Safety Zone; Corpus Christi Shipping Channel, Corpus Christi, TX

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone for all navigable waters of the Corpus Christi Shipping Channel in a zone defined by the following coordinates; 27°50'31.28" N, 97°04'17.23" W; 27°50'31.73" N, 97°04'15.44" W; 27°50'29.06" N, 97°04'16.61" W; 27°50'29.32" N, 97°04'14.82" W. NPRM Notice of proposed rulemaking
§ Section
U.S.C. United States Code

II. Background Information and Regulatory History

The Coast Guard is issuing this temporary rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because it is impracticable. We must establish this safety zone immediately to protect personnel, vessels, and the marine environment from potential hazards created by pipeline removal operations and lack sufficient time to provide a reasonable comment period and then to consider those comments before issuing the rule.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date of this rule would be contrary to the public interest because immediate action is needed to respond to the potential safety hazards associated with pipeline removal operations in the Corpus Christi Shipping Channel.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70034. The Captain of the Port Sector Corpus Christi (COTP) has determined that potential hazards associated with pipeline removal operations occurring from 8 p.m. on January 3, 2023, through 4 a.m. on January 9, 2023, will be a safety concern for anyone within the Corpus Christi Shipping Channel in a zone defined by the following coordinates; 27°50'31.28" N, 97°04'17.23" W; 27°50'31.73" N, 97°04'15.44" W; 27°50'29.06" N, 97°04'16.61" W; 27°50'29.32" N, 97°04'14.82" W. The purpose of this rule is to ensure safety of vessels and persons on these navigable waters in the safety zone while pipelines are removed from the floor of the Corpus Christi Shipping Channel.

IV. Discussion of the Rule

This rule establishes a temporary safety zone from 8 p.m. on January 3,
