SUPPLEMENTARY INFORMATION:

Background

Special Milk Program for Children— Pursuant to section 3 of the Child Nutrition Act of 1966, as amended (42 U.S.C. 1772), the Department announces the rate of reimbursement for a halfpint of milk served to nonneedy children in a school or institution that participates in the Special Milk Program for Children. This rate is adjusted annually to reflect changes in the Producer Price Index for Fluid Milk Products, published by the Bureau of Labor Statistics of the Department of Labor.

For the period July 1, 2005 to June 30, 2006, the rate of reimbursement for a halfpint of milk served to a nonneedy child in a school or institution which participates in the Special Milk Program is 15.5 cents. This reflects a decrease of 8.87 percent in the Producer Price Index for Fluid Milk Products from May 2004 to May 2005 (from a level of 185.9 in May 2004 to 169.4 in May 2005).

As a reminder, schools or institutions with pricing programs that elect to serve milk free to eligible children continue to receive the average cost of a halfpint of milk (the total cost of all milk purchased during the claim period divided by the total number of purchased halfpints) for each halfpint served to an eligible child.

National School Lunch and School Breakfast Programs— Pursuant to sections 11 and 17A of the Richard B. Russell National School Lunch Act, (42 U.S.C. 1759a and 1766a), and section 4 of the Child Nutrition Act of 1966 (42 U.S.C. 1773), the Department annually announces the adjustments to the National Average Payment Factors and to the maximum Federal reimbursement rates for lunches and afterschool snacks served to children participating in the National School Lunch Program and breakfasts served to children participating in the School Breakfast Program. Adjustments are prescribed each July 1, based on changes in the Food Away From Home series of the Consumer Price Index for All Urban Consumers, published by the Bureau of Labor Statistics of the Department of
