

Form Number(s): None.

OMB Approval Number: 0648–0459.

Type of Request: Regular submission.

Burden Hours: 1,007.

Number of Respondents: 50.

Average Hours Per Response: 35 hours for a plan (one time only); 10 hours for an application; and 5 hours for a report.

Needs and Uses: The FY 2002 Commerce, Justice, State Appropriations Act directed the Secretary of Commerce to establish a Coastal and Estuarine Land Conservation Program (CELCP) to protect important areas that have significant conservation, recreation, ecological, historical, or aesthetic values, or that are threatened by conversion, and to issue guidelines for this program delineating the criteria for grant awards. (16 U.S.C. 1456d.). The guidelines establish procedures for eligible applicants, who choose to participate in the program, to use when developing state conservation plans, proposing or soliciting projects under this program, applying for funds and carrying out projects under this program in a manner that is consistent with the purposes of the program. NOAA also has, or is given, authority under the Coastal Zone Management Act, annual appropriations or other authorities, to issue funds to coastal states and localities for planning, conservation, acquisition, protection, restoration, or construction projects. This information collection will enable NOAA to implement the CELCP, under its current or future authorization, and facilitate the review of similar projects under different, but related authorities.

Affected Public: State, Local or Tribal Government; not-for profit institutions.

Frequency: One time, annually, and semi-annually.

Respondent's Obligation: Required to obtain or retain benefits.

OMB Desk Officer: David Rostker, (202) 395–3897.

Submission for OMB Review; Comment Request

The Department of Commerce has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Agency: National Oceanic and Atmospheric Administration (NOAA).

Title: Reporting of Sea Turtle Incidental Takes in Virginia Chesapeake Bay Pound Net Operations.

Form Number(s): None.

OMB Approval Number: 0648–0470.

Type of Request: Regular submission.

Burden Hours: 102.

Number of Respondents: 53.

Average Hours Per Response: 10 minutes.

Needs and Uses: The year-round reporting of sea turtle incidental take is necessary to (1) monitor the level of incidental take in the state-monitored pound net fishery, (2) ensure that the level of take does not exceed the Incidental Take Statement issued in conjunction with the Biological Opinion, and (3) verify that the seasonal pound net leader restrictions are adequate to protect sea turtles. The respondents will be Virginia pound net fishermen.

Affected Public: Individuals or households; business or other for-profit organizations.

Frequency: On occasion.

Respondent's Obligation: Mandatory.

OMB Desk Officer: David Rostker, (202) 395–3897.

SUPPLEMENTARY INFORMATION:

I. Abstract

The Census Bureau plans to request an extension of the currently approved Office of Management and Budget (OMB) clearance of the Survey of Residential Alterations and Repairs, also known as the (SORAR). SORAR collects monthly data on expenditures for residential improvements and repairs from owners or designated representatives of rental and vacant housing units. This segment of the economy amounted to more than \$199 billion in 2004.

The Census Bureau also conducts the Consumer Expenditures Survey to collect data for improvement and repairs to owner-occupied residential properties. The Census Bureau
