[Docket No. RP01–245–002]

Transcontinental Gas Pipe Line Corporation; Notice of Refund Report

July 31, 2001.

Take notice that on July 16, 2001 Transcontinental Gas Pipe Line Corporation (Transco) tendered for filing with the Commission a refund report showing that on June 22, 2001, Transco submitted refunds/surcharges to the affected SunBelt expansion shippers in Docket No. RP01–245–001. Transco states that the total refund/surcharge amount, including interest, was $277.82.

Transco states that copies of the filing are being mailed to the affected SunBelt expansion shippers and interested State Commissions.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests must be filed on or before August 7, 2001. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Copies of this filing are on file with the Commission and are available for public inspection. This filing may also be viewed on the web at *http://www.ferc.gov* using the ''RIMS'' link, select ''Docket#'' and follow the instructions (call 202–208–2222 for assistance). Comments, protests and interventions may be filed electronically via the Internet in lieu of paper. See, 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's web site under the ''e-Filing'' link.

David P. Boergers,

Secretary

[Docket No. RP01–446–001]

Williston Basin Interstate Pipeline Company; Notice of Compliance Filing

July 31, 2001.

Take notice that on July 20, 2001, Williston Basin Interstate Pipeline Company (Williston Basin) tendered for filing its response to the Commission's Order issued July 3, 2001 in Docket No. RP01–446–000.

On July 3, 2001, the Commission issued its Order in the above referenced docket. That Order accepted Williston Basin's proposed tariff sheets to be effective July 4, 2001, subject to Williston Basin making a compliance filing to address the conditions of the Order. The instant filing is being made in compliance with the provisions of that Order.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests must be filed in accordance with Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Copies of this filing are on file with the Commission and are available for public inspection. This filing may also be viewed on the web at *http://www.ferc.gov* using the ''RIMS'' link, select ''Docket#'' and follow the instructions (call 202–208–2222 for assistance). Comments, protests and interventions may be filed electronically via the Internet in lieu of paper. See, 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's web site under the ''e-Filing'' link.

Federal Energy Regulatory Commission

[Docket No. EG01–267–000, et al.]

Ameren Energy Generating Company, et al.; Electric Rate and Corporate Regulation Filings

July 30, 2001.

Take notice that the following filings have been made with the Commission:

1. Ameren Energy Generating Company

[Docket No. EG01–267–000]

Take notice that on July 24, 2001, Ameren Energy Generating Company (AEG), One Ameren Plaza, 1901 Chouteau Plaza, P.O. Box 66149, St. Louis, Missouri, 63166–6149, filed with the Federal Energy Regulatory Commission (Commission) an application for determination of continuing exempt wholesale generator status pursuant to Part 365 of the Commission's Regulations.

AEG states that it acquired the following units, which began commercial operations within the last 60 days, as further detailed in the application: Kinmundy, Illinois Unit No. 2; Pinckneyville, Illinois Unit Nos. 5, 6, and 7; and Columbia, Missouri Unit Nos. 2, 3, and 4. In addition, AEG has also repowered one coal-fired steam-electric generating unit at its Grand Tower, Illinois facility with a gas-fired combustion turbine, the commercial operation date of which was June 29, 2001. AEG states that all of the electric energy from these facilities will be sold at wholesale.
