

requirement represent the most practical and feasible path forward.

HUD finds that good cause exists to waive 24 CFR 570.489(j) and impose an alternative requirement to the extent necessary to allow LMDC to transfer the portions of 130 and 140 Liberty Street necessary to finalize the WTC Vehicle Security Center, Liberty Park, and the St. Nicholas National Shrine at the World Trade Center to the Port Authority without reimbursing the CDBG-DR program for the fair market value of the properties. HUD is therefore waiving section 570.489(j) for this purpose and establishing an alternative requirement to permit LMDC to acquire from the Port Authority property on the World Trade Center site, via long-term lease and purchase, sufficient to carry out the memorial and cultural facilities on the World Trade Center site that are contemplated in the GPP and LMDC's applicable Action Plan, as amended. Additionally, the property to be acquired by LMDC on the World Trade Center site will be subject to CDBG-DR programmatic requirements upon transfer to LMDC. HUD recognizes the phased nature of the transactions contemplated by various parties pursuant to this alternative requirement. However, as part of this alternative requirement, if LMDC does not acquire property that is sufficient to carry out the memorial and cultural facilities on the World Trade Center site as contemplated in the GPP and LMDC's applicable Action Plan, as amended, before LMDC closes out its grants, HUD may pursue appropriate remedial actions.

This waiver and alternative requirement are consistent with the provisions of the Appropriation Acts and are necessary to facilitate LMDC's use of CDBG-DR funds for its Memorial Program.
