Abstract: As set forth in Section
145(b) of H.J. Res. 117, the Fiscal Year
2013 Continuing Resolution (CR)
Congress directed the U.S. Department
of Education (ED) to submit a report to
Congress on December 31, 2013,
regarding the degree to which certain
populations of students (students with
disabilities, English language learners,
rural students, and economically
disadvantaged students) are taught by
teachers participating in an alternative
route to certification program. State
educational agencies (SEAs) and local
educational agencies (LEAs) have not
been required to collect nor report this
information. The requisite data must be
reported from schools to LEAs to SEAs.
ED respectfully seeks clearance to
collect this information required to
answer Congress's directive. It is
anticipated that the collection is needed
for one year only; hence, SEAs are not
likely to alter their data collection and
reporting systems to meet this data
reporting requirement.

Kate Mullan,

Acting Director, Information Collection
Clearance Division, Privacy, Information and
Records Management Services, Office of
Management.
