Grain Inspection, Packers and Stockyards Administration

Proposed Posting, Posting, and Deposting of Stockyards

AGENCY: Grain Inspection, Packers and Stockyards Administration, USDA.

ACTION: Notice and request for comments.

SUMMARY: This notice announces several actions related to posting of stockyards; when required we physically post a sign providing public notice that the stockyard is subject to provisions of the Packers and Stockyards Act. We propose to post 10 stockyards. We have received information that these stockyards meet the definition of a stockyard under the Packers and Stockyards Act and, therefore, need to be posted. Posted stockyards are subject to the provisions of the Packers and Stockyards Act. In addition, we have posted 12 stockyards that were previously announced as proposed postings. We determined that the stockyards meet the definition of a stockyard under the Packers and Stockyards Act and, therefore, have been posted. Three other facilities, for which notices of proposed posting were announced, were not posted because they no longer meet the definition of a stockyard. These facilities were either abandoned or underwent a change so they no longer function as a stockyard. We are also deposting two stockyards. These facilities can no longer be used as stockyards and, therefore, are no longer required to be posted.

DATES: For the proposed posting of stockyards, we will consider comments that we receive by February 7, 2007.

For the deposted stockyards, the deposting is effective on January 23, 2007.

SUPPLEMENTARY INFORMATION: The Grain Inspection, Packers and Stockyards Administration (GIPSA) administers and enforces the Packers and Stockyards Act of 1921, (7 U.S.C. 181-229) (P&S Act). The P&S Act prohibits unfair, deceptive, and fraudulent practices by livestock market agencies, dealers, stockyard owners, meat packers, swine contractors, and live poultry dealers in the livestock, poultry, and meatpacking industries.

Section 302 of the P&S Act (7 U.S.C. 202) defines the term "stockyard" as follows:

* * * any place, establishment, or facility commonly known as stockyards, conducted, operated, or managed for profit or nonprofit as a public market for livestock producers, feeders, market agencies, and buyers, consisting of pens, or other inclosures, and their appurtenances, in which live cattle, sheep, swine, horses, mules, or goats are received, held, or kept for sale or shipment in commerce.

Section 302 (b) of the P&S Act requires the Secretary to determine which stockyards meet this definition, and to notify the owner of the stockyard and the public of that determination by posting a notice in each designated stockyard. After giving notice to the stockyard owner and to the public, the stockyard will be subject to the provisions of Title III of the P&S Act (7 U.S.C. 201-203 and 205-217a) until the Secretary deposts the stockyard by public notice.
