Abstract: The Department of Veterans Affairs (VA), through its Veterans Benefits Administration (VBA), administers an integrated program of benefits and services, established by law, for veterans, service personnel, and their dependents and/or beneficiaries. Title 38 U.S.C. 5101(a) provides that a specific claim in the form provided by the Secretary must be filed in order for benefits to be paid to any individual under the laws administered by the Secretary. VA Form 21P–509 is the prescribed form to gather income and dependency information from claimants who are seeking payment of benefits as, or for, a dependent parent. This information is necessary to determine dependency of the parent and make determinations which affect the payment of monetary benefits. VA Form 21P–509 is used by a Veteran seeking to establish their parent(s) as dependent(s), and by a surviving parent seeking death

compensation. Without this information, determination of entitlement would not be possible. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. The **Federal Register** Notice with a 60-day comment period soliciting comments on this collection of information was published at 85 FR 213 on November 3, 2020, page 69696.

Joint Biomedical Laboratory Research and Development and Clinical Science Research and Development Services Scientific Merit Review Board, Amended Notice of Meeting

The Department of Veterans Affairs (VA) gives notice under Federal Advisory Committee Act, 5 U.S.C. App.2, that a meeting of the Joint Biomedical Laboratory Research and Development and Clinical Science Research and Development Services Scientific Merit Review Board (JBL/CS SMRB) will be held Wednesday, January 6, 2021, via WebEx. The meeting will begin at 3:00 p.m. and end at 5:00 p.m. Eastern daylight time. The meeting will have an open session from 3:00 p.m. until 3:30 p.m. and a closed session from 3:30 p.m. until 5:00 p.m.

The purpose of the open session is to meet with the JBL/CS Service Directors to discuss the overall policies and process for scientific review, as well as disseminate information among the Board members regarding the VA research priorities.

The purpose of the closed session is to provide recommendations on the scientific quality, budget, safety and mission relevance of investigator-initiated research applications submitted for VA merit review evaluation. Applications submitted for review include various medical specialties within the general areas of biomedical, behavioral and clinical science research. The JBL/CS SMRB meeting will be closed to the public for the review, discussion, and evaluation of initial and renewal research applications, which involve reference to staff and consultant critiques of research applications. Discussions will deal with scientific merit of each application and qualifications of personnel conducting the studies, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy. Additionally, premature disclosure of research information could significantly obstruct implementation of proposed agency action regarding the research applications. As provided by subsection 10(d) of Public Law 92–463, as amended by Public Law 94–409, closing the subcommittee meetings is in accordance with Title 5 U.S.C. 552b(c) (6) and (9)(B).

Members of the public who wish to attend the open JBL/CS SMRB meeting should join via WebEx at: Meeting number (access code) 199 877 4715, meeting password: 5WDkEzAG?48. <https://veteransaffairs.webex.com/webappng/sites/veteransaffairs/meeting/download/28f6da1fcb6a4eb9b65f249b841ff391?siteurl=veteransaffairs&MTID=md9552f12d41ecc3645d2e9a6258fdd61>. Those who would like to obtain a copy of the minutes from the closed subcommittee meetings and rosters of the subcommittee members should contact Pauline Cilladi-Rehrer, MSBA, Designated Federal Officer, (14RD), Department of Veterans Affairs, 810 Vermont Avenue NW, Washington, DC 20420, at 202–443–5607 or at Pauline.Cilladi-Rehrer@va.gov.

Dated: January 6, 2021.

LaTonya L. Small,

Federal Advisory Committee Management Officer.
