

period of 60 days from the date of the first uncured default of their intention to foreclose. After delivery of such notice to VA, 30 days must pass before the holder can begin court proceedings or give notice of sale under power of sale or otherwise take steps to terminate the debtor's rights in the security. Many times, defaults are determined insoluble by holders at the time the notice of default is to be filed with VA. In such cases, the holders are required to file VA Form 26-6850a, which will provide both notices of default and intent to foreclose together on one form. VA Form 26-6850a requires that servicing efforts be fully explained so that VA can determine whether supplement servicing could develop further information which might justify the extension of forbearance to the veteran-borrower as opposed to foreclosure. The information provided is used to coordinate actions of VA and the holder to ensure that all legal requirements regarding foreclosure and claim payment are met.

Type of Review: Reinstatement, with change, of a previously approved collection for which approval has expired.

Abstract: Title 38, U.S.C., 5701(f)(1) authorizes VA to disclose mailing lists of veterans and their dependents to nonprofit organizations, but only for certain specific and narrow purposes. Criminal penalties are provided for improper use of the list by the organization in violation of subsection (f) limitations. The information collection in this regulation ensures that any disclosure of a list under this subsection is authorized by law. VA must ascertain that the applicant is a nonprofit organization and intends to use the list for a proper purpose; if not, Title 38, U.S.C., 5701(a) prohibits

disclosure. The additional information collection (specific geographic locations, point of contact, type of output and signature of organization head) is necessary to ensure timely and accurate processing of each application. Failure to obtain this information will prevent the Department from fulfilling its statutory obligations.
