

should consider the cylinder unsafe and not fill it with a hazardous material unless the cylinder is first properly requalified by a DOT-authorized requalification facility. Cylinders described in this safety advisory that are filled with an atmospheric gas should be vented or otherwise safely discharged and then taken to a DOT-authorized cylinder requalification facility for proper requalification to determine compliance with the HMR and their suitability for continuing service. Cylinders described in this safety advisory that are filled with a material other than an atmospheric gas should not be vented, but instead should be safely discharged, and then taken to a DOT-authorized cylinder requalification facility for proper test to determine compliance with the HMR and their suitability for continuing service. Mr. Billy C. Hines, Jr., Chief, Southwest Region, can provide a list of authorized requalification facilities in your area, or you may obtain the list at the following Web site: <http://hazmat.dot.gov>. Under no circumstance should a cylinder described in this safety advisory be filled, refilled or used for its intended purpose until it is re-inspected and requalified by a DOT-authorized requalification facility.

PHMSA requests that any person possessing a cylinder described in this safety advisory telephone or provide a facsimile to Mr. Hines with the following information for each cylinder: (1) The cylinder manufacturer's name, (2) the serial number of the cylinder, (3) the DOT specification or special permit information for the cylinder, and (4) the month and year of the last requalification date marked by CSSI.

Issued in Washington, DC, on December 18, 2006.

**Robert A. McGuire,**

*Associate Administrator for Hazardous Materials Safety.*

BILLING CODE 4910-60-P

## DEPARTMENT OF TRANSPORTATION

### Surface Transportation Board

[STB Docket No. AB-290 (Sub-No. 272X)]

#### Norfolk Southern Railway Company— Abandonment Exemption—in McDowell County, WV

Norfolk Southern Railway Company (NSR) has filed a notice of exemption under 49 CFR 1152 Subpart F—*Exempt Abandonments* to abandon a 2.5-mile line of railroad between milepost CB 0.0 and milepost CB 2.5, in Caretta, in McDowell County, WV. The line

traverses United States Postal Service Zip Code 24892 and includes the former station of Juno.

NSR has certified that: (1) No local traffic has moved over the line for at least 2 years; (2) overhead traffic, if there were any, could be rerouted over other lines; (3) no formal complaint filed by a user of rail service on the line (or by a state or local government entity acting on behalf of such user) regarding cessation of service over the line either is pending with the Surface Transportation Board or with any U.S. District Court or has been decided in favor of complainant within the 2-year period; and (4) the requirements at 49 CFR 1105.7 (environmental reports), 49 CFR 1105.8 (historic reports), 49 CFR 1105.11 (transmittal letter), 49 CFR 1105.12 (newspaper publication), and 49 CFR 1152.50(d)(1) (notice to governmental agencies) have been met.

As a condition to this exemption, any employee adversely affected by the abandonment shall be protected under *Oregon Short Line R. Co.—Abandonment—Goshen*, 360 I.C.C. 91 (1979). To address whether this condition adequately protects affected employees, a petition for partial revocation under 49 U.S.C. 10502(d) must be filed.

Provided no formal expression of intent to file an offer of financial assistance (OFA) has been received, this exemption will be effective on January 25, 2007, unless stayed pending reconsideration. Petitions to stay that do not involve environmental issues,<sup>1</sup> formal expressions of intent to file an OFA under 49 CFR 1152.27(c)(2),<sup>2</sup> and trail use/rail banking requests under 49 CFR 1152.29 must be filed by January 5, 2007. Petitions to reopen or requests for public use conditions under 49 CFR 1152.28 must be filed by January 16, 2007, with: Surface Transportation Board, 1925 K Street, NW., Washington, DC 20423-0001.

A copy of any petition filed with the Board should be sent to NSR's representative: James R. Paschall, Senior General Attorney, Norfolk Southern Corporation, Three Commercial Place, Norfolk, VA 23510.

<sup>1</sup> The Board will grant a stay if an informed decision on environmental issues (whether raised by a party or by the Board's Section of Environmental Analysis (SEA) in its independent investigation) cannot be made before the exemption's effective date. See *Exemption of Out-of-Service Rail Lines*, 5 I.C.C.2d 377 (1989). Any request for a stay should be filed as soon as possible so that the Board may take appropriate action before the exemption's effective date.

<sup>2</sup> Each OFA must be accompanied by the filing fee, which currently is set at \$1,300. See 49 CFR 1002.2(f)(25).

If the verified notice contains false or misleading information, the exemption is void *ab initio*.

NSR has filed environmental and historic reports which address the effects, if any, of the abandonment on the environment and historic resources. SEA will issue an environmental assessment (EA) by December 29, 2006. Interested persons may obtain a copy of the EA by writing to SEA (Room 500, Surface Transportation Board, Washington, DC 20423-0001) or by calling SEA, at (202) 565-1539. [Assistance for the hearing impaired is available through the Federal Information Relay Service (FIRS) at 1-800-877-8339.] Comments on environmental and historic preservation matters must be filed within 15 days after the EA becomes available to the public.

Environmental, historic preservation, public use, or trail use/rail banking conditions will be imposed, where appropriate, in a subsequent decision.

Pursuant to the provisions of 49 CFR 1152.29(e)(2), NSR shall file a notice of consummation with the Board to signify that it has exercised the authority granted and fully abandoned the line. If consummation has not been effected by NSR's filing of a notice of consummation by December 26, 2007, and there are no legal or regulatory barriers to consummation, the authority to abandon will automatically expire.

Board decisions and notices are available on our Web site at <http://www.stb.dot.gov>.

Decided: December 18, 2006.

By the Board, David M. Konschnik,  
Director, Office of Proceedings.

**Vernon A. Williams,**  
*Secretary.*
