

motor vehicle safety and that no corrective action is warranted. Kawasaki states that there is little or no reason to expect an owner of these vehicles to have difficulty inflating the tires properly or understanding the loading information "since the motorcycle owner is provided with the appropriate information in English units, which are far more prevalent in use in the United States." Further, Kawasaki states that the motorcycles are small and most often used for short distance commuting, and therefore "not likely to be ridden outside of the United States to jurisdictions where tire inflation equipment would be less likely to be calibrated in English units."

NHTSA agrees that the noncompliance is inconsequential to safety. The correct English unit information required by FMVSS No. 119 is provided and therefore is likely to achieve the safety purpose of the requirement. NHTSA granted a petition for a similar noncompliance by Bridgestone/Firestone North American Tire, LLC in 2004 (69 FR 75106, December 15, 2004).

In consideration of the foregoing, NHTSA has decided that the petitioner has met its burden of persuasion that the noncompliance described is inconsequential to motor vehicle safety. Accordingly, Kawasaki's petition is granted and the petitioner is exempted from the obligation of providing notification of, and a remedy for, the noncompliance.

### Community Development Financial Institutions Fund

#### Amendment of Notice of Allocation Availability (NOAA) for the CY 2006 Allocation Round of the New Markets Tax Credit Program

**AGENCY:** Community Development Financial Institutions Fund, Department of the Treasury.

**ACTION:** Additional information regarding the administration of New Markets Tax Credit allocation authority created by the Gulf Opportunity Zone Act of 2005.

**SUMMARY:** The Gulf Opportunity Zone Act of 2005 (GO Zone Act or Act) was signed into law on December 21, 2005 (Pub. L. 109-135). The GO Zone Act provides \$1 billion of additional New Markets Tax Credit (NMTC) allocation authority for use by Community Development Entities (CDEs) with a significant mission of recovery and

redevelopment of the Gulf Opportunity Zone (GO Zone). The Act makes available an additional \$300 million in allocation authority for each of the calendar year (CY) 2005 and 2006 allocation rounds and an additional \$400 million in allocation authority for the CY 2007 allocation round. Pursuant to Section 45D(f)(3) of the Internal Revenue Code, the Community Development Financial Institutions (CDFI) Fund will carry over the CY 2005 allocation authority to the CY 2006 allocation round that was announced by the Notice of Allocation Availability published on July 15, 2005 (70 FR 41075), as amended on September 14, 2005 (70 FR 54446) (together, the NOAA), such that an additional \$600 million in allocation authority will be available for allocation to applicants in the CY 2006 round of the NMTC Program that satisfy the GO Zone allocation eligibility requirements set forth below.

#### Go Zone Allocation Eligibility:

Through this notice, the CDFI Fund is not soliciting, nor will it accept, any new applications for the CY 2006 NMTC Program allocation round. To be eligible to receive an allocation from the \$600 million of GO Zone allocation authority available in the CY 2006 NMTC Program allocation round, an applicant must meet all of the following criteria:

(i) The applicant must have submitted an allocation application by the deadline required by the NOAA (or by any deadline extension authorized by the CDFI Fund);

(ii) The applicant must have satisfied all eligibility requirements contained in the NOAA (including minimum scoring thresholds set forth in section V.B of the NOAA); and

(iii) The applicant must have a significant mission of recovery and redevelopment of the GO Zone. In order to demonstrate a "significant mission of recovery and redevelopment of the GO Zone," a CDE must have, at a minimum: (A) Indicated (in its response to Question #12 of the allocation application) that the GO Zone is included within its particular geographic service area; (B) specified (in its response to Question #29 of the allocation application) that it intends to target activities to Low-Income Communities in certain Federal Emergency Management Agency (FEMA)-declared disaster areas; and (C) demonstrated to the satisfaction of the CDFI Fund that it has significant resources in the GO Zone to support its recovery and redevelopment efforts and a significant track record of providing financing and related services in the GO Zone.
