

Clearance Officer, National Place, Suite 1220, 1331 Pennsylvania Avenue, NW, Washington, DC 20530.

Overview of this information collection:

(1) *Type of Information Collection:* New collection.

(2) *Title of the Form/Collection:* COPS Problem-Solving Management Survey.

(3) *Agency form number, if any, and the applicable component of the Department of Justice sponsoring the collection:* Form: COPS PPSE/01. Office of Community Oriented Policing Services, U.S. Department of Justice.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:* Captains, Chiefs, Detectives/Sergeants, and Crime Analysts from 75 large police agencies that have received COPS 1999 School Based Partnership Grants will be asked to respond (approximately 300). The Problem-Solving Management Survey will collect basic information about the capacity of police agencies to prioritize problems, their knowledge of agency resources, and their understanding of problem-solving information as it relates to problem-oriented policing.

The COPS office will use the information collected to identify the information necessary for police executives to effectively utilize resources as it relates to problem-solving and to examine existing problem-oriented policing tracking systems for the purpose of identifying best practices in problem-solving management. Data from the surveys will be used to produce a final Problem-Solving Knowledge Management Model. A brochure and video of the Problem-Solving Knowledge Model will assist agencies in problem prioritization, and the allocation of resources in support of problem-oriented policing.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* Surveys will be administered by telephone to approximately 300 position-specific law enforcement officials within 75 large police agencies who have been awarded COPS 1999 School Based Partnership Grants. The four specific positions that will be questioned in each agency are Captains, Chiefs, Detectives or Sergeants, and Crime Analysts. Administrative preparation and survey completion will take approximately 0.75 hours per respondent (there is no record burden for this collection).

(6) *An estimate of the total public burden (in hours) associated with the collection:* Approximately 225 hours.

#### Manufacturer of Controlled Substances; Notice of Registration;

By Notice dated August 17, 1999, and published in the **Federal Register** on August 27, 1999, (64 FR 46953), B.I. Chemicals, Inc., 2820 N. Normandy Drive, Petersburg, Virginia 23805, made application by renewal to the Drug Enforcement Administration (DEA) to be registered as a bulk manufacturer of the basis classes of controlled substances listed below:

| Drug                              | Schedule |
|-----------------------------------|----------|
| Amphetamine (1100) .....          | II       |
| Methadone (9250) .....            | II       |
| Levo-alphaacetylmetadol (9648) .. | II       |

The firms plans to bulk manufacture the listed controlled substances for formulation into finished pharmaceuticals.

DEA has considered the factors in Title 21, United States Code, Section 823(a) and determined that the registration of B.I. Chemicals, Inc. to manufacture the listed controlled substances is consistent with the public interest at this time. DEA has investigated the firm on a regular basis to ensure that the company's continued registration is consistent with the public interest. These investigations have included inspection and testing of the company's physical security systems, audits of the company's records, verification of the company's compliance with state and local laws, and a review of the company's background and history. Therefore, pursuant to 21 U.S.C. 823 and 28 CFR 0.100 and 0.104, the Deputy Assistant Administrator, Office of Diversion Control, hereby orders that the application submitted by the above firm for registration as a bulk manufacturer of the basic classes of controlled substances listed above is granted.

Dated: December 30, 1999.

#### Importer of Controlled Substances; Notice of Registration

By Notice dated October 8, 1999, and published in the **Federal Register** on October 18, 1999, (64 FR 56226), Glaxo Wellcome, Inc., Attn: Jeffrey A. Weiss, 1011 North Arendell Avenue, PO Box 1217, Zebulon, North Carolina 27597-2309, made application to the Drug Enforcement Administration to be registered as an importer of Remifentanyl (9739), a basic class of controlled substance listed in Schedule II.

The remifentanyl is being imported for the production of Ultiva dosage forms and for research and new product development.

No comments or objections have been received. DEA has considered the factors in Title 21, United States Code, Section 823(a) and 952(a), and determined that the registration of Glaxo Wellcome, Inc. to import remifentanyl is consistent with the public interest and with United States obligations under international treaties, conventions, or protocols in effect on May 1, 1971, at this time. DEA has investigated the firm on a regular basis to ensure that the company's continued registration is consistent with the public interest. These investigations have included inspection and testing of the company's physical security systems, audits of the company's records, verification of the company's compliance with state and local laws, and a review of the company's background and history. Therefore, pursuant to section 1008(a) of the Controlled Substances Import and Export Act and in accordance with Title 21, Code of Federal Regulations, § 1301.34, the above firm is granted registration as an importer of the basic class of controlled substance listed above.

Dated: January 4, 2000.
