COMMITTEE FOR PURCHASE FROM PEOPLE WHO ARE BLIND OR SEVERELY DISABLED

Agency Information Collection Activities; Proposals, Submissions, and Approvals

AGENCY: Committee for Purchase From People Who Are Blind or Severely Disabled.

ACTION: Notice of information collection; request for comment.

SUMMARY: The Committee for Purchase From People Who Are Blind or Severely Disabled operates as the U.S. AbilityOne Commission (Commission). This notice announces the Commission’s intent to submit the Information Collection Request (“ICR”) described below to the Office of Management and Budget (OMB) for approval under applicable provisions of the Paperwork Reduction Act. This notice provides an opportunity to interested members of the public and affected agencies to comment on a proposed updated Nonprofit Agency (NPA) Annual Representations and Certifications form.

DATES: Submit comments on or before December 14, 2024.

ADDRESSES: Submit comments to www.regulations.gov.

FOR FURTHER INFORMATION CONTACT:

Christopher Stewart, Compliance and Enforcement Attorney, Office of General Counsel, U.S. AbilityOne Commission, 355 E Street SW, Suite 325, Washington, DC 20024; telephone: (703) 254-6172; email: cstewart@abilityone.gov. If you are deaf, hard of hearing, or have a speech disability and wish to access telecommunications relay services, please dial 7-1-1.

SUPPLEMENTARY INFORMATION:

Overview of ICR: This notice pertains to an ICR the Commission intends to submit to OMB for approval of an updated form that each AbilityOne NPA will submit annually regarding its AbilityOne Program performance. This is a revision of an existing form that is submitted on an annual reporting cycle. This ICR is consistent with OMB regulations at 5 CFR part 1320, which implement provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) These regulations require the Commission to provide an opportunity to interested members of the public and affected agencies to comment on information collection and recordkeeping activities (see 5 CFR 1320.8(d)) such as those proposed to be implemented through this updated form.

The Commission is responsible for implementing the Javits-Wagner-O’Day

(JWOD) Act, 41 U.S.C. 8501–8506. In doing so, the Commission oversees the AbilityOne Program (Program), a program in which individuals who are blind or have significant disabilities provide products and services to Federal agencies, thereby creating employment opportunities for such individuals. The Commission maintains a Procurement List of mandatory source products and services provided by approximately 400 qualified nonprofit agencies (NPAs). The individuals who are blind or have significant disabilities performing direct labor tasks for NPA-employers are called “qualifying direct labor employees.” The Commission also established the term “participating employees” to mean the subset of such qualifying direct labor employees who work on AbilityOne contracts.

The implementing regulations for the JWOD Act, which are located at 41 CFR chapter 51, provide the requirements, procedures, and standards for the Program. Section 51-4.3 of the regulations sets forth the requirements that an NPA must meet to maintain qualification for participation in the Program. Under this section of the regulations, an NPA must submit a completed copy of the appropriate Annual Certification form. This documentation helps the Commission determine whether the NPA is meeting the qualification requirements of the Program. The Commission has also published policies regarding compliance requirements for qualified NPAs.

This information collection request seeks approval for the Commission to update its collection of information necessary to annually verify an NPA’s compliance with Program requirements, as required by statute, regulations, and policies, as well to update its collection of the NPA’s performance data to assess the total effect and effectiveness of the AbilityOne Program. The proposed form is called the Annual Representations and Certifications (ARC) for AbilityOne Qualified Nonprofit Agencies.

As part of the Commission’s modernization of the Program, the updated ARC form will collect limited aggregate information: (1) NPA Program-related revenue and Program-related subcontracting; (2) a headcount of qualifying direct labor employees and other NPA employees who perform direct labor; (2) the direct labor hours performed by qualifying direct labor employees and others; (3) a headcount of veterans employed by the NPA; (4) the wages paid to participating employees and other NPA employees who perform direct labor; (5) employment benefits offered to
