SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-97988; File No. SR-CboeEDGA-2023-012]

Self-Regulatory Organizations; Cboe EDGA Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend Exchange Rules To Provide Users With a Risk Setting They May Elect To Apply to Their Orders That Will Allow Them To Reject Market Orders During Continuous Trading and/or Auctions

July 25, 2023.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on July 14, 2023, Cboe EDGA Exchange, Inc. (the "Exchange" or "EDGA") filed with the Securities and Exchange Commission ("Commission") the proposed rule

change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

Cboe EDGA Exchange, Inc. ("EDGA" or the "Exchange") is filing with the Securities and Exchange Commission (the "Commission") a proposal to amend Interpretation and Policy .01 to Rule 11.10 in connection with a risk setting that Users³ may elect to apply to their orders that will allow them to reject market orders during continuous trading and/or auctions.⁴ The text of the proposed rule change is provided in Exhibit 5.

The text of the proposed rule change is also available on the Exchange's website (http://markets.cboe.com/us/equities/regulation/rule_filings/edga/), at the Exchange's Office of the Secretary, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this proposal is to amend Interpretation and Policy .01 to Rule 11.10 to allow the Exchange to offer its Users the ability to apply a risk setting to their orders that will allow them to reject market orders during continuous trading or auctions ("Market Order Check"). Pursuant to Interpretation and Policy .01 to Rule 11.10, the Exchange currently offers

certain optional risk settings applicable to a User's activities on the Exchange. Specifically, pursuant to Interpretation and Policy .01(c), the Exchange currently provides Users with the controls to restrict order types or modifiers that can be utilized (including pre-market, post-market, short sales, ISOs, and Directed ISOs). When utilized, this optional risk tool acts as a risk filter by evaluating a User's orders to determine whether the orders comply with certain criteria established by the User.

Based on feedback from its Members, the Exchange now seeks to expand this risk setting to allow a User to restrict additional order types from being entered—market orders during continuous trading and/or market orders during auctions ("Market Order Check").⁵ The Market Order Check will reside at a User's port level, a User-specific logical session used to access the Exchange. A User may utilize the Market Order Check to control the acceptance of, or rejection of, its inbound market orders. Similarly, a Sponsoring Member⁶ may utilize the check to control the acceptance of, or rejection of, its Sponsored Participants⁷ inbound market orders. Specifically, when utilized the Market Order Check will allow a User to (1) permit market orders; (2) reject market orders during continuous trading and allow market orders during auctions; or (3) reject market orders during continuous trading and also during auctions. In the case of Sponsored Participants, the Sponsoring Member will be responsible for their

⁵ The Exchange notes that the proposed Market Order Check will treat a Market Order with a Stop Price as a regular market order. See Rule 11.8(a), where the term Market Order is defined as "An order to buy and sell a stated amount of a security that is to be executed at the NBBO or better when the order reaches the Exchange"; see also Rule 11.8(a)(1), where the term "Stop Price" is defined as "An order may include a Stop Price which will convert the order into a Market Order when the Stop Price is triggered. An order to buy converts to a Market Order when the consolidated last sale in the security occurs at, or above, the specified Stop Price. An order to sell converts into a Market Order when the consolidated last sale in the security occurs at, or below, the specified Stop Price."

⁶ The term "Sponsoring Member" shall mean a broker-dealer that has been issued a membership by the Exchange who has been designated by a Sponsored Participant to execute, clear and settle transactions resulting from the System. The Sponsoring Member shall be either (i) a clearing firm with membership in a clearing agency registered with the Commission that maintains facilities through which transactions may be cleared or (ii) a correspondent firm with a clearing arrangement with any such clearing firm. See Rule 1.5(aa), definition of, "Sponsoring Member".

⁷ The term "Sponsored Participant" shall mean a person which has entered into a sponsorship arrangement with a Sponsoring Member pursuant to Rule 11.3. See Rule 1.5(z), definition of, "Sponsored Participant".

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

³ A User is any Member or Sponsored Participant who is authorized to obtain access to the System pursuant to Rule 11.3. See Rule 1.5(ee).

⁴ The Exchange plans to implement the proposed rule change on a date that will be circulated in a notice from the Cboe Trade Desk to all Members.
