SUPPLEMENTARY INFORMATION:

The Petition

On June 25, 2015, the Department of Commerce (the Department) received an antidumping duty (AD) petition concerning imports of certain hydrofluorocarbon blends and certain single hydrofluorocarbon components thereof (HFCs) from the People's Republic of China (PRC), filed in proper form on behalf of the American HFC Coalition and its individual members,¹

¹ The individual members of the American HFC Coalition are: Amtrol Inc., Arkema Inc., The

as well as District Lodge 154 of the International Association of Machinists and Aerospace Workers (collectively, the petitioners).² The petitioners are either domestic manufacturers or blenders of HFCs, or a union representing the HFC industry.³

On June 30, 2015, the Department requested additional information and clarification of certain areas of the Petition.⁴ The petitioners filed responses to these requests on July 6, 2015, July 7, 2015, and July 14, 2015.⁵

In accordance with section 732(b) of the Tariff Act of 1930, as amended (the Act), the petitioners allege that imports of HFCs from the PRC are being, or are likely to be, sold in the United States at less than fair value within the meaning of section 731 of the Act, and that such imports are materially injuring, or threatening material injury to, an industry in the United States. Also, consistent with section 732(b)(1) of the Act and 19 CFR 351.202(b), the Petition is accompanied by information

The Department finds that the petitioners filed the Petition on behalf of the domestic industry because the petitioners are interested parties as defined in sections 771(9)(C), (D), and (F) of the Act. The Department also finds that the petitioners demonstrated sufficient industry support with respect to the initiation of this AD investigation.⁶

The products covered by this investigation are blended HFCs and certain single HFC components of those blends thereof, from the PRC. For a full description of the scope of this investigation, see the "Scope of the Investigation," in Appendix I of this notice.
