A person or party who wishes to protest one or more plats of survey identified above must file a written notice of protest with the State Director for the BLM in Alaska. The protest may be filed by mailing to BLM State Director, Alaska State Office, Bureau of Land Management, 222 West 7th Avenue, Anchorage, AK 99513 or by delivering it in person to BLM Alaska Public Information Center, Fitzgerald Federal Building, 222 West 7th Avenue, Anchorage, Alaska. The notice of protest must identify the plat(s) of survey that the person or party wishes to protest. You must file the notice of protest before the scheduled date of official filing for the plat(s) of survey being protested. The BLM will not consider any notice of protest filed after the scheduled date of official filing. A notice of protest is considered filed on the date it is received by the State Director for the BLM in Alaska during regular business hours; if received after regular business hours, a notice of protest will be considered filed the next business day. A written statement of reasons in support of a protest, if not filed with the notice of protest, must be filed with the State Director for the BLM in Alaska within 30 calendar days after the notice of protest is filed.

If a notice of protest against a plat of survey is received prior to the scheduled date of official filing, the official filing of the plat of survey identified in the notice of protest will be stayed pending consideration of the protest. A plat of survey will not be officially filed until the dismissal or resolution of all protests of the plat.

Before including your address, phone number, email address, or other personally identifiable information in a notice of protest or statement of reasons, you should be aware that the documents you submit, including your personally identifiable information, may be made publicly available in their entirety at any time. While you can ask the BLM to withhold your personally identifiable information from public review, we cannot guarantee that we will be able to do so.

Authority: 43 U.S.C. chap. 3.

Thomas O'Toole,

Chief Cadastral Surveyor, Alaska.

## DEPARTMENT OF JUSTICE

### Notice of Lodging of Two Proposed Consent Decrees Under the Clean Water Act

On April 7, 2022, the Department of Justice lodged two proposed consent decrees with the United States District Court for the Northern District of Indiana in the lawsuit entitled *United States of America and the State of Indiana v. the Sanitary District of Highland and the Town of Griffith, Indiana*, Civil Action No. 2:22-cv-00086.

The United States and the State of Indiana filed this lawsuit under the Clean Water Act against the Sanitary District of Highland, Indiana and the Town of Griffith, Indiana. The complaint seeks injunctive relief and civil penalties for violations of the regulations that govern discharges of pollutants to waters of the State and United States. The Complaint alleges that both Highland and Griffith had numerous illegal discharges of sanitary sewage from their sanitary sewer systems and that both defendants failed to comply with an EPA administrative order under the Clean Water Act.

The United States and the State of Indiana reached two separate consent decrees with Highland and Griffith. The consent decree with Highland requires it to make improvements designed to eliminate sanitary sewer overflows by 2033 and pay a \$175,000 civil penalty. The consent decree with the Town of Griffith requires it to make improvements designed to eliminate sanitary sewer overflows by 2026 and pay a \$33,000 civil penalty.

The publication of this notice opens a period for public comment on each consent decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and should refer to *United States of America and the State of Indiana v. the Sanitary District of Highland and the Town of Griffith, Indiana*, D.J. Ref. Nos. 90-5-1-1-3308/4 and 90-5-1-1-3308/3. All comments must be submitted no later than thirty (30) days after the publication date of this notice. Comments may be submitted either by email or by mail:

To submit comments:	Send them to:
By email .....	pubcomment-ees.enrd@usdoj.gov.
By mail .....	Assistant Attorney General, U.S. DOJ—ENRD, P.O. Box 7611, Washington, DC 20044-7611.

During the public comment period, the consent decree may be examined and downloaded at this Justice Department website: <https://www.justice.gov/enrd/consent-decrees>. We will provide a paper copy of the consent decree upon written request and payment of reproduction costs. Please mail your request and payment to: Consent Decree Library, U.S. DOJ—ENRD, P.O. Box 7611, Washington, DC 20044-7611.

Please enclose a check or money order for \$16.75 for the Highland Consent Decree or \$16.75 for the Griffith Consent Decree (25 cents per page reproduction cost) payable to the United States Treasury.

Patricia McKenna,

Assistant Section Chief, Environmental Enforcement Section, Environment and Natural Resources Division.

## DEPARTMENT OF LABOR

### Agency Information Collection Activities; Submission for OMB Review; Comment Request; Petitions for Modification of Mandatory Safety Standards

**ACTION:** Notice of availability; request for comments.

**SUMMARY:** The Department of Labor (DOL) is submitting this Mine Safety and Health Administration (MSHA)-sponsored information collection request (ICR) to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995 (PRA). Public comments on the ICR are invited.

**DATES:** The OMB will consider all written comments that the agency receives on or before May 12, 2022.

**ADDRESSES:** Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to [www.reginfo.gov/public/do/PRAMain](http://www.reginfo.gov/public/do/PRAMain). Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function.

Comments are invited on: (1) Whether the collection of information is necessary for the proper performance of the functions of the Department, including whether the information will have practical utility; (2) if the information will be processed and used in a timely manner; (3) the accuracy of

the agency's estimates of the burden and cost of the collection of information, including the validity of the methodology and assumptions used; (4) ways to enhance the quality, utility and clarity of the information collection; and (5) ways to minimize the burden of the collection of information on those who are to respond, including the use of automated collection techniques or other forms of information technology.

**FOR FURTHER INFORMATION CONTACT:**

Nora Hernandez by telephone at 202–693–8633, or by email at [DOL\\_PRA\\_PUBLIC@dol.gov](mailto:DOL_PRA_PUBLIC@dol.gov).

**SUPPLEMENTARY INFORMATION:**

In accordance with Section 103(h) of the Federal Mine Safety and Health Act of 1977 (Mine Act) and under 30 CFR 44.9, operators of mines for which there is no representative of miners must post a copy of each petition for modification concerning the mine on the mine bulletin board and maintain the posting until a ruling on the petition becomes final. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on December 10, 2021 (86 FR 70535).

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless the OMB approves it and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid OMB Control Number. See 5 CFR 1320.5(a) and 1320.6.

DOL seeks PRA authorization for this information collection for three (3) years. OMB authorization for an ICR cannot be for more than three (3) years without renewal. The DOL notes that information collection requirements submitted to the OMB for existing ICRs receive a month-to-month extension while they undergo review.
