FEDERAL COMMUNICATIONS COMMISSION

[FR ID: 176663]

Privacy Act System of Records

AGENCY: Federal Communications Commission.

ACTION: Notice of a modified system of records.

SUMMARY: The Federal Communications Commission (FCC, Commission, or Agency) proposes to modify an existing system of records, FCC/CGB–2, Comment Filing System (ECFS), subject to the Privacy Act of 1974, as amended. This action is necessary to meet the requirements of the Privacy Act to publish in the **Federal Register** notice of the existence and character of records maintained by the agency. The Commission uses this system to handle and process public comments related to FCC rulemakings and other proceedings. This modification changes the name of the former FCC/CGB–2 SORN to FCC/OS–1 and makes various necessary changes and updates, including clarification of the purpose of the system, formatting changes required by OMB Circular A–108 since its previous publication, and the addition of new routine uses.

DATES: This modified system of records will become effective on October 5, 2023. Written comments on the routine uses are due by November 6, 2023. The routine uses in this action will become effective on November 6, 2023 unless comments are received that require a contrary determination.

ADDRESSES: Send comments to Katherine C. Clark, Federal Communications Commission, 45 L Street NE, Washington, DC 20554 or privacy@fcc.gov.

FOR FURTHER INFORMATION CONTACT: Katherine C. Clark, (202) 418–1773, or privacy@fcc.gov (and to obtain a copy of the Narrative Statement and the Supplementary Document, which include details of the proposed alterations to this system of records).

SUPPLEMENTARY INFORMATION: As required by the Privacy Act of 1974, as amended, 5 U.S.C. 552a(e)(4) and (e)(11), this document sets forth notice of the proposed modification of a system of records maintained by the FCC. The FCC previously provided notice of the system of records, FCC/CGB–2 by publication in the **Federal Register** on April 5, 2006 (71 FR 417236).

This notice serves to update and modify FCC/CGB–2 and rename it FCC/OS–1 as a result of the various necessary changes and updates since its previous publication. The substantive changes and modifications to the previously published version of the FCC/CGB–2 system of records include:

1. Updating the name of the SORN from FCC/CGB–2, Comment Filing System (ECFS), to FCC/OS–1, Electronic Comment Filing System (ECFS) to reflect that the FCC's Office of the Secretary has replaced the Consumer and Governmental Affairs Bureau as the system manager;

2. Modifying the language in the Categories of Individuals and Categories of Records to be consistent with the language and phrasing now used in FCC SORNs;

3. Updating and/or revising language in the following five routine uses (listed by current routine use number): (1) Public Access; (2) FCC Enforcement Actions; (5) Law Enforcement and Investigation; (6) Congressional Inquiries; and (7) Government-wide Program Management and Oversight;

4. Converting the former Adjudication and Litigation routine use into two separate revised routine uses: (3) Litigation and (4) Adjudication;

5. Adding three new routine uses (listed by current routine use number): (8) Breach Notification, which is required by OMB Memorandum No. M–17–12, (9) Assistance to Federal Agencies and Entities Related to Breaches—to assist with other Federal agencies' data breach situations, which is also required by OMB Memorandum No. M–17–12; and (10) Non-Federal Personnel—to allow contractors, vendors, grantees, and volunteers who

have been engaged to assist the FCC in the performance of a contract service, grant, or cooperative agreement to access necessary information;

6. Adding a reference to the appropriate records retention and disposal schedule.
