**SUPPLEMENTARY INFORMATION:** The WLA Campus master planning initiative was launched in 2015 with significant participation and collaboration on concepts from various stakeholders including: Veterans Service Organizations, Veterans, former plaintiffs of the lawsuit, local community entities and individuals, charitable and philanthropic entities, elected officials, state and local authorities, and many other stakeholders. More than 1,000 public comments were received on the preliminary draft. The Secretary of VA (SECVA) adopted the DMP in January 2016, sealing VA's commitment to the "framework" expressed in the DMP.

In keeping with VA's goals to reach as many Veterans as possible and to ensure that those Veterans receive the services that they need the most, VA has decided to make Master Plan 2022 draft, the most recent update to the Draft Master Plan, available for viewing at <https://www.westladraftmasterplan.org> and invite members of the public and other interested parties to review the updated Master Plan and to comment on it.

This update that is being made available for public comment, Master Plan 2022 draft, will move from the draft and framework concepts to: (1) Solidify accomplishments to date, (2) explain the committed path for a community plan, and (3) provide the path forward identifying strategic options.

After the public comment period for this notice has closed, VA will make any necessary adjustments to the Master Plan 2022 draft for submission to Secretary McDonough.
