[Docket No. RP08-218-000]

Gulfstream Natural Gas System, LLC; Notice of Petition for Temporary Waiver of Tariff Provisions and Request for Expedited Action

February 29, 2008.

Take notice that on February 28, 2008, Gulfstream Natural Gas System, LLC (Gulfstream) filed a Petition for Temporary Waiver of Tariff Provisions. Gulfstream states that the purpose of this filing is to seek waiver of section 3.3 of Rate Schedule PALS and section 6 of Gulfstream's General Terms and Conditions, so that Gulfstream can offer parking and lending services to its firm shippers at below the minimum rate for such services and for the terms described in the Petition.

Gulfstream states that it proposes to offer such parking service for the period commencing 10 gas days immediately preceding an April 2008 construction-related outage on its system through and including the last gas day of a second construction-related outage in April 2008. Gulfstream states that it proposes to offer such lending service for the period commencing on the first gas day of the first outage through and including the seventh gas day following the second outage, with the ability to receive loans of line pack gas at the proposed rate only during the outages.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed on or before the comment due date. Anyone filing an intervention or protest must serve a copy of that document on the Applicant. Anyone filing an intervention or protest on or before the intervention or protest date need not serve motions to intervene or protests on persons other than the Applicant.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest or intervention to the

Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.

This filing is accessible on-line at <http://www.ferc.gov>, using the "eLibrary" link and is available for review in the Commission's Public Reference Room in Washington, DC. There is an "eSubscription" link on the Web site that enables subscribers to receive e-mail notification when a document is added to a subscribed docket(s). DEPARTMENT OF ENERGY**National Nuclear Security Administration****Additional Public Hearing on the Draft Complex Transformation Supplemental Programmatic Environmental Impact Statement**

AGENCY: National Nuclear Security Administration, Department of Energy.

ACTION: Notice of Additional Public Hearing.

SUMMARY: On January 11, 2008, NNSA published a Notice of Availability and Public Hearings for the Draft Complex Transformation Supplemental Programmatic Environmental Impact Statement (Draft Complex Transformation SPEIS, DOE/EIS-0236-S4; 73 FR 2023). That notice provided the schedule for 19 public hearings to receive comments on the Draft Complex Transformation SPEIS. Today, NNSA announces an additional public hearing to be held in Española, New Mexico.

Date and Location: NNSA will hold the additional public hearing on March 27, 2008 from 6 p.m. to 10 p.m. at: San Gabriel Mision y Convento, Plaza de Española, 1 Calle de las Españolas, Española, New Mexico (NW corner of the intersection of NM Rt 30 and Paseo de Oñate in the City of Española).

FOR FURTHER INFORMATION CONTACT:

Please direct questions regarding this additional public hearing, requests for additional information, or requests for copies of the Draft Complex Transformation SPEIS, to Mr. Theodore A. Wyka, Complex Transformation Supplemental PEIS Document Manager,

Office of Transformation (NA-10.1), National Nuclear Security Administration, U.S. Department of Energy, 1000 Independence Avenue, SW., Washington, DC 20585. Questions also may be telephoned, toll free, to 1-800-832-0885 (ext. 63519) or e-mailed to complextransformation@nnsa.doe.gov.

SUPPLEMENTARY INFORMATION: On January 11, 2008, NNSA published a Notice of Availability and Public Hearings for the Draft Complex Transformation Supplemental Programmatic Environmental Impact Statement (Draft Complex Transformation SPEIS, DOE/EIS-0236-S4; 73 FR 2023). That notice provided the schedule for 19 public hearings to receive comments on the Draft Complex Transformation SPEIS. Today, NNSA announces an additional public hearing to be held in Española, New Mexico.

Individuals who would like to present comments orally at this hearing must register upon arrival at the hearing. NNSA will allot persons wishing to speak three to five minutes, depending upon the number of speakers. This will ensure that as many individuals as possible have the opportunity to speak. More time may be allotted by the hearing moderator as circumstances allow. NNSA officials will be available to discuss the Draft Complex Transformation SPEIS and answer questions during the first hour. NNSA will then hold a plenary session at the public hearing in which officials will explain the Draft Complex Transformation SPEIS and the analyses in it. Following the plenary session, the public will have an opportunity to provide oral and written comments. Oral comments from the hearing and written comments submitted during the comment period will be considered by NNSA in preparing the Final Complex Transformation SPEIS.

NNSA invites comments on the Draft Complex Transformation SPEIS during the 90-day public comment period, which ends on April 10, 2008. NNSA will consider comments received after this date to the extent practicable as it prepares the Final Complex Transformation SPEIS.

The Draft Complex Transformation SPEIS and additional information regarding complex transformation are available on the Internet at: <http://www.ComplexTransformationSPEIS.com> and <http://www.nnsa.doe.gov>.
