BILLING CODE 3410-16-U

DEPARTMENT OF AGRICULTURE**Rural Housing Service****Request for Proposals (RFP): Farm Labor Housing Technical Assistance Grants**

AGENCY: Rural Housing Service, USDA.

ACTION: Notice.

SUMMARY: This RFP announces an availability of funds and the timeframe to submit proposals for Farm Labor Housing Technical Assistance (FLH-TA) grants.

Section 516 of the Housing Act of 1949 authorizes the Rural Housing Service (RHS) to provide financial assistance (grants) to eligible private and public nonprofit agencies to encourage the development of domestic and migrant farm labor housing projects. This RFP requests proposals from qualified private and public nonprofit agencies to provide technical assistance to groups who qualify for FLH loans and grants.

Work performed under these grants is expected to result in an increased submission of applications for farm labor housing loans and grants under the section 514 and 516 programs and in an increase of the availability of decent, safe, and sanitary housing for farm laborers.

DATES: The deadline for receipt of all applications in response to this RFP is 5:00 p.m., Eastern Daylight Time, on August 21, 2000. The application closing deadline is firm as to date and hour. RHS will not consider any application that is received after the closing deadline. Applicants intending to mail applications must provide sufficient time to permit delivery on or before the closing deadline. Acceptance by a post office or private mailer does not constitute delivery. Facsimile (FAX), COD, and postage due applications will not be accepted.

ADDRESSES: Applications should be submitted to the USDA—Rural Housing Service; Attention: Douglas MacDowell; Multi-Family Housing Processing Division—STOP 0781, Washington, DC 20250-0781. RHS will date and time stamp incoming applications to evidence timely receipt and, upon request, will provide the applicant with a written acknowledgement of receipt.

FOR FURTHER INFORMATION CONTACT: Sue M. Harris-Green, Deputy Director, Multi-Family Housing Processing Division—Direct Loans, RHS, USDA, Room 1241, South Building, 1400 Independence Ave. SW., Washington, DC 20250-0781, telephone (202) 720-1604. (This is not a toll free number.)

SUPPLEMENTARY INFORMATION: The technical assistance grants authorized under section 516 are for the purpose of encouraging the development of domestic and migrant farm labor housing projects under sections 514 and 516 of the Act. Proposals must demonstrate the capacity to provide the intended technical assistance.

The RHS intends to award one grant for each of three geographic regions. When establishing the three regions, consideration was given to such factors as farmworker migration patterns and the similarity of agricultural products and labor needs within certain areas of the United States. A single applicant may submit grant proposals for more than one region; however, separate proposals must be submitted for each region.

Eastern Region: AL, CT, DE, FL, GA, IN, KY, MA, MD, ME, NH, NJ, NY, NC, OH, PA, PR, RI, SC, TN, VI, VT, VA, WV.

Central Region: AR, IL, IA, KS, LA, MI, MN, MS, MO, NE, ND, OK, SD, TX, WI.

Western Region: AK, AZ, CA, CO, HI, ID, MT, NV, NM, OR, UT, WA, WY, and the Pacific Territories.

Funding

The RHS has the authority to utilize up to ten (10) percent of its section 516 appropriation for FLH-TA grants. The total FY 2000 appropriation for section 516 is \$13,500,000. Therefore, the total amount of the FY 2000 appropriation that is available for FLH-TA grants is \$1,350,000. Of that amount, up to \$506,250 will be available for each of the Eastern and Western Grant Regions and up to \$337,500 of the remaining funds will be available for the Central Grant Region. Work performed under these grants must be completed within three years of entering into the grant agreement provided as Appendix A to this Notice. The disbursement of grant funds during the grant period will be contingent upon the grantee making progress in meeting the minimum performance requirements as described in the Scope of Work section of this notice, including, but not limited to, the submission of loan application packages.

Eligibility

Eligibility for grants under this notice is limited to private and public nonprofit agencies. Grantees must have the knowledge, ability, technical expertise, or practical experience necessary to develop and package loan and grant applications for FLH under the section 514 and 516 programs (see the Application Requirements section of

this notice). In addition, grantees must possess the ability to exercise leadership, organize work, and prioritize assignments to meet work demands in a timely and cost efficient manner. The grantee may arrange for other nonprofit agencies to provide services on its behalf; however, the RHS will expect the grantee to provide the overall management necessary to ensure the objectives of the grant are met. Nonprofit agencies acting on behalf of the grantee must also meet the eligibility requirements stated above.

Scope of Work

Minimum Performance Requirements

(1) Grantees shall conduct outreach to broad-based nonprofit organizations, nonprofit organizations of farmworkers, federally recognized Indian tribes, agencies or political subdivisions of State or local government, public agencies (such as housing authorities) and other eligible organizations to further the section 514 and 516 FLH programs. Grantees will make at least twelve informational presentations to the general public annually to inform them about the section 514 and 516 FLH programs.

(2) Grantees shall conduct at least twelve one-on-one meetings annually with groups who are interested in applying for FLH loans or grants and assist such groups with the loan and grant application process.

(3) Grantees shall assist loan and grant applicants secure funding from other sources for the purpose of leveraging those funds with RHS funds.

(4) Grantees shall provide technical assistance during the development and construction phase of FLH proposals selected for funding.

(5) When submitting a grant proposal, applicants need not identify the geographic location of the places they intend to target for their outreach activities, however, applicants must commit to targeting at least five areas within the grant proposal's region. All targeted areas must be distinct market areas and not be overlapping. At least four of the targeted areas must be in different States. If the proposal is selected for funding, the applicant will be required to consult with each Rural Development State Director in the proposal's region for the purpose of developing their list of targeted areas. When determining which areas to target, consideration will be given to (a) the total number of farmworkers in the area, (b) the number of farmworkers in that area who lack adequate housing, (c) the percentage of the total number of farmworkers that are without adequate

housing, and (d) areas which have not recently had a section 514 or 516 loan or grant funded for new construction. In addition, if selected for funding, the applicant will be required to revise their Statement of Work to identify the geographic location of the targeted areas and will submit their revised Statement of Work to the National Office for approval. When submitted for approval, the applicant must also submit a summary of their consultation with the Rural Development State Directors. At grant closing, the revised Statement of Work will be attached to, and become a part of, the grant agreement.

(6) During the grant period, each grantee must submit a minimum number of loan application packages to the Agency for funding consideration. The minimum number shall be the greater of (a) at least nine loan application packages for the Eastern and Western Regions and at least seven for the Central Region or, (b) a total number of loan application packages that is equal to 70 percent of the number of areas the grantee's proposal committed to targeting. Fractional percentages shall be rounded up to the next whole number. For example, if the grantee's proposal committed to targeting 13 areas, then the grantee must submit at least ten loan application packages during the grant period ($13 \text{ areas} \times 70 \text{ percent} = 9.1$ rounded up to 10). The disbursement of grant funds during the grant period will be contingent upon the grantee making progress in meeting this minimum performance requirement. More than one application package for the same market area will not be considered unless the grantee submits documentation of the need for more than one FLH facility.

(7) Provide training to applicants of FLH loans and grants to assist them in their ability to manage FLH.

Application Requirements

The application process will be in two phases; the initial application (or proposal) and the submission of a formal application. Only those proposals that are selected for funding will be invited to submit formal applications. All proposals must include the following:

1. A summary page listing the following items. This information should be double-spaced between items and not be in narrative form.

- a. Applicant's name,
- b. Applicant's Taxpayer Identification Number,
- c. Applicant's address,
- d. Applicant's telephone number,
- e. Name of applicant's contact person, telephone number, and address,

f. Amount of grant requested, and
g. The FLH-TA grant region for which the proposal is submitted (*i.e.*, Eastern, Central, or Western Region).

2. A narrative describing the applicant's ability to meet the eligibility requirements stated in this notice. If the applicant intends to have other agencies working on their behalf, the narrative must identify those agencies and address their ability to meet the stated eligibility requirements.

3. A detailed Statement of Work covering a three year period that contains measurable monthly and annual accomplishments. The applicant's Statement of Work is a critical component of the selection process. The Statement of Work must include an outreach component describing the grantee's activities to inform potentially eligible groups about the section 514 and 516 FLH program. The outreach component must include a schedule of their planned outreach activities and must be included in a manner so that performance can be measured. In addition, the outreach activities must be coordinated with the appropriate RHS State office and meet the minimum performance requirements as stated in the Scope of Work section of this notice. The Statement of Work must state *how many* areas the applicant will target for their outreach activities (**Note:** If selected for funding, the applicant will be required to revise their Statement of Work, after consultation with RD State Directors, to *identify the areas* that will be targeted). The Statement of Work must also include a component for training organizations on the application process and the long-term management of FLH. The Statement of Work will also describe the applicant's plans to access other funding for the development and construction of FLH and their experience in obtaining such funding. The Statement of Work must describe any duties or activities that will be performed by other agencies on behalf of the grantee.

4. An organizational plan that includes a staffing chart complete with name, job title, salary, hours, timelines, and descriptions of employee duties to achieve the objectives of the grant program.

5. Organizational documents and financial statements to evidence the applicant's status as a properly organized private or public nonprofit agency and the financial ability to carry out the objectives of the grant program. If other agencies will be working on behalf of the grantee, working agreements between the grantee and those agencies must be submitted as

part of the proposal and any associated cost must be included in the applicant's budget. Organizational and financial statements must also be submitted as part of the application for any agencies that will be working on behalf of the grantee to document the eligibility of those organizations.

6. A detailed budget plan projecting the monthly and annual expenses the grantee will incur. Costs will be limited to those that are allowed under 7 CFR parts 3015, 3016 and 3019.

7. To assure that funds are equitably distributed and that there is no duplication of efforts on related projects, all applicants are to submit a list of projects they are currently involved with, whether publicly or privately supported, that are, or may be, related to the objectives of this grant. In addition, the same disclosure must be provided for any agencies that will be working on behalf of the grantee.

8. The applicant must include a narrative describing its knowledge, demonstrated ability, or practical experience in providing training and technical assistance to applicants of loans or grants for the development of multi-family or farmworker housing. The applicant must identify the type of assistance that was applied for (loan or grant, tax credits, leveraged funding, etc.), the number times they have provided such assistance, and the success ratio of their applications. In addition, information must be provided concerning the number of housing units, their size, their design, and the amount of grant and loan funds that were secured.

9. A narrative describing the applicant's knowledge and demonstrated ability in estimating development and construction costs of multi-family or farm labor housing and for obtaining the necessary permits and clearances.

10. A narrative describing the applicant's ability and experience in overcoming community opposition to farm labor housing and describing the methods and techniques that they will use to overcome any such opposition, should it occur.

11. A separate one-page information sheet listing each of the "Application Scoring Criteria" contained in this notice, followed by the page numbers of all relevant material and documentation that is contained in the proposal that supports these criteria.

Application Scoring Criteria

The initial application (or proposal) evaluation process designed for this RFP will consist of two phases. The first phase will evaluate the applicant's

Statement of Work and the degree to which it sets forth measurable objectives that are consistent with the objectives of FLH-TA grant program. The second phase will evaluate the applicant's knowledge and ability to provide the management necessary for carrying out a FLH-TA grant program. Proposals will only compete against other proposals within the same region. Selection points will be awarded as follows:

Phase I—Statement of Work

The Statement of Work will be evaluated to determine the degree to which it outlines efficient and measurable monthly and annual outcomes as follows:

a. The minimum performance requirements of this notice require that the grantee commit to targeting at least five areas (at least four of which are in different States). The more areas the applicant commits to targeting, the more scoring points they will be awarded; however, the more areas that they commit to targeting, the more loan application packages they will be expected to submit. The minimum performance requirements of this grant are based, in part, on the number of areas the applicant has committed to targeting. The number of areas within the region that the applicant has committed to targeting for outreach activities:

- (1) 5–7 targeted areas: 0 points
- (2) 8 targeted areas: 5 points
- (3) 9–10 targeted areas: 10 points
- (4) 11–12 targeted areas: 15 points
- (5) 13 or more areas: 20 points

b. RHS wants the grantee to cover as much of the grant region as possible. RHS does not want the grantee's efforts to be concentrated in a limited number of States. For this reason, additional points will be awarded to grant proposals that target areas in more than four States (the minimum requirement is four). The grant proposal commits to targeting areas in the following number of States:

- (1) 4 States: 0 points
- (2) 5 States: 5 points
- (3) 6 States: 10 points
- (4) 7 States: 15 points
- (5) More than 7 States: 20 points

(Reminder: Applications only compete within their grant region)

Phase II—Project Management

a. The number of successful multi-family or FLH loan or grant applications the applicant entity has assisted in developing and packaging:

- (1) 0–5 applications: 0 points
- (2) 6–10 applications: 10 points
- (3) 11–15 applications: 20 points

(4) 16 or more applications: 30 points

b. The number of groups seeking loans or grants for the development of multi-family or FLH projects that the applicant entity has provided training and technical assistance.

- (1) 0–5 groups: 0 points
- (2) 6–10 groups: 5 points
- (3) 11–15 groups: 10 points
- (4) 16 or more groups: 15 points

c. The number of multi-family or FLH projects for which the applicant entity has assisted in estimating development and construction costs and obtaining the necessary permits and clearances:

- (1) 0–5 projects: 0 points
- (2) 6–10 projects: 5 points
- (3) 11–15 projects: 10 points
- (4) 16 or more projects: 15 points

d. The number of times the applicant entity has encountered community opposition *and* was able to overcome that opposition so that farm labor housing was successfully developed.

- (1) 0–2 times: 0 points
- (2) 2–5 times: 5 points
- (3) 6–10 times: 10 points
- (4) 11 or more times: 15 points

e. The number of times the applicant entity has been able to leverage funding from two or more sources for the development of a multi-family or FLH project.

- (1) 0–5 times: 0 points
- (2) 6–10 times: 5 points
- (3) 11–15 times: 10 points
- (4) 16 or more times: 15 points

f. The number of FLH projects that the applicant entity has assisted with on-going management (*i.e.*, rent-up, maintenance, etc.):

- (1) 0–5 FLH projects: 0 points
- (2) 6–10 FLH projects: 5 points
- (3) 11–15 FLH projects: 10 points
- (4) 16 or more FLH projects: 15 points

g. The level of success that the applicant entity has had in providing assistance to farmworkers (*i.e.*, health, education, housing, etc.).

Evidence that the applicant has had *extensive* success in providing assistance to farmworkers: 20 points.

Evidence that the applicant has had *moderate* success in providing assistance to farmworkers: 10 points.

Evidence that the applicant has had *limited* success in providing assistance to farmworkers: 5 points.

Tie Breakers—In the event two or more proposals are scored with an equal amount of points, selections will be made in the following order:

1. If an applicant has already had a proposal selected, their proposal will not be selected.

2. If there are equally scoring proposals, the lowest cost proposal will be selected.

3. Any remaining proposals that are scored equally will be selected by lottery drawing.

Appendix A—Farm Labor Housing Technical Assistance Grant Agreement

[Form Approved OMB No. 0575-0181]

Farm Labor Housing Technical Assistance Grant Agreement

This agreement dated _____ is between _____, the grantee, organized and operated under _____, and

(authorizing State statute) the United States of America acting through the Rural Housing Service (RHS). RHS agrees to grant a sum not to exceed \$ _____, subject to the terms and conditions of this agreement; provided, however, that the grant funds actually advanced and not needed for grant purposes shall be returned immediately to RHS. The Farm Labor Housing Technical Assistance (FLH-TA) grant statement of work approved by RHS, is attached, and shall commence within 10 days of the date of execution of this agreement by RHS and be completed by (date) _____.

RHS may terminate the grant in whole, or in part, at any time before the date of completion, whenever it is determined that the grantee has failed to comply with the conditions of this grant agreement or RHS regulations related hereto. The grantee may appeal adverse decisions in accordance with RHS's appeal procedures contained in 7 CFR part 11.

In consideration of said grant by RHS to the grantee, to be made pursuant to section 516 of title V of the Housing Act of 1949, the grantee will provide such a program in accordance with the terms of this grant agreement and applicable regulations.

Part A—Definitions

1. "Beginning date" means the date this agreement is executed by both parties and costs can be incurred.
2. "Ending date" means the date this agreement is scheduled to be completed. It is also the latest date grant funds will be provided under this agreement, without an approved extension.
3. "Disallowed costs" are those charges to a grant which RHS determines cannot be authorized in accordance with applicable Federal cost principles contained in 7 CFR parts 3015, 3016 and 3019, as appropriate.
4. "FLH-TA" means Farm Labor Housing Technical Assistance, the purpose for which grant funds are awarded under this agreement.
5. "Grant closeout" is the process by which the grant operation is concluded

at the expiration of the grant period or following a decision to terminate the grant.

6. "RHS" means the Rural Housing Service, an agency of the United States Department of Agriculture.

7. "Termination" of the grant means the cancellation of Federal assistance, in whole or in part, at any time before the date of completion.

Part B—Terms of Agreement

RHS and the grantee agree that:

1. All grant activities shall be limited to those authorized by this grant agreement and section 516 of title V of the Housing Act of 1949.

2. This agreement shall be effective when executed by both parties.

3. The FLH-TA grant activities approved by RHS shall commence and be completed by the date indicated above, unless terminated under part B, paragraph 18 of this grant agreement, or extended by execution of the attached "Amendment" by both parties.

4. The grantee shall carry out the FLH-TA grant activities and processes as described in the approved statement of work which is attached to, and made a part of, this grant agreement. Grantee will be bound by the activities and processes contained in the statement of work and the further conditions contained in this grant agreement. If the statement of work is inconsistent with this grant agreement, then the latter will govern. A change of any activities and processes must be in writing and must be signed by the approval official.

5. The grantee shall use grant funds only for the purposes and activities approved by RHS in the FLH-TA grant budget. Any uses not provided for in the approved budget must be approved in writing by RHS in advance.

6. If the grantee is a private nonprofit corporation, expenses charged for travel or per diem will not exceed the rates paid to Federal employees or (if lower) an amount authorized by the grantee for similar purposes. If the grantee is a public body, the rates will be those that are allowable under the customary practice in the government of which the grantee is a part; if none are customary, the RHS Federal employee rates will be the maximum allowed.

7. Grant funds will not be used:

(a) To pay obligations incurred before the beginning date or after the ending date of this agreement;

(b) For any entertainment purposes;

(c) To pay for any capital assets, the purchase of real estate or vehicles, the improvement or renovation of the grantee's office space, or for the repair

or maintenance of privately owned vehicles;

(d) For any other purpose prohibited in 7 CFR parts 3015, 3016 and 3019, as applicable;

(e) For administrative expenses exceeding 20 percent of the FLH-TA grant funds; or

(f) For purposes other than to encourage the development of farm labor housing.

8. The grant funds shall not be used to substitute for any financial support previously provided and currently available or assured from any other source.

9. The disbursement of grants will be governed as follows:

(a) In accordance with 31 CFR part 205, grant funds will be provided by RHS as cash advances on an as needed basis not to exceed one advance every 30 days. The advance will be made by direct Treasury check to the grantee. In addition, the grantee must submit Standard Form (SF) 272, "Federal Cash Transactions Report," each time an advance of funds is made. This report shall be used by RHS to monitor cash advances made to the grantee. The financial management system of the recipient organization shall provide for effective control over and accountability for all Federal funds as required by 7 CFR parts 3015, 3016, and 3019, as applicable.

(b) Cash advances to the grantee shall be limited to the minimum amounts needed and shall be timed to be in accord only with the actual, immediate cash requirements of the grantee in carrying out the purpose of the planned project. The timing and amount of cash advances shall be as close as administratively feasible to the actual disbursements by the grantee for direct program costs (as identified in the grantee's statement of work and budget and fund use plan) and proportionate share of any allowable indirect costs.

(c) Grant funds should be promptly refunded to the RHS and redrawn when needed if the funds are erroneously drawn in excess of immediate disbursement needs. The only exceptions to the requirement for prompt refunding are when the funds involved:

(i) Will be disbursed by the recipient organization within 7 calendar days from the date of the Treasury check; or

(ii) Are less than \$10,000 and will be disbursed within 30 calendar days from the date of the Treasury check.

(d) Grantee shall provide satisfactory evidence to RHS that all officers of the grantee's organization authorized to receive or disburse Federal funds are covered by fidelity bonds in an amount

of at least the grant amount to protect RHS's interests.

10. The grantee will submit performance, financial, and annual reports as required by 7 CFR parts 3015, 3016, and 3019, as applicable, to the appropriate RHS office. These reports must be reconciled to the grantee's accounting records.

(a) As needed, but not more frequently than once every 30 calendar days, submit an original and two copies of SF-270, "Request for Advance or Reimbursement." In addition, the grantee must submit a SF-272, each time an advance of funds is made. This report shall be used by RHS to monitor cash advances made to the grantee.

(b) Quarterly reports will be submitted within 15 days after the end of each calendar quarter. Quarterly reports shall consist of an original and one copy of SF-269, "Financial Status Report," and a quarterly performance report summarizing the grantee's activities and accomplishments for the prior quarter. Item 10, g (total program outlays) of SF-269, will be less any rebates, refunds, or other discounts. The quarterly performance report will provide a summary of the grantee's activities for the prior quarter and their progress in accomplishing the tasks described in the grantee's statement of work. The quarterly report will also inform RHS of any problems or difficulties the grantee is experiencing (*i.e.*, locating sites, finding feasible markets, gaining public support, *etc.*). The reports will be reviewed by RHS for the purpose of evaluating whether the grantee is accomplishing the objectives of the grant and whether RHS can assist the grantee in any manner. Quarterly reports shall be submitted to a designated official at the RHS National office, with a copy of the report to each State Director within the FLH-TA grant region where the grantee is operating.

(c) Within 90 days after the termination or expiration of the grant agreement, an original and two copies of SF-269, and a final performance report which will include a summary of the project's accomplishments, problems, and planned future activities of the grantee under FLH-TA grants. Final reports may serve as the last quarterly report.

(d) The RHS may change the format or process of the monthly and quarterly activities and accomplishment reports during the performance of the agreement.

11. In accordance with Office of Management and Budget (OMB) Circular A-87, Cost Principles for State, Local, and Indian Tribal Governments (available in any RHS office),

compensation for employees will be considered reasonable to the extent that such compensation is consistent with that paid for similar work in other activities of the State or local government.

12. If the grant exceeds \$100,000, cumulative transfers among direct cost budget categories totaling more than 5 percent of the total budget must have prior written approval of RHS.

13. The results of the program assisted by grant funds may be published by the grantee without prior review by RHS, provided that such publications acknowledge the support provided by funds pursuant to the provisions of title V of the Housing Act of 1949, as amended, and that five copies of each such publication are furnished to RHS.

14. The grantee certifies that no person or organization has been employed or retained to solicit or secure this grant for a commission, percentage, brokerage, or contingency fee.

15. No person in the United States shall, on the grounds of race, religion, color, sex, familial status, age, national origin, or disability, be excluded from participation in, be denied the proceeds of, or be subject to discrimination in connection with the use of grant funds. Grantee will comply with the nondiscrimination regulations of RHS contained in 7 CFR part 1901, subpart E.

16. In all hiring or employment made possible by or resulting from this grant:

(a) The grantee will not discriminate against any employee or applicant for employment because of race, religion, color, sex, familial status, age, national origin, or disability.

(b) The grantee will ensure that employees are treated without regard to their race, religion, color, sex, familial status, age, national origin, or disability. This requirement shall apply to, but not be limited to, the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation; and selection for training, including apprenticeship, and

(c) In the event grantee signs a contract related to this grant which would be covered by any Executive Order, law, or regulation prohibiting discrimination, grantee shall include in the contract the "Equal Employment Clause" as specified by Form RD 400-1, "Equal Opportunity Agreement".

17. The grantee accepts responsibility for accomplishing the FLH-TA grant program as submitted and included in its preapplication and application, including its statement of work. The grantee shall also:

(a) Endeavor to coordinate and provide liaison with State and local housing organizations, where they exist.

(b) Provide continuing information to RHS on the status of grantee's FLH-TA grant programs, projects, related activities, and problems.

(c) Inform RHS as soon as the following types of conditions become known:

(i) Problems, delays, or adverse conditions which materially affect the ability to attain program objectives, prevent the meeting of time schedules or goals, or preclude the attainment of project work units by established time periods. This disclosure shall be accompanied by a statement of the action taken or contemplated, new time schedules required and any RHS assistance needed to resolve the situation.

(ii) Favorable developments or events which enable meeting time schedules and goals sooner than anticipated or producing more work units than originally projected.

18. The grant closeout and termination procedures will be as follows:

(a) Promptly after the date of completion or a decision to terminate a grant, grant closeout actions are to be taken to allow the orderly discontinuation of grantee activity.

(i) The grantee shall immediately refund to RHS any uncommitted balance of grant funds.

(ii) The grantee will furnish to RHS within 90 calendar days after the date of completion of the grant, SF-269 and all financial, performance, and other reports required as a condition of the grant, including a final audit report, as required by 7 CFR part 3015, 3016, and 3019, as applicable. In accordance with 7 CFR part 3015 and OMB Circular A-133, audits must be conducted in accordance with generally accepted government auditing standards.

(iii) The grantee shall account for any property acquired with FLH-TA grant funds or otherwise received from RHS.

(iv) After the grant closeout, RHS will recover any disallowed costs which may be discovered as a result of an audit.

(b) When there is reasonable evidence that the grantee has failed to comply with the terms of this grant agreement, the Administrator (or his or her designee) can, on reasonable notice, suspend the grant pending corrective action or terminate the grant in accordance with part B, paragraph 18(c) of this grant agreement. In such instances, RHS may reimburse the grantee for eligible costs incurred prior to the effective date of the suspension or termination and may allow all necessary

and proper costs which the grantee could not reasonably avoid. RHS will withhold further advances and grantees are prohibited from further use of grant funds, pending corrective action.

(c) Grant termination will be based on the following:

(i) Termination for cause. This grant may be terminated in whole, or in part, at any time before the date of completion, whenever RHS determines that the grantee has failed to comply with the terms of this agreement. The reasons for termination may include, but are not limited to, such problems as:

(A) Failure to make reasonable and satisfactory progress in attaining grant objectives.

(B) Failure of grantee to use grant funds only for authorized purposes.

(C) Failure of grantee to submit adequate and timely reports of its operation.

(D) Violation of any of the provisions of any laws administered by RHS or any regulation issued thereunder.

(E) Violation of any nondiscrimination or equal opportunity requirement administered by RHS in connection with any RHS programs.

(F) Failure to maintain an accounting system acceptable to RHS.

(ii) Termination for convenience. RHS or the grantee may terminate the grant in whole, or in part, when both parties agree that the continuation of the project would not produce beneficial results commensurate with the further expenditure of funds. The two parties shall agree upon the termination conditions, including the effective date and, in case of partial termination, the portion to be terminated.

(d) RHS shall notify the grantee in writing of the determination and the reasons for and the effective date of the suspension or termination. Except for termination for convenience, grantees have the opportunity to appeal a suspension or termination in accordance with 7 CFR part 11.

19. Upon any default under its representations or agreements contained in this instrument, the grantee, at the option and demand of RHS, will repay to RHS forthwith the grant funds received with interest at the rate of 5 percent per annum from the date of the default. The provisions of this grant agreement may be enforced by RHS, at its options and without regard to prior waivers by it or previous defaults of the grantee, by judicial proceedings to require specific performance of the terms of this grant agreement or by such other proceedings in law or equity, in either Federal or state courts, as may be deemed necessary by RHS to assure compliance with the provisions of this

grant agreement and the laws and regulations under which this grant is made.

20. Extension of this grant agreement, modifications of the statement of work, or changes in the grantee's budget may be approved by RHS provided, in RHS's opinion, the extension or modification is justified and there is a likelihood that the grantee can accomplish the goals set out and approved in the statement of work during the period of the extension and/or modifications.

21. The provisions of 7 CFR parts 3015, 3016, and 3019, as applicable, are incorporated herein and made a part hereof by reference.

9. That no member of Congress shall be admitted to any share or part of this grant or any benefit that may arise therefrom, but this provision shall not be construed to bar as a contractor under the grant a public-held corporation whose ownership might include a member of Congress.

10. That all nonconfidential information resulting from its activities shall be made available to the general public on an equal basis.

11. That the grantee shall relinquish any and all copyrights and privileges to the materials developed under this grant, such material being the sole property of the Federal Government. 13. That it is understood and agreed that any assistance granted under this grant agreement will be administered subject to the limitations of section 516 of title V of the Housing Act of 1949 and that all rights granted to RHS herein or elsewhere may be exercised by it in its sole discretion to carry out the purposes of the assistance, and protect RHS's financial interest.

14. That the grantee will adopt a standard of conduct that provides that, if an employee, officer, or agency of the grantee, or such person's immediate family members conducts business with the grantee, the grantee must not:

(a) Participate in the selection, award, or administration of a contract to such persons for which Federal funds are used;

15. That the grantee will be in compliance with and provide the necessary forms concerning the Debarment and Suspension and the Drug-free Workplace requirements.

Part D—RHS Agrees

1. That it will assist the grantee, within available appropriations, with such technical and management assistance as needed in coordinating the statement of work with local officials, comprehensive plans, and any State or area plans for improving housing for farmworkers.

2. That at its sole discretion, RHS may at any time give any consent, deferment, subordination, release, satisfaction, or termination of any or all of the grantee's grant obligations, with or without valuable consideration, upon such terms and conditions as the grantor may determine to be:

DEPARTMENT OF AGRICULTURE**Rural Utilities Service****Dairyland Power Cooperative; Notice of Intent****AGENCY:** Rural Utilities Service, USDA.**ACTION:** Notice of Intent to Hold Scoping Meeting and Prepare an Environmental Assessment.

SUMMARY: Notice is hereby given that the Rural Utilities Service (RUS), pursuant to the National Environmental Policy Act (NEPA) of 1969 (42 U.S.C. 4321 *et seq.*), the Council on Environmental Quality (CEQ) Regulations for implementing NEPA (40 CFR parts 1500-1508), and RUS Environmental Policies and Procedures (7 CFR Part 1794) proposes to hold a scoping meeting and prepare an Environmental Assessment (EA) for its Federal action related to a project proposed by Dairyland Power Cooperative (DPC) of La Crosse, Wisconsin. The project consists of constructing a natural gas-fired simple cycle, combustion turbine power generation facility in Wheaton Township in Chippewa County, Wisconsin. Total electrical output from the facility is expected to range from 71 megawatts (MW) to 98 MW depending upon operating conditions.

DATES: RUS will conduct a scoping meeting in open house forum on Tuesday, July 11, 2000, from 5 p.m. until 8 p.m.

ADDRESSES: The scoping meeting will be held at the Chippewa County Courthouse, 711 North Bridge Street, Chippewa Falls, Wisconsin.

FOR FURTHER INFORMATION CONTACT: Nurul Islam, Environmental Protection Specialist, RUS, Engineering and

Environmental Staff, 1400 Independence Avenue, SW, Washington, DC 20250-1571, telephone (202) 720-1784, FAX: (202) 720-0820, e-mail: nislam@rus.usda.gov; or George L. Johnston, Senior Environmental Biologist, DPC, 3200 East Avenue south, La Crosse, Wisconsin 54601, telephone (608) 787-1322, FAX: (608) 787-1241, e-mail: glj@dairynet.com.

SUPPLEMENTARY INFORMATION: DPC proposes to construct the facility at a site in Wheaton Township in Chippewa County, Wisconsin. The preferred site is the location of DPC's Elk Mound Substation. The primary purpose of the facility is to meet DPC peak electrical load during hot summer weather. Under those conditions the facility's expected output is about 71 MW of power. The proposed project will consist of two simple cycle combustion turbines. The two turbines will have a maximum rating of 49 MW each, with a summertime rating of 35.5 MW. The plant will require approximately 5 acres of land. The substation facilities will also require some upgrading. A 2.2 miles long new high-pressure gas line from the proposed generating station north to an existing gas line will provide gas supply. The total water usage will be approximately 3 million gallons per year.

Alternatives to be considered by RUS and DPC include no action, purchased power, upgrade of existing resources, alternative sites, hydropower, fossil fuel technologies, customer-owned generation, energy conservation, renewable resources, and emerging technologies.

DPC has prepared an Alternative Evaluation and Site Selection Study for the project. The Alternative Evaluation and Site Selection Study is available for public review at the RUS or DPC at the addresses provided in this notice or at the following locations:

Chippewa Falls Public Library, 105 West Central Street, Chippewa Falls, Wisconsin.

L. E. Phillips Memorial Public Library, 400 Eau Claire Street, Eau Claire, Wisconsin.

Federal, state and local agencies, private organizations, and the public are invited to participate in the planning and analysis of the proposed project. Representatives from RUS and DPC will be available at the scoping meeting to discuss RUS's environmental review process, the proposed project and the alternatives being considered, scope of the environmental issues to be considered, and answer questions. Oral and written comments will be accepted at the scoping meeting. Written

comments regarding the proposed project will also be accepted for at least 30 days after the scoping meeting. All written comments should be sent to RUS at the address provided in this notice.

Any final action by RUS related to the proposed project will be subject to, and contingent upon, compliance with all relevant Federal environmental laws and regulations and completion of environmental review procedures as prescribed by the CEQ Regulations and RUS Environmental Policies and Procedures.

Dated: June 15, 2000.

Continuation of Antidumping Duty Order: Coumarin From the People's Republic of China

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of Continuation of Antidumping Duty Order: Coumarin from the People's Republic of China.

SUMMARY: On May 4, 2000, the Department of Commerce ("the Department"), pursuant to sections 751(c) and 752 of the Tariff Act of 1930, as amended ("the Act"), determined that revocation of the antidumping duty order on coumarin from the People's Republic of China ("China") is likely to lead to continuation or recurrence of dumping (65 FR 25906). On June 7, 2000, the International Trade Commission ("the Commission"), pursuant to section 751(c) of the Act, determined that revocation of the antidumping duty order on coumarin from China would be likely to lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time (65 FR 36163). Therefore, pursuant to 19 CFR 351.218(f)(4), the Department is publishing notice of the continuation of the antidumping duty order on coumarin from China.
