**SUPPLEMENTARY INFORMATION:**

**A. Purpose**

The General Services Administration (GSA) has various mission responsibilities related to the acquisition and provision of supplies, transportation, ADP, telecommunications, real property management, and disposal of real and personal property. These mission responsibilities generate requirements that are realized through the solicitation and award of public contracts. Individual solicitations and resulting contracts may impose unique information collection/reporting requirements on contractors, not required by regulation, but necessary to evaluate particular program accomplishments and measure success in meeting special program objectives.

**ADDRESSES:** Comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, should be submitted to: Edward Springer, GSA Desk Officer, Room 3235, NEOB, Washington, DC 20503, and to Stephanie Morris, General Services Administration (MVP), 100 F Street NW., Washington, DC 20405.

**SUPPLEMENTARY INFORMATION:**

**A. Purpose**

The GSA is requesting the Office of Management and Budget (OMB) to reinstate information collection, 3090-0040, concerning Application for Shipping Instructions and Notice of Availability. This information collection supports and justifies the markup of the six percent surcharge for the GSA export reimbursable program. It also is used to evaluate and obtain the best cube utilization of shipping vans and containers for export direct delivery shipments. The form contains data necessary to prepare Transportation Control and Movement Documents (TCMD) which are required when material enters the Defense Transportation System.
