

### III. Request for Nominations

USTR is soliciting nominations for membership on the TACA. To apply for membership, an applicant must meet the following eligibility criteria at the time of application and at all times during their term of service as a TACA member:

1. The applicant must be a U.S. citizen.
2. The applicant cannot be a full-time employee of a U.S. governmental entity.
3. If serving in an individual capacity as an SGE, the applicant cannot be a federally registered lobbyist.
4. The applicant cannot be registered with the U.S. Department of Justice under the Foreign Agents Registration Act.
5. The applicant must be able to obtain and maintain a security clearance.
6. For representative members, who will comprise virtually all of the TACA membership, the applicant must represent a U.S. organization whose members (or funders) have a demonstrated interest in issues relevant to U.S. African trade and investment or have personal experience or expertise in United States-sub-Saharan African trade.

For eligibility purposes, a "U.S. organization" is an organization established under the laws of the United States, that is controlled by U.S. citizens, by another U.S. organization (or organizations), or by a U.S. entity (or entities), determined based on its board of directors (or comparable governing body), membership, and funding sources, as applicable. To qualify as a U.S. organization, more than 50 percent of the board of directors (or comparable governing body) and more than 50 percent of the membership of the organization to be represented must be U.S. citizens, U.S. organizations, or U.S. entities. Additionally, at least 50 percent of the organization's annual revenue must be attributable to nongovernmental U.S. sources.

7. For members who will serve in an individual capacity, the applicant must possess subject matter expertise regarding sub-Saharan Africa trade issues.

In order to be considered for TACA membership, interested persons should submit the following to Ethan Holmes, Director for Private Sector Engagement, at [Ethan.M.Holmes@ustr.eop.gov](mailto:Ethan.M.Holmes@ustr.eop.gov):

international trade affects the organization and why USTR should consider the applicant for membership.

USTR will consider applicants who meet the eligibility criteria in accordance with equal opportunity practices that promote diversity, equity, inclusion, and accessibility, based on the following factors:

#### Waiver of Aeronautical Land Use Assurance: Kansas City International Airport (MCI), Kansas City, MO

**AGENCY:** Federal Aviation Administration (FAA), DOT.

**ACTION:** Notice of Intent of Waiver with respect to land use change from aeronautical to non-aeronautical.

**SUMMARY:** The Federal Aviation Administration (FAA) is considering a proposal from the City of Kansas City, MO, to release a 13.94 acre parcel of land from the federal obligation dedicating it to aeronautical use and to authorize this parcel to be used for revenue-producing, non-aeronautical purposes.

**DATES:** Comments must be received on or before February 10, 2022.

**ADDRESSES:** Comments on this application may be mailed or delivered to the FAA at the following address: Amy J. Walter, Airports Land Specialist, Federal Aviation Administration, Airports Division, ACE-620G, 901 Locust, Room 364, Kansas City, MO 64106.

In addition, one copy of any comments submitted to the FAA must be mailed or delivered to: Patrick Klein, Director of Aviation or Mike Waller, Senior Planner, Kansas City International Airport, Aviation Department, 601 Brasilia Avenue, Kansas City, MO 64153, (816) 243-3100.

**FOR FURTHER INFORMATION CONTACT:** Amy J. Walter, Airports Land Specialist, Federal Aviation Administration, Airports Division, ACE-620G, 901 Locust Room 364, Kansas City, MO 64106, Telephone number (816) 329-2603, Fax number (816) 329-2611, email address: [amy.walter@faa.gov](mailto:amy.walter@faa.gov).

**SUPPLEMENTARY INFORMATION:** The FAA invites public comment on the request to change a 13.94 acre parcel of airport property at the Kansas City International Airport (MCI) from aeronautical use to non-aeronautical revenue producing use. This parcel will be leased for the relocation and construction of the FBI Kansas City Division Headquarters.

No airport landside or airside facilities are presently located on this parcel, nor are airport developments contemplated in the future. There is no current use of the surface of the parcel. The parcel will serve as a revenue producing lot with the proposed change from aeronautical to non-aeronautical. The request submitted by the Sponsor meets the procedural requirements of the Federal Aviation Administration and the change to non-aeronautical status of the property does not and will not impact future aviation needs at the airport. The FAA may approve the request, in whole or in part, no sooner than thirty days after the publication of this Notice.

The following is a brief overview of the request:

The Kansas City International Airport (MCI) is proposing the use release of a 13.94 acre parcel of land from aeronautical to non-aeronautical. The use release of land is necessary to comply with Federal Aviation Administration Grant Assurances that do not allow federally acquired airport property to be used for non-aviation purposes. The rental of the subject property will result in the land at the Kansas City International Airport (MCI) being changed from aeronautical to non-

aeronautical use and release the lands from the conditions of the Airport Improvement Program Grant Agreement Grant Assurances. In accordance with 49 U.S.C. 47107(c)(2)(B)(i) and (iii), the airport will receive fair market rental value for the property. The annual income from rent payments will generate a long-term, revenue-producing stream that will further the Sponsor's obligation under FAA Grant Assurance number 24, to make the Kansas City International Airport as financially self-sufficient as possible.

Any person may inspect, by appointment, the request in person at the FAA office listed above. In addition, any person may upon request, inspect the application, notice and other documents determined by the FAA to be related to the application in person at the Kansas City International Airport—Aviation Department.

Issued in Kansas City, MO, on January 6, 2022.

##### II. Background

On November 24, 2021, FMCSA published a notice announcing receipt of applications from 11 individuals requesting an exemption from vision requirement in 49 CFR 391.41(b)(10) and requested comments from the public (86 FR 67112). The public comment period ended on December 27, 2021, and no comments were received.

FMCSA has evaluated the eligibility of these applicants and determined that granting the exemptions to these individuals would achieve a level of safety equivalent to, or greater than, the level that would be achieved by complying with § 391.41(b)(10).

The physical qualification standard for drivers regarding vision found in § 391.41(b)(10) states that a person is physically qualified to drive a CMV if that person has distant visual acuity of at least 20/40 (Snellen) in each eye without corrective lenses or visual acuity separately corrected to 20/40 (Snellen) or better with corrective lenses, distant binocular acuity of at least
