COMMITTEE FOR PURCHASE FROM PEOPLE WHO ARE BLIND OR SEVERELY DISABLED

Procurement List; Additions and Deletions

AGENCY: Committee for Purchase From People Who Are Blind or Severely Disabled.

ACTION: Additions to the Procurement List.

SUMMARY: This action adds service(s) to the Procurement List that will be furnished by nonprofit agencies employing persons who are blind or have other severe disabilities.

DATES: *Date added to and deleted from the Procurement List:* March 25, 2023.

ADDRESSES: Committee for Purchase From People Who Are Blind or Severely

Disabled, 355 E Street SW, Suite 315, Washington, DC 20024.

FOR FURTHER INFORMATION CONTACT: Michael R. Jurkowski, Telephone: (703) 785-6404, or email CMTEFedReg@AbilityOne.gov.

SUPPLEMENTARY INFORMATION:

Additions

On 10/28/2022, the Committee for Purchase From People Who Are Blind or Severely Disabled published notice of proposed additions to the Procurement List. This notice is published pursuant to 41 U.S.C. 8503 (a)(2) and 41 CFR 51-2.3.

After consideration of the material presented to it concerning capability of qualified nonprofit agencies to provide the service(s) and impact of the additions on the current or most recent contractors, the Committee has determined that the service(s) listed below are suitable for procurement by the Federal Government under 41 U.S.C. 8501-8506 and 41 CFR 51-2.4.

Regulatory Flexibility Act Certification

I certify that the following action will not have a significant impact on a substantial number of small entities. The major factors considered for this certification were:

1. The action will not result in any additional reporting, recordkeeping or other compliance requirements for small entities other than the small organizations that will furnish the product(s) and service(s) to the Government.

2. The action will result in authorizing small entities to furnish the product(s) and service(s) to the Government.

3. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-O'Day Act (41 U.S.C. 8501-8506) in connection with the product(s) and service(s) proposed for addition to the Procurement List.

End of Certification

Accordingly, the following service(s) are added to the Procurement List:

Service(s)

Service Type: Custodial Service
Mandatory for: U.S. Railroad Retirement

Board, U.S. Railroad Retirement Board Headquarters, Chicago, IL

Designated Source of Supply: Bona Fide Conglomerate, Inc., El Cajon, CA

Contracting Activity: RAILROAD RETIREMENT BOARD, RRB—ACQUISITION MGMT DIVISION

The Committee finds good cause to dispense with the 30-day delay in the

effective date normally required by the Administrative Procedure Act. See 5 U.S.C. 553(d). This addition to the Committee's Procurement List is effectuated because of the expiration of the Railroad Retirement Board Headquarters, Chicago, IL contract. The Federal customer contacted and has worked diligently with the AbilityOne Program to fulfill this service need under the AbilityOne Program. To avoid performance disruption, and the possibility that the Railroad Retirement Board will refer its business elsewhere, this addition must be effective on February 28, 2023, ensuring timely execution for a March 1, 2023 start date while still allowing 5 days for comment. The Committee also published a notice of proposed Procurement List addition in the **Federal Register** on October 28, 2022 and did not receive any comments from any interested persons. This addition will not create a public hardship and has limited effect on the public at large, but, rather, will create new jobs for other affected parties—people with significant disabilities in the AbilityOne program who otherwise face challenges locating employment. Moreover, this addition will enable Federal customer operations to continue without interruption.

Michael R. Jurkowski,

Acting Director, Business Operations.

SUPPLEMENTARY INFORMATION: Under the PRA, 44 U.S.C. 3501 *et seq.*, Federal agencies must obtain approval from the Office of Management and Budget (“OMB”) for each collection of information they conduct or sponsor. “Collection of Information” is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3 and includes agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA, 44 U.S.C. 3506(c)(2)(A), requires a Federal agency to provide a 60-day notice in the **Federal Register** concerning each proposed collection of information, including each proposed extension of an existing collection of information before submitting the collection to OMB for approval. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB number.¹ To comply with these requirements, the CFTC is publishing notice of the proposed extension of the

currently approved collection of information listed below.

Title: Procedural Requirements for Requests for Interpretative, No-Action, and Exemptive Letters (OMB Control No. 3038–0049). This is a request for an extension of a currently approved information collection.

Abstract: This collection covers the information requirements for voluntary requests for, and the issuance of, interpretative, no-action, and exemptive letters submitted to Commission staff pursuant to the provisions of section 140.99 of the Commission’s regulations,² and related requests for confidential treatment pursuant to section 140.98(b)³ of the Commission’s regulations.

The collection requirements described herein are voluntary. They apply to parties that choose to request a benefit from Commission staff in the form of the regulatory action described in section 140.99. Such benefits may include, for example, relief from some or all of the burdens associated with other collections of information, relief from regulatory obligations that do not constitute collections of information, interpretations, or extensions of time for compliance with certain Commission regulations. It is likely that persons who would opt to request action under section 140.99 will have determined that the information collection burdens that they would assume by doing so will be outweighed substantially by the relief that they seek to receive.

This information collection is necessary, and would be used, to assist Commission staff in understanding the type of relief that is being requested and the basis for the request. It is also necessary, and would be used, to provide staff with a sufficient basis for determining whether: (1) granting the relief would be necessary or appropriate under the facts and circumstances presented by the requestor; (2) the relief provided should be conditional and/or time-limited; and (3) granting the relief would be consistent with staff responses to requests that have been presented under similar facts and circumstances. In some cases, the requested relief might be granted upon the condition that those who seek the benefits of that relief fulfill certain conditions that are necessary to ensure that the relief granted by Commission staff is appropriate. Once again, it is likely that those who would comply with these conditions will have determined that the burden of
