SOCIAL SECURITY ADMINISTRATION

[Docket No: SSA-2020-0053]

Agency Information Collection Activities: Proposed Request and Comment Request

The Social Security Administration (SSA) publishes a list of information collection packages requiring clearance by the Office of Management and Budget (OMB) in compliance with Public Law 104-13, the Paperwork Reduction Act of 1995, effective October 1, 1995. This notice includes revisions and one extension of OMB-approved information collections.

SSA is soliciting comments on the accuracy of the agency's burden estimate; the need for the information; its practical utility; ways to enhance its quality, utility, and clarity; and ways to minimize burden on respondents, including the use of automated collection techniques or other forms of information technology. Mail, email, or

fax your comments and recommendations on the information collection(s) to the OMB Desk Officer and SSA Reports Clearance Officer at the following addresses or fax numbers.

(OMB), Office of Management and Budget, Attn: Desk Officer for SSA, Fax: 202-395-6974, Email address: OIRA_Submission@omb.eop.gov (SSA), Social Security Administration, OLCA, Attn: Reports Clearance Director, 3100 West High Rise, 6401 Security Blvd., Baltimore, MD 21235, Fax: 410-966-2830, Email address: OR.Reports.Clearance@ssa.gov

Or you may submit your comments online through www.regulations.gov, referencing Docket ID Number [SSA-2020-0053].

I. The information collections below are pending at SSA. SSA will submit them to OMB within 60 days from the date of this notice. To be sure we consider your comments, we must receive them no later than December 7, 2020. Individuals can obtain copies of the collection instruments by writing to the above email address.

1. *Disability Report-Appeal—20 CFR 404.1512, 416.912, 404.916(c), 416.1416(c), 422.140, 404.1713, 416.1513, 404.1740(b)(4), and 416.1540(b)(4)—0960-0144.* SSA requires disability applicants who wish to appeal an unfavorable determination to complete Form SSA-3441-BK; the

associated Electronic Disability Collect System (EDCS) interview; or the internet application, i3441. This allows claimants to disclose any changes to their disability, or resources, which might influence SSA's unfavorable determination. SSA may use the information to: (1) Reconsider and review an initial disability determination; (2) review a continuing disability; and (3) evaluate a request for a hearing. This information assists the State Disability Determination Services (DDS) and administrative law judges (ALJ) in preparing for the appeals and hearings, and in issuing a determination or decision on an individual's entitlement (initial or continuing) to disability benefits. In addition, the information we collect on the SSA-3441-BK, or related modalities, facilitates SSA's collection of medical information to support the applicant's request for reconsideration; request for benefits cessation appeal; and request for a hearing before an ALJ. Respondents are individuals who appeal denial, reduction, or cessation of Social Security disability benefits and Supplemental Security Income (SSI) payments; individuals who wish to request a hearing before an ALJ; or their representatives.

Type of Request: Revision of an OMB-approved information collection.

** We based this figure on the average FY 2020 wait times for field offices, based on our current management information data.

2. *Annual Earnings Test Direct Mail Follow-Up Program Notices—20 CFR 404.452-404.455—0960-0369.* SSA developed the Annual Earnings Test Direct Mail Follow-up Program to improve beneficiary reporting on work and earnings during the year and earnings information at the end of the year. SSA may reduce benefits payable under the Social Security Act (Act) when an individual has wages or self-

employment income exceeding the annual exempt amount. SSA identifies beneficiaries likely to receive more than the annual exempt amount, and requests more frequent estimates of earnings from them. When applicable, SSA also requests a future year estimate to reduce overpayments due to earnings. SSA sends letters (SSA-L9778, SSA-L9779, SSA-L9781, SSA-L9784, SSA-L9785, and SSA-L9790) to beneficiaries

requesting earnings information the month prior to their attainment of full retirement age. We send each beneficiary a tailored letter that includes relevant earnings data from SSA records. The Annual Earnings Test Direct Mail Follow-up Program helps to ensure Social Security payments are correct, and enables us to prevent earnings-related overpayments, and avoid erroneous withholding. The

respondents are working Social Security beneficiaries with earnings over the exempt amount.

Type of Request: Revision of an OMB-approved information collection.

3. Request for Social Security Earnings Information—20 CFR 401.100 and 404.810—0960-0525. The Act permits wage earners, or their authorized representatives, to request Social Security earnings information from SSA using Form SSA-7050-F4. SSA uses the information the respondent provides on Form SSA-

7050-F4 to verify the wage earner has: (1) Earnings; (2) the right to access the correct Social Security Record; and (3) the right to request the earnings statement. If we verify all three items, SSA produces an Itemized Statement of Earnings (Form SSA-1826) and sends it to the requestor. The agency charges respondents for sending them an

Itemized Statement of Earnings. Respondents are wage earners and their authorized representatives who are requesting Itemized Statement of Earnings records.

DDSs collect the

information necessary to administer the Social Security Disability Insurance and SSI programs. They collect medical evidence from consultative examination (CE) sources; credential information from CE source applicants; and medical evidence of record (MER) from claimants' medical sources. Under certain circumstances, SSA asks individuals applying for disability about work they have performed in the past.

Applicants use Form SSA–3369, Work History Report, to provide detailed information about jobs held prior to becoming unable to work. State Disability Determination Services (DDS) evaluate the information, together with

medical evidence, to determine eligibility for disability payments. Respondents are disability applicants and third parties assisting applicants.

6. Teacher Questionnaire and Request for Administrative Information—20 CFR 404.1513, 416.913, and 416.924a(a)—0960–0646. When determining the effects of a child's impairment(s), SSA obtains information about the child's

functioning from teachers; parents; and others who observe the child on a daily basis. SSA obtains results of formal testing, teacher reports, therapy progress notes, individualized education programs, and other records of a child's

educational aptitude and achievements using Forms SSA–5665–BK and SSA–5666. The respondents are parents, teachers, and other education personnel.

7. *Electronic Records Express—20 CFR 404.1512 and 416.912—0960-0753.* Electronic Records Express (ERE) is a Web-based SSA program which allows medical and educational providers to electronically submit disability claimant data to SSA. Both medical providers and other third parties with connections to disability applicants or recipients (e.g., teachers and school administrators for child disability applicants) use this system once they complete the

registration process. SSA employees and State agency employees request the medical and educational records collected through the ERE website. The agency uses the information collected through ERE to make a determination on an Application for Benefits. We also use the ERE website to order and receive consultative examinations when we are unable to collect enough medical records to determine disability findings. The respondents are medical providers

who evaluate or treat disability claimants or recipients, and other third parties with connections to disability applicants or recipients (e.g., Teachers and school administrators for child disability applicants), who voluntarily choose to use ERE for submitting information.

Type of Request: Revision of an OMB-approved information collection.

The

MMA also mandated the provision of subsidies for those individuals who qualify for the program and who meet eligibility criteria for help with premium, deductible, or co-payment costs. This law requires SSA to make eligibility determinations, and to provide a process for appealing SSA's determinations. Regulation sections 418.3625(c), 418.3645, 418.3665(a), and

418.3670 contain public reporting requirements pertaining to administrative review hearings. Respondents are applicants for the Medicare Part D subsidies who request an administrative review hearing.

9. *Request for Medical Treatment in an SSA Employee Health Facility: Patient Self-Administered or Staff Administered Care—0960-0772.* SSA operates onsite Employee Health Clinics (EHC) in eight different States. These clinics provide health care for all SSA employees including treatments of personal medical conditions when authorized through a physician. Form

SSA-5072 is the employee's personal physician's order form. The information we collect on Form SSA-5072 gives the nurses the guidance they need by law to perform certain medical procedures and to administer prescription medications such as allergy immunotherapy. In addition, the information allows the SSA medical officer to determine whether the treatment can be

administered safely and appropriately in the SSA EHCs. Respondents are physicians of SSA employees who need to have medical treatment in an SSA EHC.

II. SSA submitted the information collections below to OMB for clearance. Your comments regarding these information collections would be most useful if OMB and SSA receive them 30 days from the date of this publication. To be sure we consider your comments, we must receive them no later than November 9, 2020. Individuals can obtain copies of these OMB clearance packages by writing to OR.Reports.Clearance@ssa.gov.

1. *Online Request for Correction of Earnings Record—0960–NEW.* We are offering an alternative to the paper process of requesting a correction to an earnings record, and launching a new service that enables our users to make these same requests electronically via the online *my Social Security* portal. Information collected from the public will not exceed that which SSA requests through the paper Form SSA-7008, OMB No. 0960–0029, Request for Correction of Earnings Record. The

information we collect includes items which support an earnings correction action, such as employer names, addresses, wage amounts, and pertinent details about the nature of employment. The respondents are authorized, authenticated individuals accessing the earnings correction process from their personal account using the *my Social Security* portal.

Type of Request: Request for a new information collection.

2. *Statement of Death by Funeral Director—20 CFR 404.715 and 404.720—0960–0142.* When an SSA-insured worker dies, the funeral director or funeral home responsible for the worker's burial or cremation completes Form SSA-721 and sends it to SSA.

SSA uses this information for three purposes: (1) To establish proof of death for the insured worker; (2) to determine if the insured individual was receiving any pre-death benefits SSA needs to terminate; and (3) to ascertain which surviving family member is eligible for

the lump-sum death payment or for other death benefits. The respondents are funeral directors who handled death arrangements for the insured individuals.

3. *Medicaid Use Report—20 CFR 416.268—0960–0267.* Section 20 CFR 416.268 of the Code of Federal Regulations requires SSA to determine eligibility for: (1) Special SSI cash payments and, (2) special SSI eligibility status for a person who works despite a disabling condition. Section 20 CFR

416.268 also provides that, to qualify for special SSI eligibility status, an individual must establish that termination of eligibility for benefits under Title XIX of the Act would seriously inhibit the ability to continue employment. SSA employees collect the information this regulation requires

from respondents during a personal interview. We then use this information to determine if an individual is entitled to special Title XVI SSI payments and, consequently, to Medicaid. The respondents are SSI recipients for whom SSA has stopped payments based on earnings.

BILLING CODE 4191–02–P

SURFACE TRANSPORTATION BOARD

[Docket No. FD 36436]

Central Railroad Company of Indianapolis—Lease and Operation Exemption—Norfolk Southern Railway Company

Central Railroad Company of Indianapolis (CERA), a Class III railroad, has filed a verified notice of exemption pursuant to 49 CFR 1150.41 to continue to lease and operate approximately 15.7 miles of rail line between milepost RK–154.5, a point just east of the grade crossing at 38th Street in Gas City, Grant County, Ind., and milepost RK–138.8, at the end of the leased line at Harford City, Blackford County, Ind. (the Line). CERA states that it has entered into an amended lease (Amended Agreement) with Norfolk Southern Railway Company (NSR), the owner of the Line, amending the existing lease (Current Agreement) between those parties.¹

Both the Amended Agreement and the Current Agreement include operating rights into Goodman Yard and any sidings or sidetracks owned by NSR that are accessed via the Line.

CERA states that it is the present operator of the Line under the Current Agreement. CERA states that the Amended Agreement extends the term of the lease until December 31, 2024 (or until the Amended Agreement is otherwise terminated in accordance with its terms), and revises other commercial provisions.²

CERA certifies that the Amended Agreement does not include an interchange commitment.

CERA certifies that its projected revenues as a result of this transaction will not exceed those that would qualify it as a Class III carrier. CERA also certifies that its revenues currently exceed \$5 million. Pursuant to 49 CFR 1150.42(e), if a carrier's projected annual revenues will exceed \$5 million,

(STB served Oct. 21, 2009) (authorizing CERA to lease and operate 15.9 miles of line).

² Under the Amended Agreement, the Line will end at milepost RK–138.8, making it 0.2 mile shorter than the leased track under the Current Agreement, which ends at milepost RK–138.6. Although this notice reflects the modified mileage, CERA retains a common carrier obligation to operate between milepost RK–138.8 and milepost RK–138.6 until it receives authority to discontinue service over that section of track and consummates that authority. See *Thompson v. Tex. Mexican Ry.*, 328 U.S. 134 (1946).

it must, at least 60 days before the exemption becomes effective, post a notice of its intent to undertake the proposed transaction at the workplace of the employees on the affected lines, serve a copy of the notice on the national offices of the labor unions with employees on the affected lines, and certify to the Board that it has done so. However, CERA's verified notice includes a request for waiver of the 60-day advance labor notice requirements. CERA's waiver request will be addressed in a separate decision. The Board will establish the effective date of the exemption in its separate decision on the waiver request.

If the verified notice contains false or misleading information, the exemption is void ab initio. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke will not automatically stay the effectiveness of the exemption. Petitions for stay must be filed no later than October 15, 2020.

All pleadings, referring to Docket No. FD 36436, must be filed with the Surface Transportation Board either via e-filing or in writing addressed to 395 E Street SW, Washington, DC 20423–0001. In addition, a copy of each pleading must be served on CERA's representative, Eric M. Hocky, Clark Hill PLC, Two Commerce Square, 2001
