Agency Forms Undergoing Paperwork Reduction Act Review

The Centers for Disease Control and Prevention (CDC) publishes a list of information collection requests under review by the Office of Management and

Budget (OMB) in compliance with the Paperwork Reduction Act (44 U.S.C. Chapter 35). To request a copy of these requests, call the CDC Reports Clearance Officer at (404) 498-1210. Send written comments to CDC, Desk Officer, Human Resources and Housing Branch, New Executive Office Building, Room 10235, Washington, DC 20503. Written comments should be received within 30 days of this notice.

Proposed Project: Data Collection on Attention Deficit Hyperactivity Disorder (ADHD)—New—National Center for Birth Defects and Developmental Disabilities (NCBDDD), Centers for Disease Control and Prevention (CDC). This project will collect data from proxy respondents on children ages 4 to 10 with and without ADHD. This program addresses the Healthy People 2010 focus area of Mental Health and Mental Disorders, and describes the prevalence,

treated prevalence, select co-morbid conditions, secondary conditions, and health risk behavior of ADHD.

Background

The purpose of this program is to support research in ADHD and the exploration of other health conditions and health risk behaviors to children with the disorder. The main objectives of the project are to determine the prevalence or treated prevalence of children with ADHD in a defined community; to identify rates of select co-morbid or secondary conditions in children with ADHD in a defined community; to identify types and rates of health risk behaviors in children with ADHD; and to describe current and previous receipt of treatment in children with ADHD. The estimated annualized burden is 4,367 hours.

Respondents	Number of respondents	Number of responses per respondent	Average burden per response (in hours)
VADTRS/SDQ (Teacher Report)	1,350	1	6/60
Two-Question Previous Diagnosis and Treatment Screener (Parent)	22,000	1	1/60
Health Risk Behavior Survey (Parent Report)	2,500	1	10/60
Demographic Survey (Parent)	2,500	1	5/60

Dated: February 3, 2003.

Thomas Bartenfeld,

Acting Associate Director for Policy, Planning and Evaluation, Centers for Disease Control and Prevention.

[Program Announcement 03023]

Grants for Acute Care, Rehabilitation, and Disability Prevention Research; Notice of Availability of Funds

A. Authority and Catalog of Federal Domestic Assistance Number

This program is authorized under section 301(a) [42 U.S.C. 241(a)] of the Public Health Service Act, and section 391(a) [42 U.S.C. 280b(a)] of the Public Service Health Act, as amended. The catalog of Federal Domestic Assistance number is 93.136.

B. Purpose

The Centers for Disease Control and Prevention (CDC) announces the availability of fiscal year (FY) 2003 funds for grants for Acute Care,

Rehabilitation and Disability Prevention Research. This program addresses the "Healthy People 2010" focus areas of Injury and Violence Prevention.

The purposes of the program are to:

1. Solicit research applications that address the priorities reflected under the heading, "Program Requirements."

2. Build the scientific base for the prevention and control of injuries, disabilities and deaths.

3. Encourage professionals from a wide spectrum of disciplines of engineering, epidemiology, medicine, biostatistics, public health, law and criminal justice, behavioral and social sciences to perform research in order to prevent and control injuries more effectively.

4. Encourage investigators to propose research that involves intervention development and testing as well as research on methods; to encourage individuals, organizations, or communities to adopt and maintain effective intervention strategies.

Measurable outcomes of the program will be in alignment with the following performance goal for the National Center for Injury Prevention and Control (NCIPC): Develop new or improved approaches for preventing and controlling death and disability due to injuries.

C. Eligible Applicants

Applications may be submitted by public and private nonprofit and for profit organizations and by governments and their agencies; that is, universities, colleges, technical schools, research institutions, hospitals, other public and private nonprofit and for profit organizations, community-based organizations, faith-based organizations, state and local governments or their bona fide agents, including the District of Columbia, the Commonwealth of Puerto Rico, the Virgin Islands, the Commonwealth of the Northern Mariana Islands, American Samoa, Guam, the Federated States of Micronesia, the Republic of the Marshall Islands, and the Republic of Palau, federally recognized Indian tribal governments, Indian tribes, or Indian tribal organizations, and small, minority, and/or women-owned businesses.

Note: Title 2 of the United States Code section 1611 states that an organization described in section 501(c)(4) of the Internal Revenue Code that engages in lobbying activities is not eligible to receive Federal funds constituting an award, grant or loan.

Applications that are incomplete or non-responsive to the below requirements will be returned to the applicant without further consideration.
