

to terminate the Full Review of the Suspension Agreement. The Requestors have further argued that there have been a number of significant changes since the Commission last examined the Fresh Tomatoes industry in 2019. The Requestors indicated that these changes include changes in customer preferences and demand that have resulted in a segmented market, significant investment by U.S. producers in Florida, and major U.S. grower investments in Mexico to supplement their U.S. production. The Requestors indicated that in the event that the ongoing Full Review is not terminated, they intend to withdraw their request for a Changed Circumstances Review.

*Written comments requested.*—Pursuant to section 207.45(b) of the Commission's Rules of Practice and Procedure, the Commission requests comments concerning whether the alleged changed circumstances are sufficient to warrant institution of a review to determine whether termination of the suspended investigation is likely to lead to continuation or recurrence of material injury.

*Written submissions.*—Comments must be filed with the Secretary to the Commission by July 18, 2025. All written submissions must conform with the provisions of § 201.8 of the Commission's rules; any submissions that contain business proprietary information must also conform with the requirements of §§ 201.6, 207.3, and 207.7 of the Commission's rules. The Commission has not included a process for access to business proprietary information pursuant to an administrative protective order during the pre-institution comment period in this proceeding (See 56 FR 11918, 11922 (March 21, 1991)). In the event that the Commission finds sufficient changed circumstances to warrant institution of a review investigation following the comment period, access to business proprietary information under an administrative protective order will be available at that time. The Commission's *Handbook on Filing Procedures*, available on the Commission's website at [https://www.usitc.gov/documents/handbook\\_on\\_filing\\_procedures.pdf](https://www.usitc.gov/documents/handbook_on_filing_procedures.pdf), elaborates upon the Commission's procedures with respect to filings.

Please note the Secretary's Office will accept only electronic filings at this time. Filings must be made through the Commission's Electronic Document Information System (EDIS, <https://edis.usitc.gov>). No in-person paper-based filings or paper copies of any

electronic filings will be accepted until further notice.

*Authority:* This notice is published pursuant to section 207.45 of the Commission's rules.

By order of the Commission.
