

hazards and hazardous materials, land use compatibility and policy conformity, geology and soils, hydrology and water quality, biological resources, public services, utilities, population and housing, visual resources, and energy.

The Navy will initiate a scoping process for the purpose of determining the extent of issues to be addressed, and identifying significant issues related to the disposal and reuse of Hunters Point Shipyard. This process will include a public scoping meeting as noted in the Dates and Addresses Section of this notice and which will be advertised in area newspapers.

Navy representatives will be available at the meeting to receive comments from the public regarding issues of concern. Federal, state, and local agencies, and interested individuals are encouraged to take this opportunity to identify environmental concerns that should be addressed during the preparation of the SEIS. Agencies and the public are also invited and encouraged to provide written comments on scoping issues in addition to, or in lieu of, oral comments at the public meeting. To be most helpful, scoping comments should clearly describe specific issues or topics that the commenter believes the SEIS should address.

Written comments must be postmarked no later than October 17, 2008, and mailed to: Director, BRAC PMO West, ATTN: Mr. Patrick McCay, 1455 Frazee Road, Suite 900, San Diego, California 92108; e-mail: [patrick.mccay@navy.mil](mailto:patrick.mccay@navy.mil); Fax: 619-532-0940.

Dated: August 28, 2008.
