

E.O. 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

### Protection of Children

We have analyzed this proposed rule under E.O. 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not concern an environmental risk to health or risk to safety that may disproportionately affect children.

### Environment

We considered the environmental impact of this proposed rule and concluded that, under figure 2-1, paragraph (32)(e), of Commandant Instruction M16475.IC, this proposed rule is categorically excluded from further environmental documentation. This proposal will change an existing special drawbridge operating regulation promulgated by a Coast Guard Bridge Administration Program action. A "Categorical Exclusion Determination" is available in the docket where indicated under **ADDRESSES**.

#### Approval and Promulgation of State Implementation Plans: Oregon RACT Rule

**AGENCY:** Environmental Protection Agency (EPA).

**ACTION:** Proposed rule.

**SUMMARY:** The EPA proposes to approve the State Implementation Plan (SIP) revision submitted by the State of Oregon for the purpose of revising the RACT Rule. The SIP revision was submitted by the State to satisfy certain Federal Clean Air Act requirements for a SIP. A detailed rationale for the approval is set forth in the direct final rule. If no adverse comments are received in response to this action, no further activity is contemplated. If the EPA receives adverse comments, the direct final rule will be withdrawn and all public comments received will be addressed in a subsequent final rule based on this proposed rule. The EPA will not institute a second comment period. Any parties interested in commenting on this action should do so at this time.
