

- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Propose ways to enhance the quality, utility, and clarity of the information to be collected; and
- Propose ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

Comments

A 60-day public comment Notice was published in the **Federal Register** on Tuesday, February 13, 2008. This comment period ended April 14, 2008. No public comments were received from this Notice. Corporation staff provided two comments. Three staff commenters suggested raising the number of annual respondents from 600 to 2,000 based on our experience with such competitions conducted by the Corporation. This suggestion has been incorporated. Another staff commenter suggested incorporating the questions used for annual reporting for successful applicants in this information collection. This suggestion has also been incorporated.

Description: The Corporation is soliciting comments concerning application instructions designed to be used for grant competitions which the Corporation sponsors from time to time. These competitions are designed and conducted, when appropriations are available, to address the Corporation's strategic initiatives or other priorities. Applicants will respond to the questions included in these instructions in order to apply for funding in these Corporation competitions. Successful applicants will report on an annual basis on their progress using the attached Annual Reporting Questions. Their Annual Reports will provide information for Corporation staff to monitor grantee progress, and to respond to requests from Congress and other stakeholders.
