DEPARTMENT OF HEALTH AND HUMAN SERVICES**Food and Drug Administration****21 CFR Part 558****New Animal Drugs for Use in Animal Feeds; Arsanilic Acid; Technical Amendment****AGENCY:** Food and Drug Administration, HHS.**ACTION:** Final rule; technical amendment.

SUMMARY: The Food and Drug Administration (FDA) is amending the animal drug regulations to reflect the dose range of arsanilic acid for Type C medicated poultry feeds reported by the National Academy of Sciences/National

Research Council (NAS/NRC) Drug Efficacy Study in 1972. This action is being taken to improve the accuracy of the regulations.

DATES: This rule is effective November 19, 2001.

FOR FURTHER INFORMATION CONTACT:

Dianne T. McRae, Center for Veterinary Medicine (HFV-102), Food and Drug Administration, 7500 Standish Pl., Rockville, MD 20855, 301-827-0212, e-mail: dmcrae@cvm.fda.gov.

SUPPLEMENTARY INFORMATION: FDA has found that the animal drug regulations do not reflect the dose range of arsanilic acid for Type C medicated poultry feeds reported to the agency by the NAS/NRC Drug Efficacy Study in 1972. At this time, the regulations are being amended in 21 CFR 558.62 to reflect a dose range of 45 to 90 grams per ton of medicated poultry feed.

Publication of this document constitutes final action on these changes under the Administrative Procedure Act (5 U.S.C. 553). Notice and public procedure are unnecessary because FDA is merely correcting nonsubstantive errors.

This rule does not meet the definition of "rule" in 5 U.S.C. 804(3)(A) because it is a rule of "particular applicability." Therefore, it is not subject to the congressional review requirements in 5 U.S.C. 801-808.

DEPARTMENT OF TRANSPORTATION**Coast Guard****33 CFR Part 100****[CGD05-01-013]****RIN 2115-AE46****Special Local Regulations for Marine Events; Fireworks Displays, Atlantic Ocean, Virginia Beach, VA****AGENCY:** Coast Guard, DOT.**ACTION:** Final rule.

SUMMARY: The Coast Guard is adopting permanent special local regulations for fireworks displays to be held over the waters of the Atlantic Ocean, Virginia Beach, Virginia. These special local regulations are necessary to provide for the safety of life on navigable waters during the fireworks displays. This action will temporarily restrict vessel traffic during the fireworks displays to protect spectator craft and other vessels transiting the event area from the dangers associated with the fireworks.

DATES: This rule is effective December 19, 2001.

ADDRESSES: Comments and materials received from the public as well as documents indicated in this preamble as being available in the docket, are part of docket CGD05-01-013 and are available for inspection or copying at Commander (Aoax), Fifth Coast Guard District, 431 Crawford Street, Portsmouth, Virginia 23704-5004, between 9 a.m. and 2 p.m., Monday through Friday, except Federal holidays.

SUPPLEMENTARY INFORMATION:

Regulatory Information

On July 17, 2001, we published a notice of proposed rulemaking (NPRM) entitled Special Local Regulations for Marine Events; Fireworks Displays, Atlantic Ocean, Virginia Beach, Virginia, in the **Federal Register** (66 FR 37200). We received no letters commenting on the proposed rule. No public hearing was requested and none was held.

Background and Purpose

The City of Virginia Beach sponsors fireworks displays at various times throughout the year over the waters of the Atlantic Ocean, adjacent to the beachfront between 17th Street and 24th Street. The events consist of pyrotechnic displays fired from a vessel positioned in the Atlantic Ocean. Spectator vessels gather nearby to observe the fireworks. Due to the need for vessel control during the fireworks displays, vessel traffic will be temporarily restricted to provide for the safety of spectators and transiting vessels.

Discussion of Comments and Changes

No comments were received. No changes have been made to the proposed regulatory text.

Regulatory Evaluation

This rule is not a "significant regulatory action" under section 3(f) of Executive Order 12866 and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order. The Office of Management and Budget has not reviewed it under that Order. It is not significant under the regulatory policies and procedures of the Department of Transportation (DOT) (44 FR 11040, February 26, 1979).

Although this rule will prevent traffic from transiting a portion of the Atlantic Ocean adjacent to the beachfront during the events, the effect of this regulation will not be significant due to the limited

duration of the regulation, the small size of the regulated area and the extensive advance notifications that will be made to the maritime community via the Local Notice to Mariners, marine information broadcasts, and area newspapers, so mariners can adjust their plans accordingly.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601-612.), we considered whether this rule would have a significant economic impact on a substantial number of small entities. The term "small entities" comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

This rule will affect the owners or operators of vessels, some of which may be small entities, intending to transit or anchor in the affected portions of the Atlantic Ocean during the events.

Although this regulation prevents traffic from transiting or anchoring in portions of the Atlantic Ocean adjacent to the beachfront during the event, the effect of this regulation will not be significant because of its limited duration, the small size of the regulated area and the extensive advance notifications that will be made to the maritime community via the Local Notice to Mariners, marine information broadcasts, and area newspapers, so mariners can adjust their plans accordingly.

Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Public Law 104-121), we offered to assist small entities in understanding this rule so that they can better evaluate its effects on them and participate in the rulemaking. No assistance was requested by any small business, organization, or governmental jurisdiction.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by

employees of the Coast Guard, call 1-888-REG-FAIR (1-888-734-3247).

Collection of Information

This rule calls for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520).

Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on State law or local governments and would either preempt State law or impose a substantial direct cost of compliance on them. We have analyzed this rule under that Order and have determined that it does not have implications for federalism.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531-1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate of \$100,000,000 or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in the preamble.

Taking of Private Property

This rule will not effect a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not concern an environmental risk to health or risk to safety that may disproportionately affect children.

Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial and direct effect on one or more Indian tribes, on the relationship between the Federal Governments and Indian tribes,

or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

Energy Effects

We have analyzed this rule under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use. We have determined that it is not a "significant energy action" under that order because it is not a "significant regulatory action" under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. It has not been designated by the Administrator of the Office of Information and Regulatory Affairs as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211.

Environment

We considered the environmental impact of this rule and concluded that, under figure 2-1, paragraph (34)(h), of Commandant Instruction M16475.1C, this rule is categorically excluded from further environmental documentation. Special local regulations issued in conjunction with a regatta or marine parade are specifically excluded from further analysis and documentation under that section. A "Categorical Exclusion Determination" is available in the docket where indicated under ADDRESSES.
