Entities that Submit Applications Together with Affiliates or Subsidiaries; Applications from Common Enterprises*: If an Applicant and its Affiliates or Subsidiaries wish to submit Applications, they must do so collectively, in one Application; an Applicant and its Affiliates or Subsidiaries may not submit separate Applications. If Affiliated or Subsidiary entities submit multiple Applications, the CDFI Fund reserves the right either to reject all such Applications received or to select a single Application as the only Application considered for a grant.

For purposes of this NOFA, in addition to assessing whether Applicants are Affiliates or Subsidiaries,

the CDFI Fund will consider whether Applicants constitute a common enterprise. For the purposes of this NOFA, a common enterprise may exist: (i) Where the activities described in Applications submitted by separate entities are, or will be, operated and/or managed such that, in fact or effect, they may be viewed as a single entity; (ii) where the Applications submitted by separate entities contain significant narrative, textual or other similarities; or (iii) where the strategies and/or activities described in Applications submitted by separate entities are so closely related, in fact or effect, they may be viewed as substantially identical Applications. In such cases, the CDFI Fund reserves the right: To reject all Applications received from all such entities; to select a single Application as the only one that will be considered for an award; and/or, in the event that an Application is selected to receive an award, to deem certain activities ineligible.

B. *Limitations on Awards*: Awardees are required to account for the use of all FEC Pilot Program award dollars. FEC Pilot Program award funds cannot be used to cover expenses of any same activities for which the Awardee has received, or will receive, awards from other sources of federal financial assistance; notwithstanding this limitation, FEC Pilot Program award funds can be used to increase the population served by the Awardee, and/or to increase the scope of the Awardee's Financial Education and Counseling Services. Intermediary Organizations that receive FEC Pilot Program awards may not use those dollars to provide assistance to other FEC Pilot Program awardees (or their Affiliates) that receive awards through either the FY 2009 or FY 2010 Funding Rounds.

C. *Matching Funds*: There are no matching fund requirements for the FEC Pilot Program.

The CDFI Fund reserves the right to collect such additional information from Applicants as it deems appropriate including, but not limited to, copies of financial education curricula, organizational information, and audited financial statements. After submitting its Application, the Applicant will not be permitted to revise or modify its Application in any way. If contacted for clarifying or confirming information, the Applicant must respond within the time parameters set by the CDFI Fund.

3. *Application Review; Selection:*

Awards will be made based on Applicants' experience and ability to provide Financial Education and Counseling Services to Prospective Homebuyers that result in documented Positive Behavioral Changes, in accordance with the criteria set forth above in Section V.B. Awards pursuant to the \$1 million in funding available for non-Hawaii Applicants will be made to Applicants that submitted applications under the FY 2009 Funding Round and were ranked and reviewed by the selection committee. Awards pursuant to the \$3.15 million in funding available to Hawaii Applicants will be made as set forth in Section V.C.3(a)–(c) below.

(a) *Application Review:*

To the extent possible, based primarily on the number of Applications received, Applications submitted by Hawaii Applicants will be reviewed in the manner specified below. Applications will be sorted into peer groupings based on factors such as the delivery strategy used to provide Financial Education and Counseling Services and the target market (geographic or otherwise) that is identified. To the extent possible, based primarily on the number of Applications received, Applications will be reviewed by multiple reviewers. Reviewers will be assigned a set number of Applications within each peer grouping. With respect to each Application reviewed, the reviewer will give equal weight to all elements of the Application proposal (*i.e.*, each plan will be reviewed holistically—no one element will be scored higher or lower than any other element). Once the reviewer has completed all of his/her review assignments, he/she will provide a ranking of each Application relative to the other Applications that were reviewed.

(b) *Application Selection:* Once all Applications have been reviewed, those Applications that were ranked the highest by the reviewers will be reviewed by a selection committee. Each member of the selection committee will review and rate each of these Applications, and based upon their ratings, will select a single organization to receive an award of up to \$3.15 million.

(c) *Evaluating Prior Award Performance:* In the case of an Applicant that has received awards from any Federal programs, the CDFI Fund reserves the right to contact officials from the appropriate federal agency or agencies to determine whether the Awardee is in compliance with current or prior award agreements, and to take

such information into consideration before making an award under the FEC Pilot Program.

4. *Award Notification:* Each Applicant will be informed of the CDFI Fund's award decision either through a notification from the CDFI Fund if selected for an award or written declination if not selected for an award. The CDFI Fund will notify Awardees by e-mail using the addresses maintained in the Awardee's myCDFIFund account.

5. *Information and Updates:* The CDFI Fund reserves the right to reject an Application if information (including administrative errors) comes to the attention of the CDFI Fund that either adversely affects an Applicant's eligibility for an award, or adversely affects the CDFI Fund's evaluation or scoring of an Application, or indicates fraud or mismanagement on the part of an Applicant. If the CDFI Fund determines that any portion of the Application is incorrect in any material respect, the CDFI Fund reserves the right, in its sole discretion, to reject the Application. The CDFI Fund reserves the right to change its eligibility and evaluation criteria and procedures, if the CDFI Fund deems it appropriate; if said changes materially affect the CDFI Fund's award decisions, the CDFI Fund will provide information regarding the changes through the CDFI Fund's Web site. There is no right to appeal the CDFI Fund's award decisions. The CDFI Fund's award decisions are final.

VI. *Award Administration Information*

A. *Assistance Agreement:* Each Applicant that is selected to receive an award under this NOFA must enter into an Assistance Agreement with the CDFI Fund in order to receive disbursement of award proceeds. The Assistance Agreement will set forth certain required terms and conditions of the award, which will include but not be limited to: (i) The amount of the award; (ii) the type of award; (iii) the approved uses of the award; (iv) the approved target market to which the funded activity must be directed; (v) performance goals and measures; and (vi) reporting requirements for all Awardees. Assistance Agreements under this NOFA generally will have three-year performance periods.

B. The CDFI Fund reserves the right, in its sole discretion, to terminate the Assistance Agreement and rescind an award if the Awardee fails to return the Assistance Agreement, signed by the authorized representative of the Awardee, and/or provide the CDFI Fund with any other requested documentation, within the deadlines set by the CDFI Fund. Each Awardee must

provide the CDFI Fund with a certificate of good standing (or equivalent documentation) from its State (or jurisdiction) of incorporation.

C. Reporting:

1. *Reporting requirements:* The CDFI Fund will collect information, on at least an annual basis, from each Awardee which may include, but shall not be limited to: (i) Use of FEC Pilot Program award dollars; (ii) aggregated characteristics of individuals that received Financial Education and Counseling Services funded by FEC Pilot Program award dollars; and (iii) the extent to which the Awardee satisfied its performance goals and measures, to include measures of the effectiveness of the Awardee's strategy and ability to create Positive Behavioral Change among Prospective Homebuyers. Each Awardee is responsible for the timely and complete submission of such reports, even if all or a portion of the documents actually is completed by another entity or signatory to the Assistance Agreement. If such other entities or signatories are required to provide reports or other documentation that the CDFI Fund may require, the Awardee is responsible for ensuring that the information is submitted timely and

complete. The CDFI Fund reserves the right to contact such additional entities or signatories to the Assistance Agreement and require that additional information and documentation be provided. The CDFI Fund will use such information to monitor each Awardee's compliance with the requirements set forth in the Assistance Agreement and to assess the impact of the FEC Pilot Program. The CDFI Fund reserves the right, in its sole discretion, to modify these reporting requirements if it determines it to be appropriate and necessary; however, such reporting requirements will be modified only after notice to Awardees.

2. *Accounting:* The CDFI Fund will require each Awardee that receives an award through this NOFA to account for and track the use of the grant award. This means that for every dollar of an award received from the CDFI Fund, the Awardee will be required to inform the CDFI Fund of its uses. This will require Awardees to separately account for the proceeds and use of the award, subject to the applicable OMB Circulars. The CDFI Fund will provide guidance to Awardees outlining the format and content of the information to be provided on an annual basis, outlining

and describing how the funds were used. Each Awardee that receives an award must provide the CDFI Fund with the required complete and accurate Automated Clearinghouse (ACH) form for its bank account prior to award closing and disbursement.
