(3) For the investigation so instituted, the Honorable Paul J. Luckern, Chief Administrative Law Judge, U.S. International Trade Commission, shall designate the presiding Administrative Law Judge.

The Commission notes that issues regarding whether Complainant may be precluded from asserting its complaint in light of a Commission decision in a prior investigation involving the same patent may be present here. In instituting this investigation, the Commission has not made any determination as to whether Complainant is so precluded.

Accordingly, the presiding administrative law judge may wish to consider this issue at an early date. Extensions of time for submitting responses to the complaint and the notice of investigation will not be granted unless good cause therefor is shown.

Failure of a respondent to file a timely response to each allegation in the complaint and in this notice may be deemed to constitute a waiver of the right to appear and contest the allegations of the complaint and this notice, and to authorize the administrative law judge and the Commission, without further notice to the respondent, to find the facts to be as alleged in the complaint and this notice and to enter an initial determination and a final determination containing such findings, and may result in the issuance of an exclusion order or a cease and desist order or both directed against the respondent.

Issued: July 8, 2011.

By order of the Commission.
