Regulation D Rule 506(e) Felons and Other  
Bad Actors Disclosure Statement; OMB  
Control No. 3235-704, SEC File No. 270-  
654.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget ("OMB") the following request for an extension of the previously approved collection of information discussed below.

Regulation 506(e) of Regulation D (17 CFR 230.506(e)) under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*) requires the issuer to furnish to each purchaser, a reasonable time prior to sale, a description of any matters that would have triggered disqualification under Rule 506(d)(1) of Regulation D, except that these disqualifying events occurred before September 23, 2013. The written disclosure statement required under Rule 506(e) is not filed with the Commission, but serves as an important investor protection tool to inform investors of an issuer's and its covered persons, involvement in past "bad actor" disqualifying events such as pre-existing criminal convictions, court injunctions, disciplinary proceedings, and other sanctions enumerated in Rule

506(d). Without the mandatory written statement requirements set forth in Rule 506(e), purchasers may have the impression that all bad actors are disqualified from participation in Rule 506 offerings.

We estimate there are 19,908 respondents that will conduct a one-hour factual inquiry to determine whether the issuer and its covered persons have had pre-existing disqualifying events before September 23, 2013. Of those 19,908 respondents, we estimate that 220 respondents with disqualifying events will spend ten hours to prepare a disclosure statement describing the matters that would have triggered disqualification under 506(d)(1) of Regulation D, except that these disqualifying events occurred before September 23, 2013, the effective date of the Rule 506 amendments. An estimated 2,200 burden hours are attributed to the 220 respondents with disqualifying events in addition to the 19,908 burden hours associated with the one-hour factual inquiry. In sum, the total annual increase in paperwork burden for all affected respondents to comply with the Rule 506(e) disclosure statement is estimated to be approximately 22,108 hours of company personnel time.

Form S-11, OMB Control No. 3235-0067,  
SEC File No. 270-064.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Form S-11 (17 CFR 239.18) is the registration statement form used to register securities issued in real estate investment trusts by issuers whose business is primarily that of acquiring and holding investment interest in real estate under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*). The information filed with the Commission permits verifications of compliance with securities law requirements and assures public availability. We estimate that Form S-11 takes approximately 779.04 hours per response and is filed by approximately 100 issuers annually. In addition, we estimate that 25% of the 779.04 hours per response (194.76 hours) is prepared by the issuer for annual reporting burden of 19,476 hours (194.76 hours per response × 100 responses).

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information collection information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.
