Salim Bhabhrawala or David Neubacher, at (202) 482-1784 or (202) 482-5823, respectively; AD/CVD Operations, Office 1, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street & Constitution Avenue, NW., Washington, DC 20230.

SUPPLEMENTARY INFORMATION:**Statutory Time Limits**

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department of Commerce (the Department) to issue (1) the preliminary results of a review within 245 days after the last day of the month in which occurs the anniversary of the date of publication of an order or finding for which a review is requested, and (2) the final results within 120 days after the date on which the preliminary results are published. However, if it is not practicable to complete the review within that time period, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the preliminary results to a maximum of 365 days and the final results to a maximum of 180 days (or 300 days if the Department does not extend the time limit for the preliminary results) from the date of the publication of the preliminary results. *See also* 19 CFR 351.213(h)(2).

Extension of Final Results of Review

The preliminary results of this review were published on July 20, 2005. We determine that it is not practicable to complete the final results of this review within the original time limits. Due to the complexity of issues present in this administrative review, such as the issues of interest expense and a request to split the reporting period for cost of production, the Department needs more time to address these items and evaluate the issues more thoroughly. Therefore, we are extending the deadline for the final results of the above-referenced review by 60 days and the final results will be issued no later than, Monday,

January 16, 2006. This extension is in accordance with section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2).

Dated: October 6, 2005.

Acting Deputy Assistant Secretary for Import Administration.

SUPPLEMENTARY INFORMATION:**Postponement of Preliminary Determinations**

On June 21, 2005, the Department of Commerce ("Department") published the initiation of the antidumping duty investigations of imports of diamond sawblades and parts thereof from the People's Republic of China and the Republic of Korea. *See Initiation of Antidumping Duty Investigations: Diamond Sawblades and Parts Thereof from the People's Republic of China and the Republic of Korea*, 70 FR 35625 (June 21, 2005). The notice of initiation stated that the Department would make its preliminary determinations for these antidumping duty investigations no later than 140 days after the date of issuance of the initiation.

On September 26, 2005, the Diamond Sawblade Manufacturers' Coalition and its individual members ("Petitioners") made timely requests pursuant to 19 CFR 351.205(e) for a fifty-day postponement of these preliminary determinations, until December 20, 2005. Petitioners requested postponement of these preliminary determinations to allow the Department additional time in which to review the

responses and issue requests for clarification and additional information.

For the reasons identified by the Petitioners, and because there are no compelling reasons to deny the request, the Department is postponing these preliminary determinations under section 733(c)(1)(A) of the Tariff Act of 1930, as amended ("the Act"), by fifty days to December 20, 2005. The deadline for these final determinations will continue to be 75 days after the date of these preliminary determinations, unless extended.

This notice is issued and published pursuant to sections 733(c)(2) of the Act and 19 CFR 351.205(f)(1).

Dated: October 6, 2005.

Acting Assistant Secretary for Import Administration.
