**ACTION:** Notice of proposed new system of records.

**SUMMARY:** The purpose of this document is to give notice of a proposed new Privacy Act system of records, RRB-50, Child Care Tuition Assistance Program.

**DATES:** The proposed new system of records shall become effective as proposed without further notice in 40 calendar days from the date of this publication unless comments are received before this date which would result in a contrary determination.

**ADDRESSES:** Send comments to Beatrice Ezerski, Secretary to the Board, Railroad Retirement Board, 844 North Rush Street, Chicago, Illinois 60611-2092.

**FOR FURTHER INFORMATION CONTACT:**

LeRoy Blommaert, Privacy Act Officer, Railroad Retirement Board, 844 North Rush Street, Chicago, Illinois 60611-2092, (312) 751-4548.

**SUPPLEMENTARY INFORMATION:** Public Law 106-58 authorizes Federal agencies to fund out of appropriated funds a child care tuition assistance program for lower income families who pay for qualified child care. The Railroad Retirement Board is establishing a program under which child care tuition assistance would be provided to eligible agency employees.

The Railroad Retirement Board will collect family income data from RRB employees who make application under the RRB Child Care Tuition Assistance Program. The family income data will be used by the RRB to determine eligibility under the program, and if eligibility is determined, to make a further determination as to the amount of monthly tuition assistance that will be made. In addition, the RRB will collect information from the employee's child care provider(s) for verification purposes; e.g. that the provider is fully licensed.

On April 12, 2001, the Railroad Retirement Board filed a new system report for this system with the House Committee on Government Operations, the Senate Committee on Governmental Affairs, and the Office of Management and Budget. This was done to comply with Section 3 of the Privacy Act of 1974 and OMB Circular No. A-130, Appendix I.

RIN 3235-AH11

**Investment Company Names; OMB Approval of Collections of Information**

**AGENCY:** Securities and Exchange Commission.

**ACTION:** Notice of OMB Approval of Collections of Information.

**SUMMARY:** The Securities and Exchange Commission adopted rule 35d-1 under the Investment Company Act of 1940 on January 17, 2001. Rule 35d-1 addresses certain broad categories of investment company names that are likely to mislead investors about an investment company's investments and risks. Certain provisions of rule 35d-1 contain "collection of information" requirements within the meaning of the Paperwork Reduction Act [44 U.S.C. 3501 *et seq.*], and the Commission submitted the proposed collections of information to the Office of Management and Budget (OMB) for review. The Office of Management and Budget has approved the collection of information requirements contained in rule 35d-1.

**DATES:** On March 13, 2001, OMB approved the collections of information contained in rule 35d-1.

**FOR FURTHER INFORMATION CONTACT:** Paul G. Cellupica, Senior Special Counsel, Office of Disclosure and Insurance Product Regulation, at (202) 942-0670, in the Division of Investment

Management, Securities and Exchange Commission, 450 5th Street, NW., Washington, DC 20549-0506.

**SUPPLEMENTARY INFORMATION:** The Securities and Exchange Commission ("Commission") adopted new rule 35d-1 [17 CFR 270.35d-1] under the Investment Company Act of 1940 [15 U.S.C. 80a-1 *et seq.*] ("Investment Company Act") on January 17, 2001.<sup>1</sup> Rule 35d-1 addresses certain broad categories of investment company names that are likely to mislead investors about an investment company's investments and risks. The rule requires a registered investment company with a name suggesting that the company focuses on a particular type of investment (*e.g.*, an investment company that calls itself the ABC Stock Fund, the XYZ Bond Fund, or the QRS U.S. Government Fund) to invest at least 80% of its assets in the type of investment suggested by its name. The rule also addresses other types of names, including names suggesting that an investment company focuses its investments in a particular country or geographic region.

The rule generally requires that the 80% investment requirement either may be a fundamental policy of an investment company affected by the rule, or the investment company may adopt a policy to provide notice to shareholders at least 60 days prior to any change in its 80% investment policy. Additionally, an investment company with a name suggesting that it focuses its investments in a particular country or geographic region must disclose in its prospectus the specific criteria that are used to select investments that meet this standard, in order for its name not to be deemed misleading under the rule.

As explained in the Adopting Release, certain provisions of rule 35d-1 contain "collection of information" requirements within the meaning of the Paperwork Reduction Act of 1995 [44 U.S.C. 3501 *et seq.*].<sup>2</sup> In the Adopting Release, the Commission estimated the burden hours for these collection of information requirements and solicited comments on the collection of information requirements and the burden estimate. The Commission submitted the proposed collection of information requirements to OMB for review in accordance with 44 U.S.C.

<sup>1</sup> Investment Company Act Release No. 24828 (Jan. 17, 2001) [66 FR 8509 (Feb. 1, 2001), correction 66 FR 14828 (Mar. 14, 2001)] ("Adopting Release"). All references to "rule 35d-1" or any paragraph of the rule are to 17 CFR 270.35d-1, as adopted by the Adopting Release.

<sup>2</sup> See Adopting Release, *supra* note 1, 66 FR at 8516-8518.

3507 and 5 CFR 1320.11. The titles for the collections of information are: (1) "Rule 35d-1 under the Investment Company Act of 1940, Investment Company Names"; (2) "Form N-1A under the Investment Company Act of 1940 and Securities Act of 1933, Registration Statement of Open-End Management Investment Companies"; and (3) "Form N-2 under the Investment Company Act of 1940 and Securities Act of 1933, Registration Statement of Closed-End Management Companies." The Commission did not receive any comments on the collection of information requirements of rule 35d-1.

The purpose of the notice policy provision of rule 35d-1 is to ensure that when shareholders purchase shares in an investment company based on its name, and with the expectation that it will follow the investment policy suggested by that name, they will have sufficient time to decide whether to redeem their shares in the event that the investment company decides to pursue a different investment policy. The Commission estimates that the total annual burden of this notice policy provision will be 480 hours.<sup>3</sup>

The purpose of the prospectus disclosure requirement of rule 35d-1 applicable to investment companies with names suggesting an investment focus in a particular country or geographic region is to enable investors to make more informed choices about their investments in investment companies with such names. The likely respondents to this information collection are open-end management investment companies or series registering with the Commission on Form N-1A and closed-end management investment companies registering with the Commission on Form N-2. The Commission estimates that the total annual burden of this disclosure requirement will be 404 hours for open-end management investment companies or series filing post-effective amendments or initial registration statements on Form N-1A, and 52 hours for closed-end management investment companies filing registration statements on Form N-2.<sup>4</sup>

<sup>3</sup> The Commission estimates that 24 investment companies and series would provide prior notice to shareholders of a change in their investment policies pursuant to a notice policy adopted in accordance with rule 35d-1, and that the annual burden for each such investment company or series would be 20 hours, for a total annual burden of 480 hours. See Adopting Release, *supra* note 1, 66 FR at 8517.

<sup>4</sup> The Commission estimates that 202 open-end management investment companies or series that file post-effective amendments or initial registration
