

to provide the option to use the current functionality to prevent self-trades on a per MPID or per port basis. The proposed rule change would offer a new option for participants opting-in to the self-match prevention to prevent undesirable executions across different MPIDs under the same Common Ownership. The Exchange believes that flexibility to apply anti-internalization functionality at the OrgId level would be useful to participants. The Exchange believes that the proposed rule change is designed to promote just and equitable principles of trade and will remove impediments to and perfect the mechanisms of a free and open market as it will further enhance self-trade protections provided to market participants. This functionality does not relieve or otherwise modify the duty of best execution owed to orders received from public customers.

#### *B. Self-Regulatory Organization's Statement on Burden on Competition*

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change is designed to enhance self-match prevention functionality provided to the Exchange's participants and will benefit participants that wish to protect their quotes and orders against trading with other quotes and orders within the same OrgId, rather than the more limited MPID or port standard applied today. The new functionality is also completely voluntary, and members that wish to use the current functionality (or opt out altogether) can also continue to do so. The Exchange does not believe that providing more flexibility to participants will have any significant impact on competition. In fact, the Exchange believes that the proposed rule change is evidence of the competitive environment where exchanges must continually improve their offerings to maintain competitive standing.

#### *C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others*

No written comments were either solicited or received.

### **III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action**

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant

burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act<sup>9</sup> and subparagraph (f)(6) of Rule 19b-4 thereunder.<sup>10</sup>

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

[SEC File No. 270-027, OMB Control No. 3235-0035]

### **Submission for OMB Review; Comment Request; Extension: Rule 17a-13**

*Upon Written Request, Copies Available From:* Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549-2736

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 ("PRA") (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget ("OMB") a request for approval of extension of the previously approved collection of information provided for in Rule 17a-13 (17 CFR 240.17a-13) under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*) ("Exchange Act").

Rule 17a-13(b) (17 CFR 240.17a-13(b)) generally requires that at least once each calendar quarter, all registered brokers-dealers physically examine and count all securities held, and that they account for all other

<sup>9</sup> 15 U.S.C. 78s(b)(3)(A)(iii).

<sup>10</sup> 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

<sup>11</sup> 17 CFR 200.30-3(a)(12).

securities not in their possession, but subject to the broker-dealer's control or direction. Any discrepancies between the broker-dealer's securities count and the firm's records must be noted and, within seven days, the unaccounted for difference must be recorded in the firm's records. Rule 17a-13(c) (17 CFR 240.17a-13(c)) provides that under specified conditions, the count, examination, and verification of the broker-dealer's entire list of securities may be conducted on a cyclical basis rather than on a certain date. Although Rule 17a-13 does not require broker-dealers to file a report with the Commission, discrepancies between a broker-dealer's records and the securities counts may be required to be reported, for example, as a loss on Form X-17a-5 (17 CFR 248.617), which must be filed with the Commission under Exchange Act Rule 17a-5 (17 CFR 240.17a-5). Rule 17a-13 exempts broker-dealers that limit their business to the sale and redemption of securities of registered investment companies and interests or participation in an insurance company separate account and those who solicit accounts for federally insured savings and loan associations, provided that such persons promptly transmit all funds and securities and hold no customer funds and securities. Rule 17a-13 also does not apply to certain broker-dealers required to register only because they effect transactions in securities futures products.

Rule 17a-13 requires the recording of only those differences in the broker-dealer's records that remain unresolved seven business days after the date of the examination, count, and verification. The Commission or the self-regulatory organization ("SRO") designated as the broker-dealer's examining authority may examine these recorded discrepancies in a broker-dealer's records to determine whether they are the result of the firm's inability to maintain control of its business.

The information obtained from Rule 17a-13 is used as an inventory control device to monitor a broker-dealer's ability to account for all securities held in transfer, in transit, pledged, loaned, borrowed, deposited, or otherwise subject to the firm's control or direction. Discrepancies between the securities counts and the broker-dealer's records alert the Commission and the self-regulatory organizations ("SROs") to those firms experiencing back-office operational issues.

As of August 2022, there were approximately 3,532 active broker-dealers registered with the Commission. However, given the variability in their

businesses, it is difficult to quantify how many hours per year each broker-dealer spends complying with Rule 17a-13. As noted, Rule 17a-13 requires a broker-dealer to account for all securities in its possession or subject to its control or direction. Many broker-dealers hold few, if any, securities, while others hold large quantities. Therefore, the time burden of complying with Rule 17a-13 will depend on respondent-specific factors, including size, number of customers, and proprietary trading activity. The staff estimates that the average time spent per respondent is 100 hours per year on an ongoing basis to maintain the records required under Rule 17a-13. This estimate takes into account the fact that more than half of the 3,532 respondents—according to financial reports filed with the Commission—may spend little or no time complying with Rule 17a-13, given that they do not do a public securities business or do not hold inventories of securities. For these reasons, the staff estimates that the total recordkeeping burden per year is approximately 353,200 hours (3,532 respondents × 100 hours/respondent).

The records required to be made by Rule 17a-13 are available only to Commission examination staff, state securities authorities, and applicable SROs. Subject to the provisions of the Freedom of Information Act, 5 U.S.C. 522, and the Commission's rules thereunder (17 CFR 200.80(b)(4)(iii)), the Commission does not generally publish or make available information contained in any reports, summaries, analyses, letters, or memoranda arising out of, in anticipation of, or in connection with an examination or inspection of the books and records of any person or any other investigation.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.

The public may view background documentation for this information collection at the following website: [www.reginfo.gov](http://www.reginfo.gov).
