SUPPLEMENTARY INFORMATION:

Agenda

The Committee and Plan Development Team will receive an update by the Council's facilitator, Tom Balf of OceanVest, on initial outreach progress for public information workshops. They will also finalize and

approve recommendations for a prototype Management Strategy Evaluation (MSE) process to be presented at the April Council meeting. A planning document for the process will include a purpose and objectives for conducting a prototype MSE as well as recommendations about how it will be conducted. It will also include recommendations for stakeholder participants. The Committee and PDT will finalize recommendations for 2022–26 EBFM research priorities. Other business will be discussed, if necessary.

Although non-emergency issues not contained on the agenda may come before this Council for discussion, those issues may not be the subject of formal action during this meeting. Council action will be restricted to those issues specifically listed in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Act, provided the public has been notified of the Council's intent to take final action to address the emergency. The public also should be aware that the meeting will be recorded. Consistent with 16 U.S.C. 1852, a copy of the recording is available upon request.

Takes of Marine Mammals Incidental to Specified Activities; Taking Marine Mammals Incidental to Ocean Wind Marine Site Characterization Surveys, New Jersey

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice; proposed incidental harassment authorization; request for comments on proposed authorization and possible renewal.

SUMMARY: NMFS has received a request from Ocean Wind, LLC (Ocean Wind) for authorization to take marine mammals incidental to marine site characterization surveys in the area of Commercial Lease of Submerged Lands for Renewable Energy Development on the Outer Continental Shelf Lease Area OCS–A 0532 and potential export cable routes to landfall locations in New Jersey. Pursuant to the Marine Mammal Protection Act (MMPA), NMFS is requesting comments on its proposal to issue an incidental harassment authorization (IHA) to incidentally take marine mammals during the specified activities. NMFS is also requesting comments on a possible one-year renewal that could be issued under certain circumstances and if all requirements are met, as described in Request for Public Comments at the end of this notice. NMFS will consider public comments prior to making any final decision on the issuance of the requested MMPA authorizations and agency responses will be summarized in the final notice of our decision.

DATES: Comments and information must be received no later than April 15, 2022.
