

Order, the market maker may not knowingly effect a short sale as part of bona fide market making and hedging activity related directly to bona fide market making in a derivative security based on a Covered Security, if the customer's or counterparty's transaction will result in the customer or counterparty establishing or increasing an economic net short position (i.e., through actual positions, derivatives, or otherwise) in the issued share capital of a firm covered by the Order.

E. Sales of Restricted Securities

We are also amending the Order to clarify that the Order does not apply to persons that effect sales of Covered Securities pursuant to Rule 144 of the Securities Act of 1933 ("Rule 144 Securities").³ This accommodation is necessary because sales of Rule 144 Securities are sales of owned securities.

It is therefore ordered that, pursuant to our Section 12(k)(2) powers, the Order does not apply to any person that effects a sale pursuant to Rule 144 of the Securities Act of 1933 (17 CFR 230.144) in a Covered Security.

We believe that these amendments are necessary in the public interest and for the protection of investors to maintain fair and orderly securities markets, and to prevent substantial disruption to securities markets.

By the Commission.

Acting Secretary.

BILLING CODE 8010-01-P

SECURITIES AND EXCHANGE COMMISSION

[Release No. 58591A]

Securities Exchange Act of 1934; Amendment to Emergency Order Pursuant to Section 12(k)(2) of the Securities Exchange Act of 1934 Taking Temporary Action To Respond to Market Developments

September 21, 2008.

Pursuant to Section 12(k)(2) of the Securities Exchange Act of 1934 ("Exchange Act"),¹ on September 18, 2008, the Securities and Exchange Commission ("Commission") issued an Emergency Order ("Order") requiring institutional investment managers to report short sales of certain publicly traded securities.² The Order takes effect on September 22, 2008 and

requires the filing of a Form SH on September 29, 2008. This amendment relates to the public availability of the information provided by the institutional investment managers when they report such sales and also includes technical amendments.

The Commission is aware of the continued potential of sudden and excessive fluctuations of securities prices and disruption in the functioning of the securities markets that could threaten fair and orderly markets. As evidenced by our recent publication of emergency orders under Section 12(k) of the Exchange Act,³ we are concerned about the possible unnecessary or artificial price movements based on unfounded rumors regarding the stability of financial institutions and other issuers exacerbated by short selling. We also believe that some persons may take advantage of issuers that have become temporarily weakened by current market conditions to engage in inappropriate short selling in the securities of such issuers.

Given the importance of confidence in our financial markets as a whole, we have become concerned about sudden and unexplained declines in the prices of securities. Such price declines can give rise to questions about the underlying financial condition of an issuer, which in turn can create a crisis of confidence without a fundamental underlying basis. This crisis of confidence can impair the liquidity and ultimate viability of an issuer, with potentially broad market consequences.

As a result of these recent developments, the Commission concluded that there continues to exist the potential of sudden and excessive fluctuations of securities prices generally and disruption in the functioning of the securities markets that could threaten fair and orderly markets. Based on this conclusion, the Commission is exercising its powers under Section 12(k)(2) of the Exchange Act.⁴ Pursuant to Section 12(k)(2), in appropriate circumstances the Commission may by order summarily take action to alter, supplement, suspend, or impose requirements or restrictions with respect to matters or actions subject to regulation by the Commission.

We have concluded that it is necessary to require certain institutional

investment managers to report information concerning daily short sales of securities. For purposes of this Order, we believe that section 13(f) of the Exchange Act and Rule 13f-1 provide useful and tested terms and definitions that provide a basis for requiring new disclosure. The Order therefore requires that an institutional investment manager that exercises investment discretion⁵ with respect to accounts holding section 13(f) securities⁶ having an aggregate fair market value on the last trading day of any month of any calendar year of at least \$100,000,000 must file a new form with the Commission. Specifically, an institutional investment manager who has filed or was required to file a Form 13F for the calendar quarter ended June 30, 2008 under section 13(f) of the Exchange Act and Rule 13f-1(a) thereunder will be required to file a report on new Form SH with the Commission on the first business day⁷ of every calendar week immediately following a week in which it effected short sales.

The Form SH, which must be filed electronically using the Commission's EDGAR system,⁸ must include disclosure of the number and value of securities sold short for each section 13(f) security, except for short sales in options, and the opening short position, closing short position, largest intraday short position, and the time of the largest intraday short position, for that security during each calendar day of the prior week.⁹ This disclosure requirement will apply only to short sales effected after the effective date of

⁵ The term "investment discretion" has the same meaning as in Exchange Act Rule 13f-1(b). See 17 CFR 240.13f-1(b).

⁶ The term "section 13(f) securities" has the same meaning as in Exchange Act Rule 13f-1(c). See 17 CFR 240.13f-1(c).

⁷ See Exchange Act Rule 0-2 for a description of the business hours of the Commission. 17 CFR 240.0-2.

⁸ Although we are requiring managers to electronically file Forms SH using our EDGAR system, the Forms SH will be filed on a non-public basis. The Commission is permitting the non-public filing of Form SH in order to maintain fair and orderly securities markets and prevent substantial disruption in the securities markets. The Commission believes that the non-public submission of Form SH may help prevent artificial volatility in securities as well as further downward swings that are caused by short selling, while at the same time, providing the Commission with useful information to combat market manipulation that threatens investors and capital markets. Two weeks after the due date for the Forms SH, the Commission will make the Forms available to the public. We believe that by two weeks after the due date the reasons to maintain the information as non-public will have diminished.

⁹ No Commission procedure for seeking confidential treatment of information filed with or transmitted to the Commission, such as those in 17 CFR 200.80, 200.83, or 240.24b-2, shall apply to the information that this Order requires to be filed.

³ See Exchange Act Release No. 58166 (July 15, 2008), Exchange Act Release No. 58572 (September 17, 2008).

⁴ This finding of an "emergency" is solely for purposes of Section 12(k)(2) of the Exchange Act and is not intended to have any other effect or meaning or to confer any right or impose any obligation other than set forth in this Order.

the Order. In addition, no filing will be required when no short sales of a section 13(f) security have been effected since the previous filing of a Form SH. Finally, an institutional investment manager need not report short positions otherwise reportable if: (i) The short position in the section 13(f) security constitutes less than one-quarter of one percent of that class of the issuer's section 13(f) securities issued and outstanding as reported on the issuer's most recent annual or quarterly report, and any current report subsequent thereto, filed with the Commission pursuant to the Exchange Act, unless the manager knows or has reason to believe the information contained therein is inaccurate; and (ii) the fair market value of the short position in the section 13(f) security is less than \$1,000,000.

We believe that the extraordinary circumstances we now confront require the new disclosure requirements we are imposing today. We also believe such disclosure requirements are necessary to protect the integrity and quality of the securities markets and strengthen investor confidence.

It is ordered that, pursuant to our Section 12(k)(2) powers:

Every institutional investment manager that exercises investment discretion with respect to accounts holding section 13(f) securities and that has filed or was required to file a Form 13F for the calendar quarter ended June 30, 2008, as required under section 13(f) of the Exchange Act and Rule 13f-1(a) thereunder, must file a report on Form SH with the Commission. The Form SH filing must be made on the first business day of each week immediately following a week in which the institutional investment manager has effected any short sale with respect to any section 13(f) security that is not an option. With respect to each section 13(f) security that is not an option, the Form SH filing must reflect the number and value of securities sold short during the day as well as the opening short position, closing short position, largest intraday short position, and the time of the largest intraday short position, for that security on each calendar day of the prior week in which the institutional investment manager engaged in trading activity with respect to short sales.

The disclosure requirement will apply only to short sales effected after the effective date of the Order. In addition, no filing will be required when no short sales of a section 13(f) security have been effected since the previous filing of a Form SH.

Finally, an institutional investment manager need not report short positions otherwise reportable if: (i) The short position in the section 13(f) security constitutes less than one-quarter of one per cent of that class of the issuer's section 13(f) securities issued and outstanding as reported on the issuer's most recent annual or quarterly report, and any current report subsequent thereto, filed

with the Commission pursuant to the Exchange Act, unless the manager knows or has reason to believe the information contained therein is inaccurate; and (ii) the fair market value of the short position in the section 13(f) security is less than \$1,000,000.

Short sale has the meaning set forth in Rule 200(a) of Regulation SHO (17 CFR 242.200(a)), and terms referenced in that provision shall have the same meaning as set forth in Regulation SHO; and *short positions* to be reported are those resulting from "short sales" as that term is defined in Rule 200(a) of Regulation SHO.

It is further ordered that, pursuant to our Section 12(k)(2) powers, the text of Form SH be as set forth in the attachment to this Order.

This Order shall be effective at 12:01 a.m. EDT on September 22, 2008, the first Form SH shall be required to be filed on September 29, 2008, and this Order shall terminate at 11:59 p.m. on October 2, 2008 unless further extended by the Commission.

By the Commission.

Florence E. Harmon,
Acting Secretary.

FORM SH

INFORMATION REQUIRED OF
INSTITUTIONAL INVESTMENT
MANAGERS PURSUANT TO EMERGENCY
ORDER, SECURITIES EXCHANGE ACT OF
1934 RELEASE NO. 58591, SEPTEMBER 18,
2008

GENERAL INSTRUCTIONS

1. *Rule as to Use of Form SH.* Institutional investment managers ("Managers") must use Form SH for reports to the Commission required by the Commission's Emergency Order, Securities Exchange Act of 1934 Release No. 58591, September 18, 2008 and the Amendment to that Order, Securities Exchange Act of 1934 Release No. 58591A, September 21, 2008 (the "Orders"). The Orders provide that every Manager that exercises investment discretion with respect to accounts holding section 13(f) securities, as defined in rule 13f-1(c) under the Securities Exchange Act of 1934 [15 U.S.C. 78m(f)] ("Exchange Act"), who has filed or was required to file a Form 13F for the calendar quarter ended June 30, 2008, must file a non-public report on Form SH with the Commission to report certain information about short sales and short positions. The non-public Form SH filing must be made on the Monday (or, if Monday is a federal holiday, the first business day thereafter) of each calendar week immediately following a Form SH reporting period (i.e., the preceding Monday-Sunday, or seven calendar days) in which the Manager has entered into any new short positions with respect to any section 13(f) securities except for any short position(s) for options ("SH Short Positions"). The non-public Form SH will report SH Short Positions for the Monday-

Sunday immediately preceding the Monday on which the Form SH is due to be filed.

2. *Rules To Prevent Duplicative Reporting.* If two or more Managers, each of which is required by the Orders to file a report on Form SH for the reporting period, exercise investment discretion with respect to the same securities, only one such Manager must include information in its reports on Form SH.

A Manager having information that is required by the Orders to be reported on Form SH, and such information is reported by another Manager (or Managers), such Manager must identify the Manager(s) reporting on its behalf in the manner described in Special Instruction 6.

3. *Filing of Form SH.* A Form SH report that is filed by a Manager with the Commission shall be non-public upon filing. A Manager must label its Form SH as non-public by adding the phrase NON-PUBLIC (in bold and capital letters) at the top and bottom of each page of the entire form, i.e., each page(s) of the Form SH Cover Page (the "Cover Page"), the Form SH Summary Page (the "Summary Page"), and the Form SH Information Table (the "Information Table").

A Manager must file a Form SH report with the Commission on or before 5:30 p.m. Eastern Standard Time or Eastern Daylight Savings Time, whichever currently is in effect in Washington, DC ("Eastern Time") on the Monday (or, if Monday is a federal holiday, the first business day thereafter) of each week immediately following the preceding seven calendar day period in which the Manager has entered into any new SH Short Position(s). The Form SH must be filed electronically using the Commission's EDGAR system.

4. *Official List of Section 13(f) Securities.* The official list of section 13(f) securities published by the Commission (the "13F List") lists the securities the holdings of which a Manager is to report on Form 13F. See rule 13f-1(c) [17 CFR 240.13f-1(c)]. Form SH filers may rely on the current 13F List in determining whether they need to report on Form SH information about any particular equity security, excluding short positions on options. The 13F List is available on the SEC's Web site, at <http://www.sec.gov/divisions/investment/13flists.htm>. Paper copies are available at a reasonable fee from the Securities and Exchange Commission, Public Reference Room, 100 F Street, NE, Washington, DC 20549.

SPECIAL INSTRUCTIONS

1. This form consists of three parts: the Cover Page, the Summary Page, and the Information Table.

2. When preparing the report, omit all bracketed text. Include brackets used to form check boxes.

The Cover Page:

3. The period end date used in the report (and in the EDGAR submission header) is the Sunday before the Form SH is filed. The date should name the month, and express the day and year in Arabic numerals, with the year being a four-digit numeral (i.e., 2008).

4. Amendments to a Form SH must either restate the Form SH in its entirety or include only entries that are being reported in

addition to those already reported in a current public Form SH for the same period. If the Manager is filing the Form SH report as an amendment, then the Manager must check the amendment box on the Cover Page; enter the amendment number; and check the appropriate box to indicate whether the amendment (a) is a restatement or (b) adds new entries. Each amendment must include a complete Cover Page and, if applicable, a Summary Page and Information Table. Amendments must be filed sequentially.

5. Present the Cover Page and the Summary Page information in the format and order provided in the form. The Cover Page may include information in addition to the required information, so long as the additional information does not, either by its nature, quantity, or manner of presentation, impede the understanding or presentation of the required information. Place all additional information after the signature of the person signing the report (immediately preceding the Report Type section). Do not include any additional information on the Summary Page or in the Information Table.

6. Designate the Report Type for the Form SH by checking the appropriate box in the Report Type section of the Cover Page, and include, where applicable, the List of Other Managers Reporting for this Manager (on the Cover Page), the Summary Page and the Information Table, as follows:

a. If all of the information that a Manager is required by the Orders to report on Form SH is reported by another Manager (or Managers), check the box for Report Type "FORM SH NOTICE," include (on the Cover Page) the List of Other Managers Reporting for this Manager, and omit both the Summary Page and the Information Table.

b. If all of the information that a Manager is required by the Orders to report on Form SH is reported in this report, check the box for Report Type "FORM SH ENTRIES REPORT," omit from the Cover Page the List of Other Managers Reporting for this Manager, and include both the Summary Page and the Information Table.

c. If only a part of the information that a Manager is required by the Orders to report on Form SH is reported in this report, check the box for Report Type "FORM SH COMBINATION REPORT," include (on the Cover Page) the List of Other Managers Reporting for this Manager, and include both the Summary Page and the Information Table.

Summary Page:

7. Include on the Summary Page the Report Summary, containing the Number of Other Included Managers, the Information Table Entry Total and the Information Table Value Total.

a. Enter as the Number of Other Included Managers the total number of other Managers listed in the List of Other Included Managers on the Summary Page, not counting the Manager filing this report. See Special Instruction 8. If none, enter the number zero ("0").

b. Enter as the Information Table Entry Total the total number of line entries providing issuer information included in the Information Table.

c. Enter as the Information Table Value Total the aggregate fair market value in U.S.

dollars of all securities sold short during the reporting period that are reported in this report, i.e., the total for Column 5 (Value of Securities Sold Short (Day)) of all line entries in the Information Table. The Manager must express this total as a rounded figure, corresponding to the individual Column 4 entries in the Information Table. See Special Instruction 9.

8. Include on the Summary Page the List of Other Included Managers. Use the title, column headings and format provided.

a. If this Form SH does not report the information that a Manager is required by the Orders to report on Form SH of any Manager other than the Manager filing this report, enter the word "NONE" under the title and omit the column headings and list entries.

b. If this Form SH reports the information that a Manager is required by the Orders to report on Form SH of one or more Managers other than the Manager filing this report, enter in the List of Other Included Managers all such Managers together with their respective Form 13F file numbers, if known. (The Form 13F file numbers are assigned to Managers when they file their first Form 13F.) Assign a number to each Manager in the List of Other Included Managers, and present the list in sequential order. The numbers need not be consecutive. The List of Other Managers cannot include the Manager filing this report.

Information Table:

9. In determining the fair market value of securities sold short, a Manager must use the market price of the section 13(f) securities as of the close of floor trading on the New York Stock Exchange ("NYSE") for the day in question. If the securities are sold short on a non-business day, a Manager must use the market price of the section 13(f) securities as of the close of the NYSE for the most recent business day. Such market closing time shall be used to determine the price for all SH Short Positions, irrespective of which U.S. equity market the issuer trades on. Enter values rounded to the nearest one thousand dollars (with "000" omitted).

10. Furnish the Information Table using the table title, column headings and format provided. Provide column headings once at the beginning of the Information Table; repetition of column headings on subsequent pages is not required. Present the table in accordance with the column instructions provided in Special Instructions 10.a.i through 10.a.viii. Do not include any additional information in the Information Table. Begin the Information Table on a new page; do not include any portion of the Information Table on either the Cover Page or the Summary Page.

a. Instructions for each column in the Information Table:

i. *Column 1. Name of Issuer.* Enter in Column 1 the name of the issuer as it appears in the current official list of section 13(f) Securities published by the Commission in accordance with rule 13f-1(c) (the "13F List"). Reasonable abbreviations are permitted.
