RIN 1505-AA92

Community Development Financial Institutions Program

AGENCY: Community Development Financial Institutions Fund, Department of the Treasury.

ACTION: Revised interim rule with request for comment.

SUMMARY: The Department of the Treasury is issuing a revised interim rule implementing the Community Development Financial Institutions Program (CDFI Program) administered by the Community Development Financial Institutions Fund (Fund). The mission of the CDFI Fund is to increase the capacity of financial institutions to provide capital, credit and financial services in underserved markets. Its long-term vision is an America in which all people have access to affordable credit, capital and financial services. The purpose of the CDFI Program is to promote economic revitalization and community development through investment in and assistance to Community Development Financial Institutions (CDFIs). Under the CDFI Program, the Fund provides financial assistance in the form of grants, loans, equity investments and deposits to CDFIs selected through a merit-based application process. The Fund provides financial assistance to CDFIs to enhance their ability to make loans and investments, and to provide related services for the benefit of designated investment areas, targeted populations, or both. In addition, through the CDFI Program, the Fund provides technical assistance grants to CDFIs and entities that propose to become CDFIs, for the purpose of increasing their capacity to serve their target markets.

This revised interim rule includes one revision that the Fund believes will inure to the benefit of CDFIs, CDFI Program applicants, and CDFI Program awardees. This revised interim rule includes a revised § 1805.504, Retained Earnings, which clarifies the use of retained earnings as matching funds for a financial assistance award.

DATES: Revised interim rule effective December 13, 2005; comments must be received in the offices of the Fund on or before February 13, 2006.

SUPPLEMENTARY INFORMATION:**I. Background**

The Fund was established as a wholly owned government corporation by the Community Development Banking and Financial Institutions Act of 1994, as amended (12 U.S.C. 4701 *et seq.*) (the Act). Subsequent legislation placed the Fund within the Department of the Treasury and gave the Secretary of the Treasury all powers and rights of the Administrator of the Fund as set forth in the Act.

The mission of the Fund is to increase the capacity of financial institutions to provide capital, credit and financial services in underserved markets. Its long-term vision is an America in which all people have access to affordable credit, capital and financial services. The Fund's programs are designed to facilitate the flow of lending and investment capital to distressed communities and to individuals who have been unable to take full advantage of the financial services industry. Access to credit, investment capital, and financial services are essential ingredients for creating and retaining jobs, developing affordable housing, revitalizing neighborhoods, unleashing the economic potential of small businesses, and empowering people.

The Fund was established to promote economic revitalization and community development through, among other

things, investment in and assistance to CDFIs, which specialize in serving underserved markets and the people who live there. CDFIs—while highly effective—are typically small in scale and often have difficulty raising the capital needed to meet the demands for their products and services. Through the CDFI Program, the Fund provides CDFIs with financial assistance in the form of grants, loans, equity investments, and deposits in order to enhance their ability to make loans and investments, and provide services for the benefit of designated investment areas, targeted populations or both. Additionally, many CDFIs are in formation or in the early stages of development in many markets underserved by traditional financial institutions, including rural and Native American communities. The CDFI Program assists such entities—as well as established CDFIs—by providing grants through which they may acquire technical assistance to build their capacity to serve their target markets. Applicants participate in the CDFI Program through a merit-based qualitative application and selection process in which the Fund makes funding decisions based on pre-established evaluation criteria. An entity generally receives financial assistance monies from the Fund only after being certified as a CDFI and entering into an assistance agreement with the Fund. These assistance agreements include performance goals, matching funds requirements and reporting requirements.

On May 11, 2004, the Fund published in the **Federal Register** a revised interim rule (69 FR 26260) implementing the CDFI Program (the current rule). The deadline for the submission of comments on the current rule was July 12, 2004.

II. Comments on the May 11, 2004 Interim Rule

By the close of the July 12, 2004 comment period, the Fund received no comments on the current rule.

III. Summary of Changes**Section 1805.504 Retained Earnings**

Section 1805.504 of the current rule contains the requirements for use of retained earnings as matching funds for a financial assistance award. This interim rule revises § 1805.504 by making consistent the requirements for a for-profit entity and a nonprofit entity (not including Insured Credit Unions or State-Insured Credit Unions). This revision is made for the purpose of ensuring that for-profit and nonprofit entities are treated the same. In

addition, this section is revised to clarify what the Fund means by retained earnings: specifically, an entity's operating income minus operating expenses less any dividend payments.

IV. Rulemaking Analysis

Executive Order (E.O.) 12866

It has been determined that this regulation is not a significant regulatory action as defined in Executive Order 12866. Therefore, a Regulatory Assessment is not required.

Regulatory Flexibility Act

Because no notice of proposed rule making is required for this revised interim rule, the provisions of the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*) do not apply.

Paperwork Reduction Act

The collections of information contained in this interim rule have been previously reviewed and approved by the Office of Management and Budget (OMB) in accordance with the Paperwork Reduction Act of 1995 and assigned OMB Control Numbers 1559-0006, 1559-0021, and 1559-0022. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid control number assigned by OMB. This document restates the collections of information without substantive change.

Comments concerning suggestions for reducing the burden of collections of information should be directed to the Deputy Director for Policy and Programs, Community Development Financial Institutions Fund, 601 13th Street, NW., Suite 200 South, Washington, DC 20005 and to the Office of Management and Budget, Attention: Desk Officer for the Department of the Treasury, Office of Information and Regulatory Affairs, Washington, DC 20503.

National Environmental Policy Act

Pursuant to Treasury Directive 75-02 (Department of the Treasury Environmental Quality Program), the Department has determined that these interim regulations are categorically excluded from the National Environmental Policy Act and do not require an environmental review.

Administrative Procedure Act

Because the revisions to this interim rule relate to loans and grants, notice and public procedure and a delayed effective date are not required pursuant to the Administrative Procedure Act found at 5 U.S.C. 553(a)(2).

Comment

Public comment is solicited on all aspects of this interim regulation. The Fund will consider all comments made on the substance of this interim regulation, but does not intend to hold hearings.

The purpose of the Community Development Financial Institutions Program is to promote economic revitalization and community development through investment in and assistance to Community Development Financial Institutions.

§ 1805.101 Summary.

Under the Community Development Financial Institutions Program, the Fund will provide financial and technical assistance to Applicants selected by the Fund in order to enhance their ability to make loans and investments and provide services. An Awardee must serve an Investment Area(s), Targeted Population(s), or both. The Fund will select Awardees to receive financial and technical assistance through a merit-based qualitative application process. Receipt of such equity investment, loan, or deposit does not disqualify a Community Development Financial Institution from receiving assistance under this part.

(4) The Fund shall require an entity to meet any additional eligibility requirements that the Fund deems appropriate.

In determining whether an Applicant has such a primary mission, the Fund will consider whether the activities of the Applicant are purposefully directed toward improving the social and/or economic conditions of underserved people (which may include Low-Income persons and persons who lack adequate access to capital and/or Financial Services) and/or residents of economically distressed communities (which may include Investment Areas).

(2) *Financing entity.* A CDFI shall be an entity whose predominant business activity is the provision, in arms-length transactions, of Financial Products, Development Services, and/or other similar financing. An Applicant may demonstrate that it is such an entity if it is a(n):

In conducting such analysis, the Fund may take into consideration an Applicant's total assets and its use of personnel.

(3) *Target Market.* (i) *General.* An Applicant may be found to serve a Target Market by virtue of serving one or more Investment Areas and/or Targeted Populations. An Investment Area shall meet specific geographic and other criteria described in paragraph (b)(3)(ii) of this section, and a Targeted Population shall meet the criteria described in paragraph (b)(3)(iii) in this section.

However, geographic units in Metropolitan Areas that are used to comprise an Investment Area shall be limited to census tracts, block groups and American Indian or Alaskan Native areas. An Applicant may designate one or more Investment Areas as part of a single application.

(C) *Designation.* An Applicant may designate an Investment Area by selecting:

(1) A geographic unit(s) which individually meets one of the criteria in paragraph (b)(3)(ii)(D) of this section; or

(3) The unemployment rate is at least 1.5 times the national average;

(4) In counties located outside of a Metropolitan Area, the county population loss during the period between the most recent decennial census and the previous decennial census is at least 10 percent; or

(5) In counties located outside of a Metropolitan Area, the county net migration loss during the five-year period preceding the most recent decennial census is at least five percent.

(E) *Unmet needs.* An Investment Area will be deemed to have significant unmet needs for loans or Equity Investments if a narrative analysis provided by the Applicant adequately demonstrate a pattern of unmet needs for Financial Products or Financial Services within such area(s).

(F) *Serving Investment Areas.* An Applicant may serve an Investment Area directly or through borrowers or investees that serve the Investment Area or provide significant benefits to its residents.

(iii) *Targeted Population.* (A) *General.* Targeted Population shall mean individuals, or an identifiable group of individuals, who are Low-Income persons or lack adequate access to Financial Products or Financial Services in the Applicant's service area. The members of a Targeted Population shall reside within the boundaries of the United States (which shall encompass any State of the United States, the District of Columbia or any territory of the United States, Puerto Rico, Guam, American Samoa, the Virgin Islands, and the Northern Mariana Islands).

(B) *Serving A Targeted Population.* An Applicant may serve the members of a Targeted Population directly or indirectly or through borrowers or investees that directly serve or provide significant benefits to such members.

(6) *Non-government.* A CDFI shall not be an agency or instrumentality of the United States, or any State or political subdivision thereof. An entity that is created by, or that receives substantial assistance from, one or more government entities may be a CDFI provided it is not controlled by such entities and maintains independent

decision-making power over its activities.

Subpart C—Use of Funds/Eligible Activities

The Fund may provide financial assistance through investment instruments described under subpart D of this part. Such financial assistance is intended to strengthen the capital position and enhance the ability of an Awardee to provide Financial Products and Financial Services.

Financial assistance provided under this part may be used by an Awardee to serve Investment Area(s) or Targeted Population(s) by developing or supporting, through lending, investing, enhancing liquidity, or other means of finance:

(3) Enhance the availability of products and services to Low-Income persons;

(c) Community Facilities;

(d) The provision of Financial Services;

(b) An Awardee may not distribute assistance to an Affiliate without the Fund's consent.

(c) Assistance provided upon approval of an application involving a Community Partnership shall only be distributed to the Awardee and shall not be used to fund any activities carried out by a Community Partner or an Affiliate of a Community Partner.

§ 1805.303 Technical assistance.

(a) The Fund may provide technical assistance to build the capacity of a CDFI or an entity that proposes to become a CDFI. Such technical assistance may include training for management and other personnel; development of programs, products and services; improving financial management and internal operations; enhancing a CDFI's community impact; or other activities deemed appropriate by the Fund. The Fund, in its sole discretion, may provide technical assistance in amounts, or under terms and conditions that are different from those requested by an Applicant. The Fund may not provide any technical assistance to an Applicant for the purpose of assisting in the preparation of an application. The Fund may provide technical assistance to a CDFI directly, through grants, or by contracting with organizations that possess the appropriate expertise.

(b) The Fund may provide technical assistance regardless of whether the recipient also receives financial assistance under this part. Technical assistance provided pursuant to this part is subject to the assistance limits described in § 1805.402.

(c) An Applicant seeking technical assistance must meet the eligibility requirements described in § 1805.200 and submit an application as described in § 1805.600.

(d) Applicants for technical assistance pursuant to this part will be evaluated pursuant to the merit-based qualitative review criteria in subpart G of this part, except as otherwise may be provided in the applicable Notice of Funds Availability. In addition, the requirements for matching funds are not applicable to technical assistance requests.

Subpart D—Investment Instruments

§ 1805.400 Investment instruments—general.

The Fund will provide financial assistance to an Awardee through one or more of the investment instruments described in § 1805.401, and under such terms and conditions as described in this subpart D. terms and conditions that are different from those requested by an Applicant.

§ 1805.401 Forms of investment instruments.

(a) *Equity.* The Fund may make nonvoting equity investments in an Awardee, including, without limitation, the purchase of nonvoting stock. Such stock shall be transferable and, in the discretion of the Fund, may provide for convertibility to voting stock upon transfer. The Fund shall not own more than 50 percent of the equity of an Awardee and shall not control its operations.

(b) *Grants.* The Fund may award grants.

(c) *Loans.* The Fund may make loans, if permitted by applicable law.

(a) Except as provided in paragraph (b) of this section, the Fund may not provide, pursuant to this part, more than \$5 million, in the aggregate, in financial and technical assistance to an Awardee and its Affiliates during any three-year period.

(b) If an Awardee proposes to establish a new Affiliate to serve an Investment Area(s) or Targeted Population(s) outside of any State, and outside of any Metropolitan Area, currently served by the Awardee or its Affiliates, the Awardee may receive additional assistance pursuant to this part up to a maximum of \$3.75 million during the same three-year period. Such additional assistance:

(1) Shall be used only to finance activities in the new or expanded Investment Area(s) or Targeted Population(s); and

(2) Must be distributed to a new Affiliate that meets the eligibility requirements described in § 1805.200 and is selected for assistance pursuant to subpart G of this part.

(c) An Awardee may receive the assistance described in paragraph (b) of this section only if no other application to serve substantially the same Investment Area(s) or Targeted Population(s) that meets the requirements of § 1805.701(a) was submitted to the Fund prior to the receipt of the application of said Awardee and within the current funding round.

§ 1805.403 Authority to sell.

The Fund may, at any time, sell its equity investments and loans, provided the Fund shall retain the authority to enforce the provisions of the Assistance Agreement until the performance goals specified therein have been met.

Subpart E—Matching Funds Requirements

§ 1805.500 Matching funds—general.

All financial assistance awarded under this part shall be matched with funds from sources other than the Federal government. Except as provided in § 1805.502, such matching funds shall be provided on the basis of not less than one dollar for each dollar provided by the Fund. Funds that have been used to satisfy a legal requirement for obtaining funds under either the CDFI Program or another Federal grant or award program may not be used to satisfy the matching requirements described in this section. Community Development Block Grant Program and other funds provided pursuant to the Housing and Community Development Act of 1974, as amended (42 U.S.C. 5301 *et seq.*), shall be considered Federal government funds and shall not be used to meet the matching requirements. Matching funds shall be used as provided in the Assistance Agreement. Funds that are used prior to the execution of the Assistance Agreement may nevertheless qualify as matching funds provided the Fund determines in its reasonable discretion that such use promoted the purpose of the Comprehensive Business Plan that the Fund is supporting through its assistance.

§ 1805.501 Comparability of form and value.

(a) Matching funds shall be at least comparable in form (*e.g.*, equity investments, deposits, credit union shares, loans and grants) and value to financial assistance provided by the Fund (except as provided in § 1805.502). The Fund shall have the discretion to determine whether matching funds pledged are comparable in form and value to the financial assistance requested.

(b) In the case of an Awardee that raises matching funds from more than one source, through different investment instruments, or under varying terms and conditions, the Fund may provide financial assistance in a manner that represents the combined characteristics of such instruments.

(c) An Awardee may meet all or part of its matching requirements by

committing available earnings retained from its operations.

§ 1805.502 Severe constraints waiver.

(a) In the case of an Applicant with severe constraints on available sources of matching funds, the Fund, in its sole discretion, may permit such Applicant to comply with the matching requirements by:

(1) Reducing such requirements by up to 50 percent; or

(2) Permitting an Applicant to provide matching funds in a form to be determined at the discretion of the Fund, if such an Applicant:

(i) Has total assets of less than \$100,000;

(ii) Serves an area that is not a Metropolitan Area; and

(iii) Is not requesting more than \$25,000 in assistance.

(b) Not more than 25 percent of the total funds available for obligation under this part in any fiscal year may be matched as described in paragraph (a) of this section. Additionally, not more than 25 percent of the total funds disbursed under this part in any fiscal year may be matched as described in paragraph (a) of this section.

(c) An Applicant may request a “severe constraints waiver” as part of its application for assistance. An Applicant shall provide a narrative justification for its request, indicating:

(1) The cause and extent of the constraints on raising matching funds;

(2) Efforts to date, results, and projections for raising matching funds;

(3) A description of the matching funds expected to be raised; and

(4) Any additional information requested by the Fund.

(d) The Fund will grant a “severe constraints waiver” only in exceptional circumstances when it has been demonstrated, to the satisfaction of the Fund, that an Investment Area(s) or Targeted Population(s) would not be adequately served without the waiver.

§ 1805.503 Time frame for raising match.

Applicants shall satisfy matching funds requirements within the period set forth in the applicable Notice of Funds Availability.

§ 1805.504 Retained earnings.

(a) An Applicant may use its retained earnings to match a request for a financial assistance grant from the Fund. An Applicant that proposes to meet all or a portion of its matching funds requirements by committing available earnings retained from its operations shall be subject to the restrictions described in this section. Retained earnings shall be calculated as

directed by the Fund in the applicable Notice of Funds Availability, the financial assistance application and/or related guidance materials. Retained earnings accumulated after the end of the Applicant's most recent fiscal year ending prior to the appropriate application deadline may not be used as matching funds.

(b) In the case of an Applicant that is not an Insured Credit Union or a State-Insured Credit Union, retained earnings that may be used for matching funds purposes shall consist of:

(1) The increase in retained earnings (meaning, for purposes of § 1805.504(b), operating income minus operating expenses less any dividend payments) that has occurred over the Applicant's most recent fiscal year (e.g., retained earnings at the end of fiscal year 2003 less retained earnings at the end of fiscal year 2002); or

(2) The annual average of such increases that has occurred over the Applicant's three most recent fiscal years.

(c)(1) In the case of an Applicant that is an Insured Credit Union or a State-Insured Credit Union, retained earnings that may be used for matching funds purposes shall consist of:

(i) The increase in retained earnings that has occurred over the Applicant's most recent fiscal year;

(ii) The annual average of such increases that has occurred over the Applicant's three most recent fiscal years; or

(iii) The entire retained earnings that have been accumulated since the inception of the Applicant, provided that the Assistance Agreement shall require that:

(A) The Awardee shall increase its member shares, non-member shares, outstanding loans and/or other measurable activity as defined in and by an amount that is set forth in an applicable Notice of Funds Availability; and

(B) Such increase must be achieved by a date certain set forth in the applicable Notice of Funds Availability;

(C) The Applicant's Comprehensive Business Plan shall discuss its strategy for achieving the increases described in (c)(1)(iii)(A) of this section and the activities associated therewith;

(D) The level from which the achievement of said increases will be measured will be as of July 31 of the calendar year in which the applicable application deadline falls (or such other date as set forth in the applicable Notice of Funds Availability); and

(E) Financial assistance shall be disbursed by the Fund only as the amount of increases described in

paragraph (c)(1)(iii)(A) of this section is achieved.

(2) The Fund will allow an Applicant to utilize the option described in paragraph (c)(1)(iii) of this section for matching funds only if it determines, in its sole discretion, that the Applicant will have a high probability of success in achieving said increases to the specified amounts.

Subpart F—Applications for Assistance

§ 1805.600 Notice of Funds Availability.

Each Applicant shall submit an application for financial or technical assistance under this part in accordance with the applicable Notice of Funds Availability published in the **Federal Register**. The Notice of Funds Availability will advise potential Applicants on how to obtain an application packet and will establish deadlines and other requirements. The Notice of Funds Availability may specify any limitations, special rules, procedures, and restrictions for a particular funding round. After receipt of an application, the Fund may request clarifying or technical information on the materials submitted as part of such application.

Subpart G—Evaluation and Selection of Applications

§ 1805.700 Evaluation and selection—general.

Applicants will be evaluated and selected, at the sole discretion of the Fund, to receive assistance based on a review process, that could include an interview(s) and/or site visit(s), that is intended to:

(a) Ensure that Applicants are evaluated on a merit basis and in a fair and consistent manner;

(b) Take into consideration the unique characteristics of Applicants that vary by institution type, total asset size, stage of organizational development, markets served, products and services provided, and location;

(c) Ensure that each Awardee can successfully meet the goals of its Comprehensive Business Plan and achieve community development impact;

(d) Ensure that Awardees represent a geographically diverse group of Applicants serving Metropolitan Areas, non-Metropolitan Areas, and Indian Reservations from different regions of the United States; and

(e) Take into consideration other factors as described in the applicable Notice of Funds Availability.

§ 1805.701 Evaluation of applications.

(a) *Eligibility and completeness.* An Applicant will not be eligible to receive assistance pursuant to this part if it fails to meet the eligibility requirements described in § 1805.200 or if it has not submitted complete application materials. For the purposes of this paragraph (a), the Fund reserves the right to request additional information from the Applicant, if the Fund deems it appropriate.

(b) *Substantive review.* In evaluating and selecting applications to receive assistance, the Fund will evaluate the Applicant's likelihood of success in meeting the goals of the Comprehensive Business Plan and achieving community development impact, by considering factors such as:

(1) Community development track record (e.g., in the case of an Applicant with a prior history of serving a Target Market, the extent of success in serving such Target Market);

(2) Operational capacity and risk mitigation strategies;

(3) Financial track record and strength;

(4) Capacity, skills and experience of the management team;

(5) Understanding of its market context, including its analysis of current and prospective customers, the extent of economic distress within the designated Investment Area(s) or the extent of need within the designated Targeted Population(s), as those factors are measured by objective criteria, the extent of need for Equity Investments, loans, Development Services, and Financial Services within the designated Target Market, and the extent of demand within the Target Market for the Applicant's products and services;

(6) Program design and implementation plan, including an assessment of its products and services, marketing and outreach efforts, delivery strategy, and coordination with other institutions and/or a Community Partner, or participation in a secondary market for purposes of increasing the Applicant's resources. In the case of an Applicant submitting an application with a Community Partner, the Fund will evaluate the extent to which the Community Partner will participate in carrying out the activities of the Community Partnership; the extent to which the Community Partner will enhance the likelihood of success of the Comprehensive Business Plan; and the extent to which service to the designated Target Market will be better performed by a Community Partnership than by the Applicant alone;

(7) Projections for financial performance, capitalization and raising needed external resources, including the amount of firm commitments and matching funds in hand to meet or exceed the matching funds requirements and, if applicable, the likely success of the plan for raising the balance of the matching funds in a timely manner, the extent to which the matching funds are, or will be, derived from private sources, and whether an Applicant is, or will become, an Insured CDFI or a State-Insured Credit Union;

(8) Projections for community development impact, including the extent to which an Applicant will concentrate its activities on serving its Target Market(s), the extent of support from the designated Target Market, the extent to which an Applicant is, or will be, Community-Owned or Community-Governed, and the extent to which the activities proposed in the Comprehensive Business Plan will expand economic opportunities or promote community development within the designated Target Market;

(9) The extent of need for the Fund's assistance, as demonstrated by the extent of economic distress in the Applicant's Target Market and the extent to which the Applicant needs the Fund's assistance to carry out its Comprehensive Business Plan;

(10) In the case of an Applicant that has previously received assistance under the CDFI Program, the Fund also will consider the Applicant's level of success in meeting its performance goals, financial soundness covenants (if applicable), and other requirements contained in the previously negotiated and executed Assistance Agreement(s) with the Fund, the undisbursed balance of assistance, and whether the Applicant will, with additional assistance from the Fund, expand its operations into a new Target Market, offer more products or services, and/or increase the volume of its activities; and

(11) The Fund may consider any other factors, as it deems appropriate, in reviewing an application as set forth in an applicable Notice of Funds Availability.

(c) *Consultation with Appropriate Federal Banking Agencies.* The Fund will consult with, and consider the views of, the Appropriate Federal Banking Agency prior to providing assistance to:

- (1) An Insured CDFI;
- (2) A CDFI that is examined by or subject to the reporting requirements of an Appropriate Federal Banking Agency; or
- (3) A CDFI that has as its Community Partner an institution that is examined

by, or subject to, the reporting requirements of an Appropriate Federal Banking Agency.

(d) *Consultation with Appropriate State Agencies.* Prior to providing assistance to a State-Insured Credit Union, the Fund may consult with, and consider the views of, the Appropriate State Agency.

(e) *Awardee selection.* The Fund will select Awardees based on the criteria described in paragraph (b) of this section and any other criteria set forth in this part or the applicable Notice of Funds Availability.

Subpart H—Terms and Conditions of Assistance

§ 1805.800 Safety and soundness.

(a) *Regulated institutions.* Nothing in this part, or in an Assistance Agreement, shall affect any authority of an Appropriate Federal Banking Agency or Appropriate State Agency to supervise and regulate any institution or company.

(b) *Non-Regulated CDFIs.* The Fund will, to the maximum extent practicable, ensure that Awardees that are Non-Regulated CDFIs are financially and managerially sound and maintain appropriate internal controls.

§ 1805.801 Notice of Award.

(a) The Fund will generally signify its selection of an Applicant as an Awardee by delivering a signed notice of award to the Applicant. The notice of award will contain the general terms and conditions underlying the Fund's provision of assistance to an Awardee including, but not limited to, the requirement that an Awardee and the Fund enter into an Assistance Agreement.

(b) To become an Awardee under paragraph (a) of this section, an Applicant shall execute the notice of award and return it to the Fund.

(c) By executing a notice of award, an Awardee agrees that, if prior to entering into an Assistance Agreement with the Fund, information comes to the attention of the Fund that either adversely affects the Awardee's eligibility for funding, or adversely affects the Fund's evaluation of the Awardee's application, or indicates fraud or mismanagement on the part of the Awardee, the Fund may, in its discretion and without advance notice to the Awardee, terminate the notice of award or take such other actions as it deems appropriate. Moreover, by executing a notice of award, an Awardee also agrees that, if prior to entering into an Assistance Agreement with the Fund, the Fund determines that the Awardee

is not in compliance with the terms of any previous Assistance Agreement entered into with the Fund, the Fund may, in its discretion and without advance notice to the Awardee, either terminate the notice of award or take such other actions as it deems appropriate. An Awardee shall notify the Fund of information that an Awardee may reasonably believe may affect its eligibility or ability to achieve the objectives of its Comprehensive Business Plan as submitted to the Fund (such as changes in management).

(d) The Fund will notify an Awardee of either the Fund's termination of a notice of award or such other action(s) taken by the Fund under paragraph (c) of this section.

§ 1805.802 Assistance Agreement; sanctions.

(a) Prior to providing any assistance, the Fund and an Awardee shall execute an Assistance Agreement that requires an Awardee to comply with performance goals and abide by other terms and conditions of assistance. Such performance goals may be modified at any time by mutual consent of the Fund and an Awardee or as provided in paragraph (c) of this section. If a Community Partner or an Affiliate is part of an application that is selected for assistance, such partner must be a party to the Assistance Agreement, if deemed appropriate by the Fund.

(b) An Awardee shall comply with performance goals that have been negotiated with the Fund and which are based upon the Comprehensive Business Plan submitted as part of the Awardee's application. Such performance goals may include measures that require an Awardee to:

- (1) Be financially sound;
- (2) Be managerially sound;
- (3) Maintain appropriate internal controls; and/or
- (4) Achieve specific lending, investment, and development service objectives. Performance goals for Insured CDFIs shall be determined in consultation with the Appropriate Federal Banking Agency, as applicable. Such goals shall be incorporated in, and enforced under, the Awardee's Assistance Agreement. Performance goals for State-Insured Credit Unions may be determined in consultation with the Appropriate State Agency, if deemed appropriate by the Fund.

(c) The Assistance Agreement shall provide that, in the event of fraud, mismanagement, noncompliance with the Act and the Fund's regulations, or noncompliance with the terms and conditions of the Assistance Agreement on the part of the Awardee (or the

Community Partner, if applicable), the Fund, in its discretion, may:

- (1) Require changes in the performance goals set forth in the Assistance Agreement;
- (2) Require changes in the Awardee's Comprehensive Business Plan;
- (3) Revoke approval of the Awardee's application;
- (4) Reduce or terminate the Awardee's assistance;
- (5) Require repayment of any assistance that has been distributed to the Awardee;
- (6) Bar the Awardee (and the Community Partner, if applicable) from reapplying for any assistance from the Fund; or
- (7) Take such other actions as the Fund deems appropriate.

(d) In the case of an Insured CDFI, the Assistance Agreement shall provide that the provisions of the Act, this part, and the Assistance Agreement shall be enforceable under 12 U.S.C. 1818 of the Federal Deposit Insurance Act by the Appropriate Federal Banking Agency, as applicable, and that any violation of such provisions shall be treated as a violation of the Federal Deposit Insurance Act. Nothing in this paragraph (d) precludes the Fund from directly enforcing the Assistance Agreement as provided for under the terms of the Act.

(e) The Fund shall notify the Appropriate Federal Banking Agency before imposing any sanctions on an Insured CDFI or other institution that is examined by or subject to the reporting requirements of that agency. The Fund shall not impose a sanction described in paragraph (c) of this section if the Appropriate Federal Banking Agency, in writing, not later than 30 calendar days after receiving notice from the Fund:

- (1) Objects to the proposed sanction;
- (2) Determines that the sanction would:
 - (i) Have a material adverse effect on the safety and soundness of the institution; or
 - (ii) Impede or interfere with an enforcement action against that institution by that agency;
- (3) Proposes a comparable alternative action; and
- (4) Specifically explains:
 - (i) The basis for the determination under paragraph (e)(2) of this section and, if appropriate, provides documentation to support the determination; and
 - (ii) How the alternative action suggested pursuant to paragraph (e)(3) of this section would be as effective as the sanction proposed by the Fund in securing compliance and deterring future noncompliance.

(f) In reviewing the performance of an Awardee in which its Investment Area(s) includes an Indian Reservation or Targeted Population(s) includes an Indian Tribe, the Fund shall consult with, and seek input from, the appropriate tribal government.

(g) Prior to imposing any sanctions pursuant to this section or an Assistance Agreement, the Fund shall, to the maximum extent practicable, provide the Awardee (or the Community Partner, if applicable) with written notice of the proposed sanction and an opportunity to comment. Nothing in this section, however, shall provide an Awardee or Community Partner with the right to any formal or informal hearing or comparable proceeding not otherwise required by law.

§ 1805.803 Disbursement of funds.

Assistance provided pursuant to this part may be provided in a lump sum or over a period of time, as determined appropriate by the Fund. The Fund shall not provide any assistance (other than technical assistance) under this part until an Awardee has satisfied any conditions set forth in its Assistance Agreement and has secured in-hand and/or firm commitments for the matching funds required for such assistance pursuant to the applicable Notice of Funds Availability. At a minimum, a firm commitment must consist of a written agreement between an Awardee and the source of the matching funds that is conditioned only upon the availability of the Fund's assistance and such other conditions as the Fund, in its sole discretion, may deem appropriate. Such agreement must provide for disbursement of the matching funds to an Awardee prior to, or simultaneously with, receipt by an Awardee of the Federal funds.

§ 1805.804 Data collection and reporting.

(a) *Data—General.* An Awardee (and a Community Partner, if appropriate) shall maintain such records as may be prescribed by the Fund that are necessary to:

- (1) Disclose the manner in which Fund assistance is used;
- (2) Demonstrate compliance with the requirements of this part and an Assistance Agreement; and
- (3) Evaluate the impact of the CDFI Program.

(b) *Customer profiles.* An Awardee (and a Community Partner, if appropriate) shall compile such data on the gender, race, ethnicity, national origin, or other information on individuals that utilize its products and services as the Fund shall prescribe in an Assistance Agreement. Such data

will be used to determine whether residents of Investment Area(s) or members of Targeted Population(s) are adequately served and to evaluate the impact of the CDFI Program.

(c) *Access to records.* An Awardee (and a Community Partner, if appropriate) must submit such financial and activity reports, records, statements, and documents at such times, in such forms, and accompanied by such reporting data, as required by the Fund or the U.S. Department of Treasury to ensure compliance with the requirements of this part and to evaluate the impact of the CDFI Program. The United States Government, including the U.S. Department of Treasury, the Comptroller General, and their duly authorized representatives, shall have full and free access to the Awardee's offices and facilities and all books, documents, records, and financial statements relating to use of Federal funds and may copy such documents as they deem appropriate. The Fund, if it deems appropriate, may prescribe access to record requirements for entities that are borrowers of, or that receive investments from, an Awardee.

(d) *Retention of records.* An Awardee shall comply with all record retention requirements as set forth in OMB Circular A-110 (as applicable).

(e) *Data collection and reporting.* Each Awardee shall submit to the Fund, at least annually and within 180 days after the end of the Awardee's fiscal year, such information and documentation that will permit the Fund to review the Awardee's progress (and the progress of its Affiliates, Subsidiaries, and/or Community Partners, if appropriate) in implementing its Comprehensive Business Plan and satisfying the terms and conditions of its Assistance Agreement. The information and documentation shall include, but not be limited to, an Annual Report, which shall comprise the following components:

- (1) *Financial Report:*
 - (i) All non-profit organizations (excluding Insured CDFIs and State-Insured Credit Unions) must submit to the Fund financial statements that have been reviewed by an independent certified public accountant in accordance with *Statements on Standards for Accounting and Review Services*, issued by the American Institute of Certified Public Accountants, no later than 180 days after the end of the Awardee's fiscal year (audited financial statements can be provided by the due date in lieu of reviewed statements, if available). Non-profit organizations (excluding Insured

CDFIs and State-Insured Credit Unions) that are required to have their financial statements audited pursuant to OMB Circular A-133 *Audits of States, Local Governments and Non-Profit Organizations*, must also submit their A-133 audited financial statements to the Fund no later than 270 days after the end of the Awardee's fiscal year. Non-profit organizations (excluding Insured CDFIs and State-Insured Credit Unions) that are not required to have financial statements audited pursuant to OMB Circular A-133, *Audits of States, Local Governments and Non-Profit Organizations*, must submit to the Fund a statement signed by the Awardee's Authorized Representative or certified public accountant, asserting that the Awardee is not required to have a single audit pursuant OMB Circular A-133.

(ii) For-profit organizations (excluding Insured CDFIs and State-Insured Credit Unions) must submit to the Fund financial statements audited in conformity with generally accepted auditing standards as promulgated by the American Institute of Certified Public Accountants, no later than 180 days after the end of the Awardee's fiscal year.

(iii) Insured CDFIs are not required to submit financial statements to the Fund. The Fund will obtain the necessary information from publicly available sources. State-Insured Credit Unions must submit to the Fund copies of the financial statements that they submit to the Appropriate State Agency.

(iv) If multiple organizations sign the Assistance Agreement: The Awardee may submit combined financial statements and footnotes for the Awardee and other entities that signed the Assistance Agreement as long as the financial statements of each signatory are shown separately (for example, in combining financial statements).

(v) If the Assistance is in the form of a loan or a deposit: The Awardee must provide the Fund with financial statements annually throughout the term of the loan or deposit.

(vi) If the Assistance is in the form of an equity investment (common or preferred stock, secondary capital, certificate of deposit, partnership interest, or debentures): The Awardee must provide the Fund with financial statements annually for each year in which the Fund holds the equity investment.

(2) *Performance Goals Report/Annual Survey*: Performance Goals include performance goals and measures that are specific to the Awardee's application for funding.

(i) *Performance Goals Report*: The Awardee will submit to the Fund

information through the Annual Survey that will inform the Fund of its compliance toward meeting the Performance Goals set forth in the Performance Goals Report.

(ii) *Annual Survey*: The Fund will use the Annual Survey to collect data by which to assess the Awardee's compliance toward meeting its Performance Goals and the impact of the CDFI Program and the CDFI industry. The Annual Survey is comprised of two components, the Institution-Level Report and the Transaction-Level Report.

(A) *Institution-Level Report*. The Institution-Level Report includes, but is not limited to, organizational, financial, portfolio and community development impact information and any other information that the Fund deems appropriate.

(B) *Transaction-Level Report*. The Transaction-Level Report includes, but is not limited to, specific data elements on each of the Awardee's loans and investments including, but not limited to, borrower location, loan/investment type, loan/investment amount, and terms.
